Allah Forgives by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, The Honorable Elijah Muhammad.

As-Salaam-Alaikum.

It is evident amongst many of us who submit, that Allah's promise to forgive us is becoming a reality. He promises to make a new people of us who have been made a downtrodden, broken-down, mentally dumb,

dead, blind, and wrongly-led lost people. This, it would seem, to be an impossible task. However, Allah has come to make a "New Man". He has found us (the Blackman and Black woman) here in America to be the perfect people to be His "New People". The lowly condition that we have been found in is just cause for Allah's intervention. We are in most need of restoration. Do you deny that this is true of our people? Look at our people-stripped of

Separation From The Slavemaster Is A Must by Bro. John X

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

During the "glory days" of the Civil Rights era, while the so-called Ne-

groes were clamoring for so-called freedom (to integrate, etc.), the Honorable Elijah Muhammad was teaching and stressing by example-separation. He made it crystal clear then, as well as now, that separation of the so-called Negroes from their slave-master's children (both male and

female) is a must. It is the only solution to our problem. Should not we, as a people, want for ourselves what other civilized nations have?

How clear and precise the dictionary, makes it in the definition of separate - "to set apart; disassociate", and the clincher-"to remove or sever from association, (cont' on pg3)

There Can Be No Love For An Enemy by Sis. Faye X

In The Name of Allah, Master Fard Muhammad, and in the name His Last Messenger, the Honorable Elijah Muhammad.

As-Salaam-Alaikum.

On page 14 of Messenger Elijah Muhammad's book "The Supreme Wisdom", Vol.1, we find a subject matter that must be taught to all Black people, especially those who love Christianity. Christianity is not Allah's (God's) religion. It is the white man's religion and his tool to keep us (Black people) deaf, dumb and blind. Messenger Muhammad states. "Do not take what I'm teaching lightly". (Message To The Blackman In America, page 100). He is referring to the race of devils (White people). We are living in the last days of their rulership on our (Black people) earth. We are taught that they are the enemy of Allah (God) and ours as well. Their mission is to rob us of our salvation. They have to go and we must let go of them. Why? Because the

earth has not known peace since their arrival and their non-stop destruction of Black people angers Allah which is why He is executing judgment against them today.

The Bible warns us against befriending the devils (Bible, James 4:4) "Whosoever therefore will be a friend of the world is the enemy of God." We must love what Allah (God) loves and hate that which He hates. Allah is our God and the Best Knower. According to Messenger Muhammad, Allah hates American White people even more than the rest of them. Their poisonous way of life has contaminated not only the Blackman in America, but our people in other nations as well. How can we love a people who stop at nothing to defy Allah...? White people will never submit to Him. Submission is against their nature. Yakub, the father of the Devil (White people), teaches them opposition to truth. Where courtesy, obedience and discipline is the order of the day for every Muslim, Yakub feeds hatred, wickedness and injustice to his made people. They are shaped

and fashioned with these characteristics and use their dirty religion (Christianity) to spread false love among Black people. Even though white people attempt to display love for us, they truly can not because of the nature in which they are made. They are unrighteous by nature.

O' Nation of Black people, do not love opposers of truth (White people), for Allah is truth, and He will remove them (our enemy) from the earth, leaving neither root nor branch of their existence. Remember this: White people did not create or make Allah. They have no power over Him. We, Black people, are His (Allah) chosen, and, as such, have a choice to make. Will we choose life with Allah or be destroyed along with our enemy? We, the followers of the Honorable Elijah Muhammad, hope that you will choose life.

Honorable Elijah Muhammad) instructions to grow into a new growth. This is not replacing the current body, but restoring the old, decayed body with a reversal that causes it to grow into a younger, stronger and more vibrant one. Our minds are being cleansed of all that the slave master has poured into them to serve his purposes. The lost knowledge of self and kind is being restored. Our out-

looks and aims are being guided onto a path of self -improvement. We are now beginning to see our own people in a new light-one of love for self. This had been removed by the slave masters. All that was before is now being restored. The truth is, our own God, Allah, has come for us in The Person of Master Fard Muhammad, is a man and not a formless something as we have been lead to believe of

God. As a result of this process of restoration, we will not experience a decay of this new state. We will experience unlimited progress as a result of Allah's forgiveness. But, as I stated, "for us who submit"; submission is the key to our salvation. Lose the Devils (white people) and join on to self that we all can experience Allah's forgiveness.

Allah's Promise to Us

that his seed or future generations of his people would be delivered out of their suffering, affliction and slavery from their wicked task masters. God also promises that He would destroy the evil people who had enslaved Abraham's descendants.

Promises made by Allah (God) through His Prophets can be found in scripture. One can read the Bible as well as the Holy Qur'an to learn of the many promises made by God to improve the lives of His people, and to aid in advancing righteous civilization.

We, the Black people in America today, who are descendants of the American Holocaust, are fortunate to have been given a Messenger (The Honorable Elijah Muhammad) directly from Allah, Master Fard Muhammad.

In the Bible (Genesis 15:13) Allah (God) promises Abraham

In The Honorable Elijah Muhammad's book titled "The Supreme Wisdom", Volume 1, on page 12, Messenger Elijah Muhammad states, "Allah said that He would

make a new people out of us who submit to Him by causing us to grow into a new growth, not a new body, but a reversal of the old decayed body into a new growth."

The Messenger goes on to state that Allah said this new growth, "would make us all as we were at the age of 16." Those who obey the Messenger and follow that which he teaches us from Allah are well pleased with this Divine promise. We invite all of our people to join in this heavenly existence.

service, etc." In other words, the so-called Negroes must "part company" or face dire consequences along with their hard-to-part-with slavemaster.

Messenger Muhammad repeatedly reminds us that we are now living in the days of Judgment, and in the days of a great separation of peoples and nations. For those who have yet to face the truth (so-called Negroes), freedom and separation are one of the same - one cannot be acquired without the other.

Our Messenger has stated repeatedly that he has the hardest job of any man - trying to change the so-called Negroes from their

slavemaster's ways and uniting them with their own. It is as if they wish to be forever bonded to their supposed nemeses - white people.

We are truly living in the fall and end of the white race as a dominant power on the earth. Who except the so-called Negro, wants to see his captors (male and female) continue to exploit, trick, kill and maim continuously, daily and nightly with impunity? Messenger Muhammad says clearly - "If they (so-called Negroes) only knew the Truth, they would prefer sitting as far- removed from their enemies as the East is from the West. As-Salaam-Alaikum.
