Allah Is Not A Spirit

In the Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Most Honorable Elijah Muhammad. As-Salaam-Alaikum.

In his book titled, *Supreme Wisdom*, Volume Two, beginning on page 9, Messenger Elijah Muhammad accurately states: **ALLAH IS NOT A SPIRIT**. In many of his writings, the Honorable Elijah Muhammad teaches us that the so-called Negro/African-American believes that god (Allah) is without form. They call this **non-form** a *spirit* and label it with a masculine identity. This spirit according to Christian teachings is suppose to reside on a throne somewhere in the sky.

The truth of the matter is, according to Allah in Person, Who has taught Messenger Elijah Muhammad, is that God is a Man; not just and Man, but the Most intelligent Man-the Supreme Being.

Today, many Black people who still hold on to the tricky Christian teachings given to us by white people, just a little over a century ago (100 years), have upgraded their misunderstanding by now declaring God to be a *Spirit being*. Messenger Muhammad teaches there is no such person or thing as a *spirit being*; however, we all are beings who have spirit. After being in the religion of white people (Christianity) for over a century Black people, for the most part, still do not know the definition of *spirit*.

Because of so much misunderstanding and misinterpretation our people further accept the tricks of white religious theologians. This is often called the *God Head*.

The reasonable question should be: If one took a third of each of these supposed entities to make a whole **whatever** then what is to be done with the 2/3rds (the remains) of each of these chopped-off portions?

To unravel all of this non-sense and more we urge all of our people to come to a Muhammad's Temple of Islam under the guidance of the teachings of the Most Honorable Elijah Muhammad and learn the truth, the whole truth and nothing but the truth as we are witness bearers that Allah (God) has and will continue to help us get understanding.

definitions of both words are enough to question the teachings that are given.

The Messenger teaches that Allah taught him that this mystery teaching began with the making of the devils 6,000 years ago. Even though they are aware that God is not some spook form that will not teach the truth for they want us to look toward their image as the God and the Son of God, as well as all of the Prophets. Wake up my people and see the tricks that have been played on us. Yes, have listened to those who we have thought to be the most knowing

and we have gone along with what has been put before us, but this was because we had no knowledge of the truth. Today we can make an intelligent decision regarding a Mystery God and many of the other lies that we have formerly accepted.

The knowledge of the true God of Righteousness is now been made clear. This truth could not be revealed until the time of rulership of the made-man (devil, white people) until their time (6,000 years – 6 days) ended. Their freedom is now being interfered with by the power of the true

This is the day of revelation, we can not go forward following the plans and programs of our open enemies, we must have our own. We find it today at Muhammad's Temples of Islam, following that which all mighty God, Allah has given to us under the guidance of the Honorable Elijah Muhammad. Fear not, this is our day and our unity is our success. Let none hinder our progress.

The Final Call

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger the Honorable Elijah Muhammad. As-Salaam-Alaikum.

We who follow Messenger Muhammad know him to be a "Plain Warner" whose teachings, instructions, and messages are in every way clarified and simplified, thus leaving no room for gross misunderstanding.

Therefore, fools are not left to err and children will indeed understand. But after over 40 years of dedication and devotion to the upliftment of the blind, deaf and dumb so-called Negroes, confusion yet abounds.

Messenger Muhammad cautions us not to listen or pay attention to

order to avoid being snagged by the traps they set. We must stop imitating him and recognize the tricks he plays to keep us from going to our own self and kind. Stop being deceived by this heartless, merciless blood shedder. The time has come for the Blackman to think for himself start receiving his blessings and to stop praying for blessing to be given to someone other than self. This is our time. Throw away his religion (Christianity) which was organized by the white race and

what the devils (our open enemies-white people) say about his writings or him. We are also reminded that these open enemies once deceived the very people of Paradise (Genesis 3:13), killed their own brother (Genesis 4:8), and are indeed the shedders of blood (Rev. 16:6). The soil of America is soaked with the innocent blood of the so-called Negroes shed blood by their (white people) wicked race, and is crying out to its Maker for her great burden. The time is now for Allah to descend plague upon her (America) until the wicked are completely destroyed. Little do they know that Allah will soon give them (the devils) their own blood to drink like water and their weapons and allies won't help them out. It is now the time of Decision. The Messenger asks,

used to deceive all people of color who take hold of it. The Book says he would say, "I had no control over you, I simply called you and you came, you should have followed Elijah." The day has come that we can now seek refuge in the "God of The Dawn." This new Islam satisfies our very nature and is better and more enduring than his Christianity. Islam will put the Blackman of America on the top of civilization. We, a people whom have been subject to all

kinds of hell, who now submits to Allah and His Messenger will enter heaven overnight. Islam opens our eyes (minds) to the deception and tricks of this evil people, our open enemies. It sets us free to be our own true selves. This teaching from Allah's last Messenger is the foundation for our having heaven on earth while we live. All praise is due to Allah, Master Fard Muhammad for raising for us the Honorable Elijah Muhammad. He is a fountain from which we must drink. As-Salaam-Alaikum.
