Well over 400 years ago millions of Black people were kidnapped from the Eastern part of our planet (Africa) and forced into servitude to white European murderers/

conquerors that had invaded and taken over the lands of the Red People (Indians) in the Western Hemisphere.

With near total destruction of the Red People and constant brutalization, death and destruction of the kidnapped Black people, the white European murderers/conquerors were well on their way in (cont' pg 3)

A Rule We Must Live By

In the Name of Allah, Master Fard Muhammad to Whom praise is forever due and His Last Messenger, The Honorable Elijah Muhammad.

As-Salaam-Alaikum.

A rule is a standard of measurement; a guiding principle or formula. It also means to exercise supreme authority; to govern; to manage; to decide; law. The word *ruler* is from the root word *rule* and is defined as one who rules or governs.

Allah, Master Fard Muhammad, chose and taught the Most Honor-

able Elijah Muhammad to be His Last and Greatest Messenger, our only Divine Leader, Teacher and Guide, to teach us that the first and foremost subject for us is to acquire a knowledge of self is to "Accept Your Own and Be Yourself." Allah is the Supreme Ruler, Who is making all things new. He has laid the foundation for a new divine law or government or rule for the entire Universe - "Islam."

We, the Black Nation are from the aboriginal people or the first people of our earth. We brought the races of people (brown, yellow, red, white - MTBMIA; pg 243) into existence through the

process of making the devil a little over 6,000 years ago and following their rule a little over 400 years ago.

The Messenger teaches that we here in the Wilderness of North America are the most robbed of a knowledge of self out of the entire nation of Black people. This includes our brothers and sisters through East Asia or Africa. So Allah chose us, the deadest of the dead, to learn, believe, accept and practice "A Rule We Must Live By" - Islam, taught by The Most Honorable Elijah Muhammad.

As-Salaam-Alaikum.

The Two Worlds, The Two Camps from The Messenger's Teachings

The Honorable Elijah Muhammad teaches in his book "*Our Saviour Has Arrived*" that we should "fear the day when evil is spreading far and wide". He also informs us that we are living in the time that the world is divided into "the two worlds

and the two camps" - Islam and Christianity. One may ask about Buddhism and Hinduism, but they are religions established by members of the original family of Black people and they too are off the path of truthfulness, but they are still mem-

bers of the original family. He teaches from Allah Master Fard Muhammad (God in Person) that Christianity, or we may say, the white man, has been in power for 6,000 years. He has ruled independently since the birth of Moses, 4,000 years. When Islam came

Certainty of Punishment

with the knowledge of the immediate judgment and with the enemy of the righteous.

The Blackman must have a thorough knowledge of self; for by no means can they be directed rightly until they have a thorough knowledge of Allah (God).

The Lost-Found Black People have been and are being reared by the Devil; the Devil knows them while they do not know him. Therefore, the Holy Qur'an was given and taught to Messenger Muhammad for the expressed purpose of saving his people from

the fire of hell.

It is so strange now today to see the Blackman of America desiring not to be separated from his enemy, but desiring that the enemy and he live together in love of each other, as brothers, while the enemy knows that it cannot be done. But he (Devil) can use their ignorant love and belief in him to take him (so-called Negro) to hell with him.

Therefore, Allah (God) has to strike both parties, the white man (devil) and the Black, blind, deaf, and dumb lovers of their enemy, with a severe chastisement, in order

to open their (so-called Negroes) blind eyes, as he did in Jesus' parable of the rich man and the poor man (Lazarus), as stated in the Bible (Luke 16:19-25). Lazarus refused to give up begging his master for survival until Allah (God) sent a famine upon the rich man. Most assuredly, and with a certainty, the worse famine that man has ever seen is prophesied to come upon America, making it the Certainty of the Punishment. As-Salaam-Alaikum.

The Dead are Rising! They Seek Their Own! By Bro. Hakeem Muhammad

In the Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, Then Honorable Elijah Muhammad, I greet you, As-Salaam-Alaikum.

As we come into the knowledge of the time we are living, we must also realize that the time has come to make a decision. The decision, chose life or chose death. Now that the knowledge of Self, Devil and God has been made known to us by Allah (God), Who Came in the Person of Master Fard Muham-

mad, who is A Man and not a spook or spirit. Scripture states that all eyes will see Him as He Is (Bible Rev. 1:7). It is important that we look not, to a spook or any formless none existing being as our God. We are not a formless spirit people. Man cannot listen to or follow any one other than man. As the Messenger teaches, we just can't obey anything other but human beings. We, the once mentally dead, were made to believe other than the truth and the reality of God. Today, we are rising in knowledge and wisdom. We seek truth and we are seeking our own. No

longer are we looking to join onto our enemies and be apart of their world. The truth is before us today and the only choice for life is to choose self and kind. We who have accepted the teachings of Allah for us as given by His Messenger, The Honorable Elijah Muhammad rejoice in these teachings. They have given us the freedom, justice and equality that we longed for mentally and spiritually, and makes us physically able to do for self collectively. All praise is due Allah, Master Fard Muhammad, to Whom all praise is due forever. Join us in our rise.

to Israel from Moses, Israel, rebelled and Nimrod broke the civilization of Moses in the 17th century. The white race (Israel) has been causing confusion, dissatisfaction, rebelling, fighting, and warring - which is in their nature and as it (cont' pg3) is foretold in scripture (Holy Qur'an...Making mischief in the land and causing bloodshed). The signs of the end for Christianity are clear. They seek peace, running to and fro,

to nations, to capital of nations, leaders and rulers, seeking peace and are unable to find it as the Book reveals (Bible, Eze.7:25) No peace, destruction cometh. The Beast (the heads of the American Government)and The Dragon (the head of the Christian religion) will seek audience with each other, (Rev. 13:2) but to no avail.

Government of Peace, Freedom, Justice and Equality and this angers the old world of rebelling and warring. The war between the two camps (religions) is at hand and we must be made aware of the time and the danger that faces this old world and get out of it as the Book warns, "Come out of her, ye my people..." The end of the cross is at hand, flee to Allah for salvation.

receiving the *wrath of God*. Since growing from trading post to colonies, and now to the status of a country called the United States of America the on-going atrocities have scientifically increased in magnitude. Because of this situation Messenger Elijah Muhammad states: "**Plagued By God, America Is Doomed**".

Remnants of the Red People (Indians) have been confined to desolated strips of territory in

their own land or have been absorbed in a subjective manner into white culture. The surviving descendants of the kidnapped Black People have also remained subjected to the white people and have been stored in inner city areas known as *Ghettos* or are allowed in certain suburban areas to live, work and play as they subscribe to a non-violent Civil Rights/Christian Philosophy.

In a book which he has written

titled, "**The Fall of America**",- Chapter 43, pages 184-186, Messenger Muhammad elaborates on the predicament faced by both the black Nation and the white race. He gives the Divine solution to the problem and invites all Blacks in America who are up from the slave experience to come to the Temple to learn how to overcome this great obstacle.
