Equality In Brotherhood by Bro. Hakeeme Muhammad

In The Name of Allah, Master Fard Muhammad and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The Messenger states that the Muslims make the so-called Negroes who believe in Allah and His religion (Islam) equal in the Brotherhood of our Nation. Islam, the religion of peace is

like the universe of man. The union of the black man with his own kind (17 million aboriginal and 2 million Indians) combined with a knowledge of his God (Allah) and himself sets him on the road to true freedom, justice and independence. The lack of unity among our own caused by the slave-master has removed the association found in brotherhood which is the common interest that joins persons in a com-

The Honorable Elijah Muhammad Messenger Of Allah

mon cause that benefits them in many ways. Equality in brotherhood is what we can expect under the laws of Allah and the program we gave to the Messenger for our upliftment. As-Salaam-Alaikum

Our Spiritual Leaders Are Blind by Bro. John X

In The Name of Allah, Master Fard Muhammad and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

To be a "leader", one simply has to be followed by others. Add to that, "spiritual", and the

meaning changes entirely. The so-called Negroes' host of leaders has only served to keep us a subjected people, so teaches Messenger Muhammad, He says "the blind cannot lead the blind." Our so-called Negro preachers, lawyers and other professional leaders continue to lead the fight in begging the white man for civil

rights. However, Messenger Muhammad says "the preacher leadership of my people are in the most ignorant class. They knowingly lead our people to a path of destruction and disaster because of their love and fear of the enslavers of their people." The so-called Negro leadership does not care to give their own (cont' pg 3)

Unity Of Our People

by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

As we study our history here in America, we have come to see that the greatest weapons that the white race has used to destroy our unity was his program implemented to separate and divide us from each other. By turning us against each other with the applied program of Mr. Willie Lynch in the year 1712, white people have as far as possible successfully shut off every avenue by which light will enter the slaves' minds as stated by Senator Henry Berry in then Virginia House

of Delegates in 1832. They, however were unable to extinguish the light of, and ability of Allah to come in this day and time to bring the light of life to us, the so-called Negroes, the first to be resurrected. Allah's coming and raising Messenger Muhammad to raise the rest of us overturns all efforts of the slaves' masters to maintain their strong grip on us. His teachings to us melts the ice-block (lack of knowledge) that keeps our minds frozen, in love with the devil, (white-man) and hatred for self. His (Allah's) "Sun" germinates a new seed of unity, independence, love for self and a knowledge that reverses the condition that we were trained into under the Lynch Plan.

The Messenger says that our unity is greater than all the atomic weapons that can be made by white people. He teaches that we should unite regardless of faiths and beliefs against the work that has been done on us. We should form ourselves into a Nation of Brotherhood. But, he also says that our unity will best be served by uniting under the Crescent & Star, for Islam is our natural religion and it best serves our nature. He informs us that our unity will solve the greater part of our problems which brings about freedom, justice and equality, good homes, money and friendship in all walks of life. Our Unity Is Truly Our Success!!

As-Salaam-Alaikum.

The Sayings of The Messenger

The Light of Allah guides the people like the light of the sun.

Equality by Jr. FOI Bro. Hakeeme Muhammad

In The Name of Allah, Master Fard Muhammad and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Equality is important when building a Nation. We want the same rights as other people. The white man claims that we all ready have them, but we don't have them as equals. Our people, the so-called Negroes, are made to be fools, deaf, dumb and blind in thinking that the devil is a friend to us. Islam is what we need. Christianity is not doing a thing for us except holding us down. Everyday our people downgrade

themselves by trying to be like, and look like white people, wearing straightened hair, blue and green contacts, all the while they are trying to be like us. Our people just don't want to let go of the white man. We need to separate and do for self and not keep on taking the hand-outs and leftovers that the white people throw to us. There are so many temptations that they put before us, such as, his women, his vices, him habits, his lifestyle, etc. All of these things seem to be so that attractive to us, but these are things are not good for us. Our separation is a must. Equality with self is good for us. It is a part of what we need for brotherhood and our own salvation. As-Salaam-Alaikum.

Unite Under The Crescent

In The Name of Allah, Master Fard Muhammad, and in the name of His Messenger, the Honorable Elijah Muhammad.

As-Salaam-Alaikum.

Daily conversations with and among many Black people begin and end in frustration; the conclusion being that we do not stick together or will never unite. It is not that all of us are against unity; it is just that for well over 400 years the white devils of America and the world have removed from our presence that which will enable us to unite and be successful in staying in unity.

Surely we cannot unite under the 666 divisions of Christianity. Time has proven that when we choose any

one denomination there soon develops disagreement and then we seek to form even more additions to the established divisions of this religion. Reaching for Orthodox Islam is not the solution, for they have many divisions between and among the Shi-ite and Sunni believers; besides, Muhammad, the Prophet to the people of Arabia, some 1400 years ago stated that *two to three generations after him would no longer be of him*.

Trying to unite under various African tribal religions or beliefs will not solve the problem, because it was these types of conditions that enabled us to be tricked, captured and enslaved by the white devils who came from Europe.

The American Civil Rights move-

by *Bro. Kamau Islam*

ment will not unite us, no matter what we try to do to or with the *dream* of Dr. Martin Luther King Jr.

The Honorable Elijah Muhammad gives us the *divine* solution for lasting unity. On page 72 in his book titled, "The Supreme Wisdom, Volume Two, he states: **"Let us all unite under the Crescent."** Throughout his teachings Messenger Elijah Muhammad has explained that such unity would please Allah (God) and should also please us. Such unity in Islam will make us One People who can be at peace with one another, and we can seek for our Nation that which others seek for their Nation. He further states we must have a country to ourselves where we can live in unity, harmony and peace, away from our enemies.

Our Spiritual Leaders Are Blind *cont' from pg 1*

people justice as long as the white man does not. The Negro leadership and the slavemasters are as two murderers and thieves of our people. The white man murders us as the Negro leadership robs us. In fact, both will and do rob us. To be "spiritual", one must not only be concerned with sacred or religious things but also be refined, knowledgeable and sensitive.

Our spiritual leaders are blind because they lack foresight, discernment, intellectual perception, or adequate information. Above all, they are without the Divine Knowledge of and from The Lord of The Worlds, Master Fard

Muhammad.

The Honorable Elijah Muhammad teaches us that Almighty God Allah, In the Person of Master Fard Muhammad, has given him that which the prophets wrote of, which will give our people life. He says "the leadership of my people would be wise in joining with me in this Divine awakening of our people. Their interference will only lead to their destruction in a lake of fire with the enemy of their people." Simply put, get Divine sight and live or stay blind and die.

As-Salaam-Alaikum.

Muhammad's Newsletter Vol. 5 #12

This issue completes 5 years of publications of articles on the teachings from the Messenger of Allah. We thank our readers for their contributions and comments. We trust that they have been helpful, enlightening, as well as thought-provoking. Our aim is to continue serving the water from the "Fountain" that has been placed in the "House of Israel" which is the Honorable Elijah Muhammad.
