present. This we are well aware of and witness this mis-treatment every day. This verifies the truth of what the Messenger has stated regarding the black people here in America. White America wants to make the so-called Negro think that Islam, the enemy of Christianity, can be overthrown and the American way of life (which is just, fair, and good for all people) will be the victor. How foolish we are to believe that to be true. Islam is the way of life of Allah (God) Himself and the nat-

The Messenger of Allah, in his teachings to us, makes it clear that America knows that under her flag we have received nothing but hell, beatings and killings without due process of the law, day and night, not only in the past but in the

our place in the sun. Before the making of the Devil (Whiteman) we were enjoying these things. They were naturally ours. Why is it important that we accept our own and be ourselves? We are also taught that we have not been ourselves since the Whiteman has been in rulership. For the past 400 years, (cont'pg3)

## *Fall and Rise of Nations*

*by Sis. Evvy Islam*

In The Name of Allah, Master Fard Muhammad, and in the name of His Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The reference textbook for this subject matter is "**The Fall of America**" by the Honorable Elijah Muhammad (page 120, chapter 29). The Honorable Elijah Muhammad teaches from Allah, Master Fard Muhammad, to Whom praises be forever, that America-Babylon the Great, is falling and will never rise again.

America is extremely warlike. The Messenger teaches that Allah will destroy those who love to make war on others; this is taken from the Bible (Psalms 68:30). The white race are an unusual, evil, wicked people who were only brought into existence to destroy all black people!

There will never be any peace trying to live among or with "Peace Breakers" by nature-the true Americans (white people), so teaches Messenger Muhammad from Almighty Allah Himself. The Bible states from the Book of Isaiah, "The people know not the way of peace". The true Americans (white people) detest any other nations' aid to the black once-slave, in anyway, to become independent.

America (Modern Babylon) is far worse than ancient Babylon, so teaches the Honorable Elijah Muhammad. The people of Noah and Lot were destroyed for committing filth and evil. Wickedness, evil and filth is the order of the day in America as it was in Sodom and Gomorrah. White America specifically desires to destroy Muslims' desire to provide for black self and kind. The Messenger teaches that the quickest way for

America to hasten her fall or doom, is to mistreat and do evil to him and his followers by trying to block the success of Allah (God) in guiding the Messenger and his followers.

America must learn that Black people in America are the brothers of the Black, Brown, Yellow and Red people abroad who do business together. The Messenger states, "We have many Muslims in these lands and to try to interfere with the success of the Muslims in America, which is coming from Allah (God) Himself -Allah (God) will continue to confuse America; and she will have the loss of her victory in any land and among any people on earth". My Black People, follow Elijah and fly to our true and living God, Allah, Master Fard Muhammad! White America is Falling and Blacks in America are Rising! As-Salaam-Alaikum.

we must submit to the will of Allah and His Messenger. The Light of Islam restores us to our original way through its lessons and practices given to His Messenger for us. The truth and justice we seek can never be realized by following our former slavemaster or his religious teachings. We see that he does not practice what he preaches, nor is his word is any good. Scripture refers to them (white people) as liars and

murderers from their inception. We have never been treated right and we now know we have not been taught correctly. We have lived in this country and have fought, died and waved its flag as if it was our own, not knowing that we would ever or could ever get real truth or justice. No glory, no honor -just hell for us under this flag-and America knows this. America's lifestyle is not our natural way. We are led down the path of death by it

and it makes America's (white people) happy to have us follow. Allah is on the scene today and has given us His Messenger to restore us, remove our fears, give us truth and deliver us to our God (Allah) who is a man and not a made-up god from white people. We should rejoice in this day as it is our time to rise. Join with us, become anew-having truth and justice. As-Salaam-Alaikum.

## *The Judgment Nears*

by *Bro. Kamau Islam*

In The Name to Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Students of scripture (Holy Qur'an and Bible), and of history of civilization, will most likely agree that the world is *in* or *near* a time of judgment. There is, however, disagreement as to the exact time of this anticipated judgment and its impact on world civilization.

Messenger Elijah Muhammad, who has been taught by Allah (God) in the Person of Master Fard Muhammad, declares we are "... *in the face of*

*Divine Judgment.*" In his book titled "The Fall of America", beginning on page 252, the Messenger clearly and plainly lays out what confronts us.

A judgment is basically a settlement. We often express it in terms as "you reap what you sow" and "what goes around comes around". Others simply state: "Every one has his or her day in court". Here, the Honorable Elijah Muhammad informs us that the Devil (or white slave masters of America) must now appear before the Just Judge-Allah (God) to answer for their mistreatment of the so-called America Negro slaves for over four centuries (400 years). Though the

white man, or Rich Man (as he is called in the Bible), knows he is guilty as charged, he (the Rich Man) still insists he has the ability and know-how to continue deceiving his poor black slave (known as Lazarus).

Messenger Elijah Muhammad urges all Black people to try to stay "in the bosom of Abraham" as this is our haven for salvation as the Judgment nears. He reminds us to avoid the tricks of the American Whiteman and any other people. We must continue to seek refuge in Allah, Master Fard Muhammad and Messenger Elijah Muhammad.

As-Salaam-Alaikum.

we've suffered under his evil and indecent life-style causing us to take on unrighteous behavior, all the while, being robbed of the knowledge of self, kind and those other than self and kind. Now is the time to separate from our enemies (white people) and join onto our own because Allah, Who Came in The Person of Master Fard Muhammad, made a promise to return us to our rightful place, bringing us out of hell into heaven with great substance. However, we need to prepare for the New World coming forth by having knowledge of who we are. How do we achieve this?

The Honorable Elijah Muhammad says that we must be taught Islam because it teaches us the knowledge of self. Islam gives us answers that Christianity (the religion of white people) cannot because it was not authorized by Allah. The teachings are beautiful and give us dignity, love and respect for one another. They elevate us above anything that we thought the Whiteman had for us. When we accept our own and become ourselves, we are transformed into a new thought pattern to think and do for self. We become mentally and spiritually ready to reclaim all that was stolen

and are resurrected mentally and spiritually.

Come out of the devil's (Whiteman's) civilization of slavery, suffering and death and return to your own of Freedom, Justice and Equality under the Religion of Peace-Islam. We, under the guidance of the Honorable Elijah Muhammad, are building a nation that will never be extinguished. From in it you will find honor and satisfaction in being a part of the greatest people on the earth-Muslims of the Nation of Islam.

As-Salaam-Alaikum.
