states that all eyes would see Him as He is. This could only mean that He would be in a form that would be recognizable by all who see the form. The form must be one that is acceptable. In other words, the form could not be that of a tree, a rock, a plant or animal, etc. Such forms are considered to be less than that of a physical being, a man. And who would consider giving themselves over to any form other than that which is likened to himself.

Come Under The Crescent Of Islam by Bro. John X

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, The Honorable Elijah Muhammad. As-Salaam-Alaikum.

One dictionary defines crescent as "the Crescent" which represents "the political power of Islam". Comparatively speaking, there is the word "crescendo" which means, "increasing progressively in force or intensity". No such power, force, or intensity - not to mention - progress, exists for the so-called Negro under "the cross" of that slave-making religion called Christianity. Only its (cross) owners possess such power.

Messenger Elijah Muhammad asks the question "Which one of the emblems (Crescent or Cross)

represents a good religion?" To attract one to do good, you must have of good. Our religion, Islam has the best sign (the Crescent). There is no doubt about it. We have taken the best of everything for our own (the Sun, Moon and Stars); ever since it was created by our Father, we know the best. What can be more essential to our well-being than the Sun, Moon and Stars?

The spiritual meaning of our emblem (the Crescent), so teaches the Messenger, is Freedom, Justice, and Equality, not that we "say" one thing and do otherwise; a Muslim tries to practice what he preaches; not so with Christians. They "say" and do not. But after all, their religious emblem (the cross) and its meaning compare with the nature of the so-called Christians (white people). By nature they are murders and love

to make slaves of others. They are haters of the Black Nation, which loves freedom, justice and equality. It looks strange to see people accepting the cross as a sign of a good religion. Why should we be looking and begging for that which is good (freedom, justice and equality)? Every life that is created on the planet earth has a duty. It is bound to this duty, by nature. to do something for self - the so-called Negro not withstanding. Messenger Muhammad says our eyes must be opened to the truth at any price.

So, "Set yourself upright to the right religion (the Crescent) before there comes from Allah the day which cannot be averted; on that day they (Crescent and cross) shall become separated" (Holy Qur'an 30:43). Come under the Crescent of Islam! As-Salaam-Alaikum.

Islam Alone Can Unite...cont' from pg 1

eliminating the possibility of uniting with our own kind.

In the book, "Supreme Wisdom" Volume 1, on page 33, Messenger Elijah Muhammad writes: "It is a great job trying to change the so-called Negroes from the ways of their slave masters and to unite them". Still he states that even though this task will take much suffering it can be done.

Messenger Muhammad teaches us the only thing that can unite the only thing that can unite the so-called Negroes/African-American is the religion of Islam. One of the main keys needed to establish our unity is we must

gain the ability to come and reason together. Long before the Devils of America allowed the freed Black slave to worship in any denomination of Christianity there were many splits in the Christian Church. This is mainly because Christianity is a very divisive religion and any person with intelligence cannot reason with its unrealistic doctrines.

Messenger Muhammad teaches that because of the terrible shape that he is in, the last thing the so-called Negro would need is something that will disunite him even more.

Islam Is Our Salvation

by Sis. Brenda Muhammad

In the Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, The Honorable Elijah Muhammad. As-Salaam-Alaikum.

Allah (God), Master Fard Muhammad, Who found the Blackman here in North America, has power over the heavens and earth. Being the God of Truth, Justice and Rightness is going to be the Ruler and/or creator of a New Government. He gave Islam as a religion for the Black Nation. His wisdom and way of thinking is superior to any way of thinking and believing today. For the past 6,000 years the Blackman has been lost to the knowledge of self and

God. This is why it is so hard to unite the Blackman. White Christianity has robbed and destroyed our peace and love for one another. It is Christianity that is keeping the black Nation a subject people. We must have a new government, a new ruler and a teacher of that new government. Thus Elijah Muhammad, the Last Messenger of Allah was spiritually raised to teach the people of self, kind and who their God is. The white race is an unusual people and their ideology is unusual. The Blackman today, under the guidance of The Honorable Elijah Muhammad, is being aroused to their own religion and proper way of life. They are now learning to love Black and are getting to-

gether with Black in unity and peace. Islam is our Salvation. It removes fear, grief and sorrow from any brother or sister who accepts it and believes in these teachings under the guidance of Allah's Greatest Messenger. It brings to us peace of mind, contentment and restores a proudness in ourselves that has been lost due to a servitude in the hell like condition of slavery.

As-Salaam-Alaikum.

years ago that would return, since he was a man. He is also represented by the givers of that teaching to be the biological son of God, who by the way, is not represented as a physical being. The more we examine such teachings, the more ridiculous they become to those who deal in reality (math and science) where all findings are proven. We have been purposely mislead, in the proper interpretation of scripture, and Biblical history as well. If we recall, nowhere in the Bible did Jesus state that he would be returning to save any world or people. He stated that he had to go away in

order to make way for "The Comforter" who was to come. This one would come to reveal all truths, to restore all things. This one would make all things new. So now, here we are standing in the midst of truth, having to re-examine, reevaluate and reconsider what has been previously taught. All praises to Allah, who has come in the Person of Master Fard Muhammad for raising in our midst a Divine Leader, Teacher and Guide, the Honorable Elijah Muhammad. He is the first begotten of the dead who was wise enough to recognize God in Person, being a man and doing a su-

preme work in the midst of a down trodden, helpless people. We are the lost people of scripture called the dead, deaf, dumb and blind. Allah is here, in person. He must be present, for we now are awakening to the truth of ourselves, our enemies and our real God. Let us now examine all things with the new eyes being provided to us by His Messenger. Allah is now revealing all truths, restoring all things, and making a new heaven and a new earth. He has come, He is here in person, and HE IS A MAN.
