In the Holy Qur'an, Chapter 5, titled "The Food", under section 1, "Perfection of Religion in Islam", verse 3 states, *"This day have I perfected for you your religion; completed my fa-*

Islam is real and based on truth, verifying the wisdom and greatness of

its Creator Allah (God), so when we (Black people) accept Him and His Messenger, the Honorable Elijah Muhammad, we can rest assured that the god in us will manifest itself. Islam brings about humble and submissiveness (to Allah) meaning you show forth behavior that isn't boastful or arro-

gant. Black people are created in the nature of Allah, the God of peace and righteousness. These attributes are also in us and they do not cause us to be proud in the way of looking to be envied. Our God, Master Fard Muhammad, chose only one, the Honorable Elijah Muhammad to be our *(cont' page 3)*

Rejection of Self

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

In the great book, "The Fall of America", the Messenger of Allah again appeals to us, a foolish and dammed people, who continue to follow thoughts implanted in our minds and made to believe that the white people are greater than black people. Therefore, many members of the so-called "black race" continue to reject self in favor of the white race.

We often hear the statements of

black educational, political, and Christian classes, which express their love for the white man. Often speaking publicly of them (white people) as being our brothers or our brothers-in-law. This class of black people, many being so-called black leadership, desire to make it clear to the world that they really love the white race, and favor them over their own black people. They, this so-called leadership, and many of our own black brothers and sisters have been made to hate Black and love White. This is due to the fact that they reject self. They also reject the clear evidence that the Blackman was the planetary ruler on earth long before the making of

this inferior white race. The devils (white people) have worked to cause black people to hate self which is foolish and proves to continue to keep the black people from accepting their own God (Allah) and His Messenger who have come to restore the Black Nation, beginning here in the Hells of North America. We blindly ask to hold an inferior position of secondary status to that of white people. Neither Bible nor Qur'an express kinship between black and white; we are not brothers and are not the same people by nature. Allah has set a limited time for the white race and no ending of the black nation. As-Salaam-Alaikum.

Islam, The Perfect Religion *cont' from page 1*

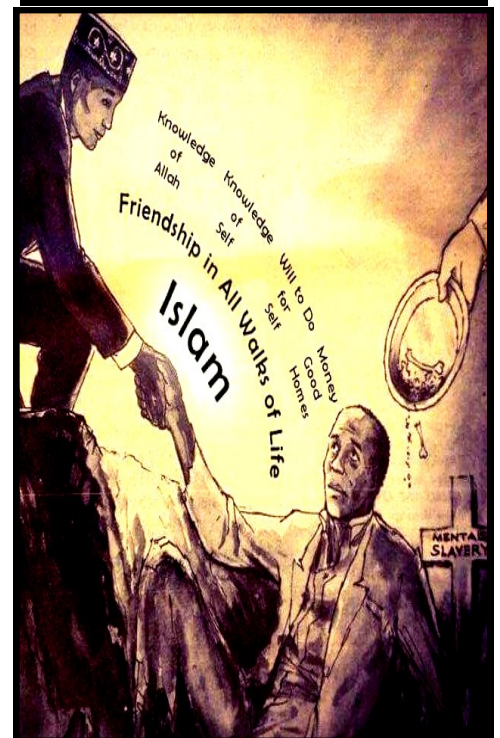

Islam, they no longer desire a fastidious way of life. A fastidious life style is Christianity. Christianity teaches or allows one to have capricious standards, difficult to satisfy or please.

Christianity teaches a life of confusion, for it is an archaic and scornful way of life-which is the opposite of Islam. Under Christianity one has choices of any physical food to intake, including the divinely prohibited flesh of swine. Partaking swine flesh causes one to have a "brazen" attitude, so teaches Messenger Elijah Muhammad from Allah-God Himself, in the Person of Master Fard Mu-

hammad. A brazen attitude causes one to be hostile, commit unrighteous actions - such as dishonesty, stealing, killing, adultery, and other evil sordid ways to live. Christianity is the most perfect slave - making religion for the Blackman and Blackwoman, which allows us to be controlled by the enemy of Allah-God, the devils (white people).

Brothers and Sisters, locate a Muhammad's Temple of Islam, only under the teachings of Messenger Elijah Muhammad, so that we may live together in a perfect way of life, The Perfect Religion-Islam. As-Salaam-Alaikum.

False Equality

In The Name of Allah, Master Fard Muhammad and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

On page 175, in the book, “The Fall of America”, Messenger Muhammad makes it very clear that the Whiteman continues to fool our people by offering us a place in his society where by we think that we are now equal with him. He allows us to think that he accepts us as equals, but only on some levels. This is a trick to keep us close to him, really sub-

servient to him having limited privileges. The social equality is really limited to his lower classes and very few (tokens) to his upper class. He allows the mixing of his race with our people to fulfill scripture (as it was already written). The effort is to hold on to us and prohibit the separation of us from him. The binding of us to him is an important work for as long as he can keep us bound, he thinks Allah will not destroy him as quickly. The crumbs from his table keep only those of our people with him who don’t know the time. His agents of death (black preachers) refuse to speak out against him and his false religion, Christianity, for fear of reprisal.

This is true even if they are aware of the truth being taught by Allah’s Last Messenger, the Honorable Elijah Muhammad. He has made our black preachers our enemies as well.

When it comes to equality, the Messenger states that the question to be asked is, “equal with whom or what”? We can never be equal to the made man (white people) because his very nature is evil and ours is righteous. So any semblance of equality that he offers, is false. Let us no longer be victims of this devil people’s tricks. Join on to your own and enjoy true equality with your own. As-Salaam-Alaikum.

Sayings of The Messenger

Since we were kidnapped and forced into this world (the white world) we must be forced out of this world.

leader, teacher and guide. He was the first of Allah’s sacred vessels to be given divine knowledge, wisdom and understanding to help all Black people, especially in North America, to rise and come out of a hellish condition. When you observe Muslims under the guidance of the Honorable Elijah Muhammad, you see those who strive to submit to the Will of Allah. We want our 360 degrees of knowledge, so we are studious and yearn for more because it gives us our heaven on earth

while we live. It is expedient that we fly to Allah and His Messenger today! America, once a superpower, is Allah’s number one target to be destroyed because she is too proud and refuses to make amends for her sins against the original people (Black people) of the earth. Don’t be of those who will regret not taking a way with Allah and His Messenger. Your life Blackman and woman is worth living under the protection of an all-Powerful God to Whom All Praise Is Due. As-Salaam-Alaikum.
