## Road To Self-Development

hammad points to and charts the course of action which will lead to self-development as well as self-independence for the so-called Negro. Not to be denied is self-reliance. We must, the Messenger teaches, stop relying upon the white man to care for us.

In the figurative sense, a road represents "a course of action that will lead to a particular outcome." With regards to that course of action, the Honorable Elijah Mu-

The Messenger reminds us of the slave-master's giving us enough education to go and do for self (ourselves), but this edu-

cation is not being used for self. The slave-masters are offered this same education to help them in keeping us looking to them for support. We are taught and advised to unite (*cont' pg 2*)

teachings of Messenger Elijah Muhammad, we can make volumes of books, but we have cut this short so that the Resurrection can take place. We are not going to go into and untangle that which white people (The Devils) have poisoned called the Bible. These same people are

also your teachers as to the definition of what is a citizen. Therefore, you have poison on top of poison which is death. How can you be at your best when you are dead? How can you be a citizen if you are dead? Would you not agree that being your best and a citizen you would have to be alive? (*cont' pg3*)

## *Pharaoh and His Slaves*

by *Bro. Kamau Islam*

In The Name of Allah, Master Fard Muhammad, and in the name of his Messenger, the Honorable Elijah Muhammad.

As-Salaam-Alaikum.

Allah (God), in the Person of Master Fard Muhammad, teaches His Messenger, Elijah Muhammad, and those who believe in and follow him, how to speak in past, present, and future tense. This form of comprehension enables us to have hindsight, insight and foresight. These studies - with history included - are well qualified to reward our research.

In a previous century, one of America's top newscasters, and an Egyptian President alluded to a perceived history of people being in bondage in Egypt; even

contributing to that country's greatness. The newscaster spoke of a great exodus in Egypt that was made by those (in white history circles) who are today known as Jews and Hebrews, and also referred to, in white religious circles, as "chosen people". The Egyptian President turned to him and stated firmly that among his people there is no such history of the spoken-of-occurrences.

We who are students of the Honorable Elijah Muhammad rely on the truth which Allah (God) taught him. In his book titled "The Supreme Wisdom, (Volume Two, page 77), the Messenger addresses **Pharaoh and His Slaves** - past and present. He states, "*The white people do not want their poor black slaves (the so-called Negroes) to leave this country and return to their Native Land and People. No - not any more*

*than Pharaoh wanted to see his slaves leave Egypt. But Allah is going to take theirs (the devils'), as He took Pharaoh's slaves, believe it or not."*

Messenger Elijah Muhammad teaches that Allah (God) delivered a handful of people out of Egypt a few thousand years ago during the era of Prophet Moses. The Bible even identifies the place of settlement of the people as a land called Goshen. With Plain Truth coming from Allah, Master Fard Muhammad and taught for over 40 years by Messenger, the Honorable Elijah Muhammad, no Black person needs to be confused anymore. We need not mix our glorious future with somebody else's past of vice versa. Come to the Temple and get it right.

As-Salaam-Alaikum.

every good that is in us for the uplifting of the America so-called Negroes to the equal of the world's independent nations.

Reliance upon the white man to care for us must stop. We must remember that we just cannot depend upon or rely upon the white race ever to do that which we can and should do for self. We have been charmed by the luxury of our slave-master, and

can not make up our minds to seek for ourselves something of and from this good earth.

The American Negroes have the same Gates of Paradise open to them, but are charmed by the wealth of America and can not see the great opportunity that lies before them. The good things of this earth could be theirs if they would only unite and acquire wealth as the masters and other independent

nations have. The Negroes could have all of this if they would only get up and go to work for self.

Messenger Muhammad puts it very succinctly: "We should be ashamed of ourselves, for surely the white race has been very good in the way of making jobs for their willing slaves, but this cannot go on forever; we are about at the end of it-and must do something for self-or else". As-Salaam-Alaikum.

## ***Beware of Their Tricks*** by ***Bro. Hakeeme Muhammad***

In the Name of Allah, Master Fard Muhammad, and in the name of His Messenger, the Honorable Elijah Muhammad.

As-Salaam-Alaikum.

The Holy Qur'an (20:102) verifies Allah's plans to remove the guilty blue-eyed ones at the end of their time and the gathering together of them to be removed-root and branch. This is due to their evilness and mistreatment of the righteous (Holy Qur'an 2:36). Their works caused us to slip from the state which we were in. Allah points out that they, the blue-eyed ones, are the enemies of

others. It is the intent of our white enemies to frighten us from our salvation and universal recognition, friendship in all walks of life, along with money and good homes. The US. Government does not want these things for its once so-called Negroes; nor does it want for us freedom, justice, equality or independence. The only beneficial course of action for us is to accept Allah, Islam, and His Messenger. The white race is destroying itself and intends to carry us with them. The real Americans (white people, the only true citizens of America), are using the so-called educated Negroes, their poisoned black preachers, and their religion (Christianity) to trick the Blackman

to follow him to his death.

The Black preachers teach us to follow the practices (death-style) of white people against the life-style of the Muslim which is peace. They are against the unity of Black people. The Messenger states that today they are too late to prevent our unity. This is our Day of Resurrection and we are separating whether we are willing or not. For those of us who refuse to leave the slave-master, Allah will give you over to the devils. Our history of and with this race of devils bears witness that we should no longer be tricked by them this race of devils.

As-Salaam-Alaikum.

***Created is from essence. Made is from that which has been created.***

### ***The Best Citizens cont' from page 1***

The best citizens are those whom Messenger Elijah Muhammad has awakened to awaken others into the truth of self and other than self. The Messenger of Allah (God) teaches us concerning the Best Citizens: "Despite the unfavorable attitude of those in power (Government) toward my followers. I must emphatically deny their being "subversive" in any way or manner whatsoever. How could anyone expect trouble of any kind from a peace-loving people aren't even allowed to carry a pen-knife on them at any time?" These people who do not lie.

The Best Citizens are none other than his followers.

In fact, he says it like this. "My followers, in fact, are the BEST CITIZENS this country HAS GOT, because they are believers in Islam, the Religion of Peace and in Righteousness, not evil, and they can do no wrong to anyone.

As-Salaam-Alaikum.

Qur'an 7:157 Those who follow the Messenger-Prophet, the Ummi, whom they find mentioned in the Torah and the Gospel. He enjoins them good and forbids them evil, and makes lawful to them the good things and prohibits for them impure things and removes from them their burden and the shackles which were on them. So those who believe in him and honour him and help him, and follow the light which has been sent down with him -- these are the successful.
