Life Of This World by Bro. Hakeeme Muhammad

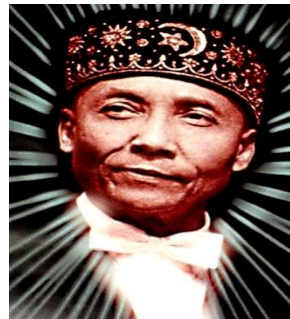

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The Messenger of Allah teaches us as does the Holy Qur'an, life in this world is nothing but sport and play. Such a world has and is attracting the members of the Righteous (Nation of

Islam) to take part in it.

Messenger Elijah Muhammad teaches us that that our attentions given to this world of sport and play distracts us from the work of building our own world. It is a trick to keep us from supporting the world that is being established for ourselves. He informs us that this game of distraction keeps our minds on the Devil's world. He is also playing the world which distracts any aid that would be giv-

inviting us into His world of life-giving teachings through the Honorable Elijah Muhammad, His Messenger. He has the power to free us from the despair and unhappiness that is commonplace among our people. All we have to do is enter and take the time to listen and learn what we've never

known about ourselves and kind, others and the universe in which we live. The reward is astounding! So when Allah through His Messenger speaks of the New World, He makes it known that it will have all that He authors under the realm of His religion, Islam that equals 360 degrees of (cont' on page 2)

prayers when called upon: not an unknown mystery spook God, nor the crucified Jesus of two thousand years ago. The world of the white race does not want a God of righteousness to set up a government of justice. They love wickedness and sport and play. They prepare their own destruction, thinking that they are preparing the destruction of others. This world of Christianity has gone so crazy, they think every outcry is against them. They are doing just what they were made to do - trying the righteous with wickedness and filth. The stealing and killing they are doing is part of their na-

ture. We are living in the Days of Allah (God) which means he is present and laying a foundation for a New Government of peace and security for the righteous. He also is the defender and restorer of the black nation. The white race has worked hard for 6,000 years to try to destroy the religion of Allah (God), however we are still here. Fear is the worst enemy the black man has, but entire submission to Allah and His Messenger will remove this fear. Leave Christianity, Fear will leave you. Join on to Islam under the guidance of Allah's Messenger for us. As-Salaam-Alaikum.

the works of Messenger Muhammad. Scripture informs us to look for a man like Moses who will lead us into a land and world of our own not based in sport and play.

We who have been made blind to the works of the white world now have a Saviour and a Guide who are awakening us to the time and the changing of worlds. The controls over our thinking and works (that of our people) is due to the tricks, such as sport and play. We have

been without the knowledge of our open enemies while having no ideal that they use these games and tricks as a means of mind control over us. Consider, what accomplishments for self and kind would be made if you were not putting your valuable time and money in sport and play?

Sport and play is not where our interest should be. Our thoughts should be on building for self, our new world, our true religion, Islam, and

our real God (Allah) and His Messenger.

Words of Advice

In The Name of Allah, Master Fard Muhammad, and in the name of His Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Every thing that the Honorable Elijah Muhammad, the only chosen Messenger of Allah, teaches us is for our benefit. We can test it, follow it and believe it. He even offers us to challenge what he brings us. He gives us the means to restore ourselves to our own way of life (Islam). We have been away from our own way for over 400 years. We are now living in the "End Times". This means that the days spoken of in scripture, when properly under-

stood, marks a universal change in the rulership of the current world. Believe it or not, the Blackman is changing and is coming back to his true self. The process may seem slow to some, but this transformation is occurring. Consider, the teachings to us from Allah through His Messenger; he teaches us a knowledge of self (new for us) and of those other than self (white people). We are not one people. He teaches us reference food that should be eaten, when to eat and what should not be eaten. This puts an end to illness. He teaches us not to look to the sky for heaven nor down for hell, both are conditions we experience while we live. There is no God in

the sky nor is there a Devil in the ground. This is a false teaching from white people. He teaches us prayers to pray. These are given to him from Allah in Person for us. No longer are we to make-up and pray prayers that reach no God in reality. We are taught what pray, how to pray, as well as, when to pray. What we are now being taught is preparing us for rulership. Many may doubt or just refuse to adhere, or follow these new teachings coming to us, Black People. None can refute any of that which is now being exposed. We who follow him advise you to take hold of his teachings. His are words of advice for life. As-Salaam-Alaikum.

A New World Coming cont' from page 1

Supreme Wisdom. Today, the New Islam prepares us for our New World giving us truth that dispels the false teachings of Christianity, the white man's religion or way of life. Christianity is like a tumor that eats away at the righteous nature of Black people. It is not our natural religion and give given much of our behavior today, it is easy to see why it is not good for us. What we need for the New World coming can only be found in Islam. Truth, peace, love of self to name a few are benefits of the New Islam. It is enduring and will cultivate anew people (Black People) for the New World. The

present world is so wicked that a major change must take place to make way for the new. This means that the old world will not be patched, repaired or mixed with the new. We (Black people) are fortunate today to have Allah on our side giving us the "good news" that's reserved exclusively for us. Instead of tears of anguish and pain that result from our enemies inflictions on us, there will be tears of joy experiencing a heaven-like condition that the Honorable Elijah Muhammad said would be ours upon acceptance of Allah and His Messenger. As-Salaam-Alaikum.
