A Nation Within a Nation by Sis. Evvy Islam

In the Name of Allah, Master Fard Muhammad, and in the name of Last and Greatest Muhammad, the Most Honorable Elijah Muhammad. As-Salaam-Alaikum.

The Messenger of Allah teaches us that our fore-parents were brought to the wilderness of North America in 1955 by a devil named John Hawkins or Hopkins. We were brought here, not to be citizens or treated as

humans beings or to be given equal justice under the American laws. We were regarded the same as cattle or animals. We were and still are being treated as their stock, and lynched and burned. For the last 100 years we have been subjected to the worst inhuman treatment.

A reported by the name of Ralph Roddy described in the Memphis Press of January 27, 1921, the Burning of Henry Lowry in Arkansas. This was just one of

many lynchings of our poor people. Another was of Henry Smith in Paris, Texas. The devils had their women and children gathered to watch as a glorious event. Excursion trains were run for this lynching. The (cont' pg 2)

Beware of False Promises by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad, and the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

All to often promises are made and not fulfilled. The history of

this which involves promises made to us by our open enemies and those made to other members of the original family are often made with the intent of not being carried out. These promises are usually made to pacify rather than to satisfy. Fairness in dealing with our open enemies is a misnomer.

There is no fairness or good dealing in their nature. The Messenger teaches us of the nature the white race and we are not to except them to be fair or honest in dealing with us. We must be ever watchful. If they want something that we may have, they will do whatever to made us (cont' pg 2)

Everything Has Failed

by Brother Kamau Islam

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger the Honorable Elijah Muhammad. As-Salaam-Alaikum.

We have often heard the statement: **Failure is not an option.** However, in the 6,000 years of the devil's or white race's rule, this has been the **only option** or choice for members of the Black Nation who choose to follow the white or Adamic race. In his book, **Message To the Blackman In America**, beginning on page 79, the Messenger explains what we must do since "*Everything Has Failed*".

Yakub or Jacob was allowed to build his ladder, according to the Bible, so that the Scientist who governed the higher functions of Original civilization could be removed, allowing the

newly formed 6,000 year old civilization to take the reign. Messenger Elijah Muhammad explained that the Black nation was put to sleep to allow the white race to rule for the past 6.000 years. In the Book of Genesis in the Bible, Chapter 6: 1-6 there is an account of the disappointment of the contrary God (Yakub) and the staff of assistants when they began to experience the workings of this made man - the white race (better known as Adam and Eve). Genesis 6:6 states: **And it repented the Lord that he had made man on the earth, and it grieved him at his heart.** The Holy Qur'an, Chapter 113, verse 2 instructs or commands the Righteous to rehearse (say) and get ready to seek refuge in the Righteous God from the **confusion, chaos, mayhem, etc., "evil of that (Adam and Eve) which He (Yakub) has created..."**.

The so-called American Negro/

African - America has exposed many of the many confused denominations of the white man's Christian religion, including that of the devil's mother Church, Catholicism. Some have even delved into the vanguard white religious teachings of Judaism. Others have studied and tried religious philosophies to deviating members of the Black Nation such as Buddhism and Hinduism. In all of this, **failure has been the only option.**

Messenger Elijah Muhammad encourages all of us who desire right guidance, success and unlimited prosperity to embrace and practice **the New Islam** which ALLAH, Master Fard Muhammad, has missioned him to teach us here in the Hells of North America. This is the best and only true option or choice for our salvation. Come to the Temple and learn more. As-Salaam-Alaikum.

devils teach their children the past history of their torturing of our people. Our poor people want to forget the past and teach our children nothing of our true history, and how the same mistreatment of our poor people is being carried on today.

We need to thank Allah for revealing to us, through His Messenger, this evil, deceitful open enemy (the devil). The devils have deceived nearly nine-tenths of black people in most of the world today. Allah has declared us a Nation in a Nation, and our only true

solution is to be separated FROM OUR OPEN ENEMY-THE DEVIL, the white race. One reference in the Bible, Psalms 106:37, says: "Yea, they sacrificed their daughters unto devils".

Brothers and Sisters, we must fly to Allah, Master Fard Muhammad, and follow His Messenger, the Honorable Elijah Muhammad, for our only true solution, for we are a Nation within a Nation in the NEW ISLAM. REFERENCE: Messenger to The Blackman In America, pages 230-232. As-Salaam-Alaikum.

Separate and Be Saved

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The life-giving teachings of the Honorable Elijah Muhammad urges us (Black people) to know and love self because we must return to our way of life and live in accordance too, and within, our nature as righteous people. After the making of the devil (white people), our lives transformed from one of freedom, justice and equality to that of enslavement after being brought to North America under the rulership of these people. Our forefathers who were taken from their homeland suffered mental and physical

abuse, and were overwhelmed with grief as they struggled to free themselves of their wicked captors. The struggle continues today. The Honorable Elijah Muhammad makes it clear that we must sever the cord that keeps us dependent on our slave-masters children who carry on that same evil.

We are to seek separation, not integration. Don't worry! Separation will bring about unity for those of us who accept Allah (God) and His Messenger. They are our link to becoming a free and independent people. Our Messenger's economic program will aid guide us in building our own society where peace and order are experienced in our daily life. Follow him as he teaches the importance of our separation, the pooling of

our resources, education and qualifications for independence. These steps will bring about a bonding process (unity) which will give us a great future. We will continue to build and sustain our natural way of life as Muslims (Righteous People). Separation and the acceptance of His Messengers teaching to us is the only choice if we want to be saved from the wrath of Allah as He brings an end to His and our enemies, the White Race. We urge our people to Fly To Allah and His Messenger without delay. The world to the Whiteman is coming to an end, and if you continue loving the devil who gives you nothing but hell, over Allah, who gives life in abundance, then you too will join our open enemies in hell-fire. As-Salaam-Alaikum.

The Sayings of The Messenger

*The more you fight against Allah (God),
the more you will lose yourself*

Beware of False Promise

think or feel good in having them to deal with us. For example, if he has the intent to acquire property owned by one of our people, we will promise to work a great deal and price in order to convince us to sell, all the time knowing that the deal is planned to fall through, which leads to a reduced cost to be offered. Such dealing is to raise the hopes of us while we're antic-

ipating being able to further ourselves through the deal, disappointed again. Moving us out of our residents to build condors or for some other projects and building for us substandard housing which they know will soon be a disappointment. One false promise after another. The sad thing is that Messenger Muhammad teaches and informs us that the devil is the devil regardless of

cont' from pg 1

the place and time. After all our dealing with white people one would think that we would be aware of who they are, yet we continue to allow them to take advantage of us. We are advised to be aware of their false promises. Do we not care or are we willing to do whatever it takes to please our open enemies. Let us listen to and follow Allah's Last Messenger, the Honorable Elijah Muhammad and enjoy reality and not false promises. As-Salaam-Alaikum.
