Decline of the Dollar from the Messenger of Allah

In The Name of Allah, the Most Merciful.

The strong-hold of the American Government is falling to pieces. She has lost prestige among the nations of the earth. One of the greatest powers of America was her dollar. The loss of such power will bring any nation to weakness, for this is the media of exchange between nations. The English pound and the American dollar have been the beckoning light of these

two great powers. But when the world went off the gold and silver standard, the financial doom of England and America was sealed.

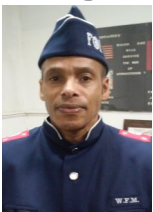

The pound has lost 50 percent of its value. America's dollar has lost everything now as power backing for her currency, which was once backed by gold for every %5 note and up. All of her currency was backed by silver, from a \$1 note up. But today, the currency

of America is not backed by any sound value - silver or gold. The note today is something that the government declares they will give you the (cont' pg 2)

Blackman is a crime against our very nature; like a blind man driving a car which puts others in danger. This is not to be done. Allah has given laws regarding foods which apply to everyone. They are to be followed for the best results. Both Bible and Holy Quran makes clear references to the hog as being a divinely prohibited meat. It is not to be eaten,

nor is it permissible to touch its dead carcass. In the book of Deuteronomy and the book of Leviticus we find clear verses regarding the land meats that are permissible for food, and in both books we find the hog (pig) is not to be eaten. Reference what is found that can be eaten from the waters are also given; note that every creature of the waters are not to be eaten al-(cont' pg 3)

The Blackman

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The Blackman has weathered disrespect, unimaginable pain and death since being brought to the shores of North America over 400 years ago by white people, also known as devils. But the power that has always existed in the Blackman is being awakened today by Allah (God) Who came in the Person of Master Fard Muhammad. According to the Honorable Elijah Muhammad, Master Fard Muhammad was born to remove the devil's shackle of mental and spiritual death from us. He is the Divine Supreme

value in return, but does not name what that value is. But they definitely are not backing their currency with silver or gold.

This is the number-one fall, and it is very clear that the loss of power of the American dollar means the loss of the financial power of America. What will happen since there is no sound backing for her notes we do not know. What should we expect even in the next twelve months under the fall of the power of America's dollar? This means that we have 100 percent inflation. What could happen under 100 per-

Being equipped with infinite knowledge, wisdom and power. He taught the Honorable Elijah Muhammad (night and day for nearly three and one-half years) of our history and that of the white race. Why, so much time and effort on two people? It is because we did not know that we (Black People) are the original people of the earth, the maker and owner of the universe, righteous people with no birth record and, its just as important to know that the evil white race dates back only 6,000 years and own not part of our planet. Everything in nature gravitates toward its own, even people of different races, but we (Black People) in North America have a unique situation in that we were deprived of our names, culture, language and religion (Islam) by

white people and filled with fear and submissiveness to be used as tools to do their labor and build their wicked society. Their plans never included us being treated with fairness and humility, but Allah, the Best Knower, also has plans. He protects the Creation and the original man. He awakens in us that righteous spirit that will carry us into the New World after the devil has been completely destroyed, root and branch. The Honorable Elijah Muhammad said that the whiteman has nothing but death in this world. Allah's journey to North America is all for the Blackman and woman. The teachings are more valuable than ever, so for the love of Allah, come out of the devil's world. Allah is at war against it.

As-Salaam-Alaikum.

cent inflation? Your guess is as good as mine. The power of gold and silver was once abundant in America. But the touch of the finger of God against the power of so mighty a nation has now caused the crumbling and fall of America.

We can easily and truthfully liken the fall of America to the prophetic symbolical picture given in the (Bible) Revelation of John 18:2. The name Babylon used there does not really say whether it is ancient Babylon or a picture of some future Babylon.

Cause For The Nation of Islam To Rejoice by Bro. Kamau Islam

In The Name of Allah, Master Fard Muhammad, and in the name of His Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Messenger Elijah Muhammad, in his book titled Supreme Wisdom Vol. 1, page 13, announces there is ***“Cause for the Nation of Islam to Rejoice”***. This great joy should occur because of the great work of Allah, (Master Fard Muhammad) in finding us (the so-called Negroes or African-Americans) who had been slain and buried (in a shallow grave) over here in the Western Hemisphere for over 400 years.

Allah, Master Fard Muhammad, teaches us, through our lessons

learned in Civilization Classes, that *“the Nation of Islam has no beginning nor ending; always was and always will be.”* This truth should be sufficient for all Muslims (on a world-wide basis) to rejoice and be exceedingly glad.

The Honorable Elijah Muhammad references many scriptural accounts in the Bible in which people found reasons to rejoice. These include the recovery of a stray animal, and of a piece of silver; and a son who voluntarily return after cohabitating with strangers. He (the Messenger) often asked that we learn to come and reason together.

This reference for rejoicing is not for celebration in recuperating an individual person or item; but in finding millions of people who have been

lost from the eternal Nation of Islam, and have now been found. Allah (God), Master Fard Muhammad has raised Messenger Elijah Muhammad in a mission to assist in the restoration of the Lost-Found members of the Nation of Islam here in the Wilderness.

Allah rejoices, His Messenger rejoices, the true Believers rejoice, however, there seems not to be too much enthusiasm on the part of Muslims world-wide (including many here on the home-front). Hence, Allah states in the Book of Malachi, Chapter 4:6 *“And he shall turn the heart of the fathers to the children, and the heart of the children to their fathers, lest I come and smite the earth with a curse.”*

As-Salaam-Alaikum.

though they may not be divinely prohibited. This also includes some species of fish. Take the time to review these books in the Bible. The Holy Quran (46:103) makes it clear that if we follow the instructions given regarding our eating habits, our rewards will be enhanced. The Honorable Elijah Muhammad teaches us how to eat to live, but we have been raised in the devil's time and follow his death style. Today we have entered the seventh day of the Lord and we are given the opportunity to come back to self and kind or to continue following the devil and be doomed with him. Remember, the

Devil (White Race) was given six days (6,000 years) to rule and do his work. We are taught that his time was up in 1914, but an extension was given as we were so entrenched in his world and would need that time to break free of his grip on us. We are now in our time and must adhere to the teaching of Allah's Messenger if we are to survive this change of worlds. The devil has deceived nine-tenths of the planet, but his time is up as Allah's world of truth and righteousness comes in. To eat to live is to extents our lives as we move toward our New World in Islam. As-Salaam-Alaikum.
