## THE MGT-GCC SPEAK OUT FOR THE MESSENGER

Muhammad's Newsletter Volume 6 Issue #12

### The White Race's Day Is Over

by Sis. Brenda Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

It is vital that we know this is the time of The Judgment. "The Day wherein men will be scattered as moths" (Holy Qur'an 101:4). During this election you see white people's true nature oozing

through in the empty and false promises, great division, great disagreements, and no telling what else may be lurking behind their closed doors. The news reports are telling the stories of robbery, thievery, and murder going on every hour of the day and night. There are disastrous storms, earthquakes and tornados, in many cities and states. The news reports unusual behavior in children, unusual dislike of children

by mothers and fathers, and the unusual disrespect for marriage. Wherever the white man goes, so goes evil. Whomever he befriends is eventually filled with evil. The scientist of America (cont' on pg 2)

### Christianity Is Not For Black People by Sis. Evvy Islam

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Most Honorable Elijah Muhammad. As-Salaam-Alaikum.

One of the many books of the Most Honorable Elijah Muhammad is titled "The Supreme

Wisdom", Book Two. His subject on **Christianity Is Not For Black People**, which can be found on page 19, can be none other than the truth. Our Black People, here in the U.S.A., are so steeped into Christianity and so loyal to the true Christians (White People). One **arch-leader** Christianity, of Atlanta,

Georgia, admitted some years ago, in a newspaper and magazine, that his religion has no roots in any Black Nation; so why are our people still believing in and practicing their religion? This **arch-leader** knew that Christianity would never be a successful way of life for Black People, for it was never designed to be. (cont' on page 3)

## Unity Gives Us Great Power

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

What value is any nation, country or people without unity? Not any. Unity is the absolute key to the survival of any people. Without it people perish, along with knowledge or the lack of it. Therefore, Messenger Muhammad teaches us that one of the chief purposes of Islam in America is to bring about unity of our people-the black man, woman and child in the hellish con-

ditions of this part of North America.

Unity is defined as, "the state of being united or joined as a whole". What could be clearer than that? Unity, so teaches the Honorable Elijah Muhammad, is the purpose of the Coming of Allah (God) and also the judgment of this world. There is nothing that our people (the so-called Negroes) need more badly than unity. Our unity must be backed by a power superior to the power of our enemies. This power is in Allah and the Nation of Islam whose arms are outstretched if we would only accept them.

"When total unity is achieved," says the Honorable Elijah Muhammad, "we would have a greater weapon in our hands and possession than all the nuclear weapons the West can manufacture."

The Messenger clearly states, "Unite, my people, and regardless of your faiths and benefits and beliefs, form yourselves into one Nation of Brotherhood (the love and help of each other). You will see that unity will solve the greater part of your problems before you know it."

As-Salaam-Alaikum.

## The White Race's Day Is Over

*cont' from pg 1*

know that she is on her way out. The white man is only trying to take you to hell with himself. Their twenty-four hour talk-shows lure you to agree with their filth and unrighteous ways. They are walking around half-nude and the black man looks and acts worse. This is also their attempt to make you fuel for the fire. Common sense will let you know that Allah, Master Fard Muhammad, does not approve of this and other filthy behavior. If you understood by whom you are trying to be accepted, and the nature of the people you are trying so hard to befriend, you would run straight to Allah and His Messenger, Elijah Muhammad. These people are out-rightly, beyond a shadow of a doubt, showing there is no love for you. The white race is still making mischief and shedding the blood of the black nation. According to the

teachings of Allah, this is the first and the last time we will ever have a trouble-making people on our planet. As-Salaam-Alaikum.

## *Independence! Separation!*

In The Name of Allah, Master Fard Muhammad, to Whom all praises are due forever, and in the name of His Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The Honorable Elijah Muhammad teaches us that "It is far more important to teach separation of Blacks and Whites in America than prayer." Separating from White America is the only way to rid ourselves of the ignorance and disgrace that shadows us. Our independence hinges on our accepting the teachings of our Saviour who worked tirelessly because of His love for us.

If White America was removed today, and we the so-called Negroes were left, what would we do? The Honorable Elijah Muhammad tells us to "Get business minded; get a creative mind." (Our Saviour Has Arrived, page 137). The Messenger also presented The Muslim Program

found on the back of every Original Nation Magazine. Separate, educate and build for our own! There is hope for us when we accept and integrate his program into our lives. His teachings inspire us to transform our minds to see our lives as we've never seen them before. Thus we begin to believe that we can break the death-grip of our enemy and that the Messenger has the backing of Allah (to Whom all praise is due)-and so do we.

We find in the Messenger's book, The Divine Sayings of The Honorable Elijah Muhammad, Volume II, (page 19), "We cannot beg to be independent. We must work to be independent." It is of great importance that we support our own who struggle to build and maintain businesses. Imagine our accomplishments if we believe in and obey the Messenger's teachings. Separation will not come without hard work. Let's not waste time! We must cleanse ourselves internally everyday, gaining self-

respect, dignity and ultimately freedom. With freedom comes responsibility to do for self. We have great value and should condition ourselves to live according to the teachings, never tiring of hearing the truth of the white race's plans of deception and evil against us.

The Messenger's teachings are written, recorded and broadcasted, making it accessible for us to have what we need to fight our open enemy. He repeatedly teaches separation and how to accomplish this. His messages are always on time and never outdated. Follow a man who was taught by Allah (God). He is not afraid of our enemy and he wants for us what was given to him, knowledge of who we are and who our enemy is. Once we learn this, we will know that separation is necessary and vital for our independence. Separate, unite, build, support and grow in Allah's way.

As-Salaam-Alaikum.

### *Christianity Is Not For Black People cont' from pg 1*

The Messenger appreciated the Christian leader for bearing him witness that he (the White man) was, and is, tricking our poor Black People. Credit was that devil leader because he knew the origin of his way of life; Christianity identified him and his White People. He knew that the Pope of Rome was the father of the Christian church and the Christian relig-

ion. He knew that the "dragon" refers to the Pope of Rome, and "beast" refers to White People.

Our religion or way of life is from The Creator Himself-Allah (God). Our religion is ISLAM! If the Blackman and Blackwoman would be patient with themselves and get to know the Honorable Elijah Muhammad and his true teachings, we too will have a true history of our

elves. We must learn that Islam is the true religion of Allah (God) and the entire Black Nation. All Nations truly need Islam to be successful. The **arch-leaders** of Christianity know this, but it is not of their nature to accept Islam. Islam is our nature! **Christianity Is Not For Black people.** As-Salaam-Alaikum.
