Opposers of Truth by Sis. Evvy Islam

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The Messenger teaches that the white race are opposers of the true religion of Islam (Peace), because of the nature in which their father, Yakub, made them. This makes it impossible for them to submit to Allah-God, and to obey His righteous laws. The white race of devils apply their tricknology on the Black

people who have converted to the New Islam. They do this through their so-called modern technology.

The white race of devils even trick the poor ignorant Black people to spy on the believers of Islam, to supply them with information of any successful progress for all Black people. They are referred to as stool pigeons, hypocrites, and Uncle Toms, due to their fear of the white race, who hire them to destroy themselves. This is a shame and disgrace that some of the ignorant, 99% of our people, who refuse our only

salvation, Islam (Peace) are willing to sacrifice the lives of our own people, because they think the enemy white race will one day love them.

The white race is incapable of loving themselves, so our people are wasting (cont' pg 2)

The Dissatisfied by Sis. Brenda Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

We are living in the time when dissatisfaction is 100 percent throughout the entire world of man and mankind; no

one is satisfied. There is no such thing as law and order. Politics and Sex is now the order of the day. Everywhere you turn there is some type of sign, poster, billboard or television ad saying "Vote for Me" so as to put a progressive candidate in office. The civil unrest, insurrection, mental excitement and noisy confusion displayed this past sum-

mer, when action was taken by students are the result of some candidates never heard of until these midterm elections. Some are depicting honesty as relative, depending on where you stand. Everywhere we look and everything that we can think about marks the end of this world. Politics tend to lead to Sex which is the ultimate weapon. (cont' pg 3)

The Judgment Nears

by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

the realm of the made-man spoken of in Genesis 1:26.

Our misunderstanding of scripture is due to the religious teaching of our former slavemasters (white people) who have used us to build their world. We have been without the knowledge to over come the conditions that we have been placed in. Today, the hour (time) has arrived that scriptural prophecies are being fulfilled and brought to light.

Many are asking, "What is this world coming to?" We say as it has been prophesized, "it's coming to an end". And many fail to understand what is meant by this response. This is due to a lack of knowledge of the time in which we are living, and failure to recognize that the present world (world of white rulership) is over. We have a Messenger from the face of God (Allah) who teaches The Theology of Time, so that we can be prepared for the New World of Righteousness that is coming in to replace this current world that was allowed to exist for a period of 6,000 years under

The title, "The Judgment Nears", reveals an awakening for us. All truths are now known. All the ills of this world (Satan's world) of unrighteousness are being exposed. Consider the local and world events being publicized daily. No wonder the question is asked regarding the future of this world.

All of the acts of nature (earthquakes, hail, rain, flooding, fires, snow, etc.) serve as signs for

those who know. This world is ending. We, members of the original people of the earth, are blessed to have a Messenger from God (Allah in Person, Master Fard Muhammad) to bring us this good news.

As we see leaders of world governments trying to patch their differences, to no avail, to counteract the destructions that they see coming, without a means to stop the inevitable downfall, we must seek our own God, Allah and His Last Messenger, the Honorable Elijah Muhammad. Our world is coming into its own and we are the chosen people of God to rule our new world. Satan's world is put out in Genesis 2:1-2 as it was brought into existence in Genesis 1:26. Attend Muhammad's Temple to learn the truth of scripture. As-Salaam-Alaikum.

Opposers of truth

time to expect them to change. Our problem can be solved if the white race would stop opposing the spread of Islam among our people—that is the New Islam as taught by the Messenger from Allah-God Himself. The opposers of truth being taught among our people (the white race) should allow us to accept our true and living Allah-God, Master Fard Muhammad, and His Last and Greatest, Messenger Elijah Muhammad. We must separate from them since they really desire us to be with them., after 400 years of our hard labor, sweat and blood, and receiving some of the worst mistreatment of beatings, killings, lynching and

burnings by the white race—yesterday and today.

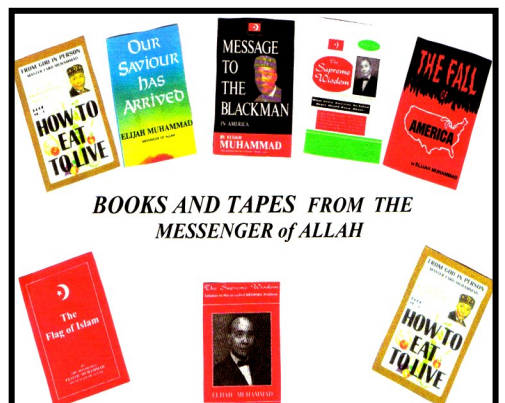

It is senseless for our people to continue to march and protest for freedom, justice and equality, believing in their false friendship, when we need to realize that the religion of Christianity is our problem. The real Christians, white race, will continue to deny all black people any justice and real peace as long as we are among them in Christianity.

Wake up Black people and learn the teachings of the most Honorable Elijah Muhammad, and separate from these vicious devils, the white race, and live among ourselves in Peace—

The Calamity

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad, As-Salaam-Alaikum.

The word "Calamity" means, a great misfortune or disaster, serious injuries. It also includes, a grievous affliction, adversity or misery.

As Genesis 2:7 speaks of the Lord who makes man out of the dusk and of Earth and breaths the breath (Spirit) of life into man, so does Allah, Master Fard Muhammad, God in Person, do for the Blackman and woman here in the Hells of North America. It is He who has raised a Messenger to give His "life breath" to

we the so-called Negro.

The calamity caused by Yakub, the maker of the white devil race, has brought much misery planet-wide. As we read in Genesis 6:9-17, which relays the happens of Noah and the flood, so have we too been flooded with the ills produced by the made white race. We are now facing the time of Judgment and we must heed the call for us to join on to our own in our own true religion, Islam. As with Noah, who faced a flood of water, we face a flood of evil happenings. In this day we can only be saved if we are followers of Allah's Messenger, the Honorable Elijah Muhammad. Through Allah's teachings to him, we can survive this mass madness of the white man's time of rulership. We

witness the fall of America daily. America's downfall in commerce, trade, stock markets, dollar value dropping, lost of jobs and benefits, personal incomes diminishing, savings plan being devalued, high cost of good and services, falls in American manufacturing, games played in politics, are all signs of her downfall and doom.

For those of us who Messenger Muhammad, we are promised from Allah, Himself, good homes, money, friendship in all walks of life, freedom, justice, equality and independence.

The Messenger warns of these calamities, and the time of decisions is at hand. Who will you chose? As-Salaam-Alaikum.

Sayings of The Messenger

When all else fails, Islam comes.

The Dissatisfied

Temptation is the Whiteman's way of leading the Blackman into evil and filth. Sex is the topic of conversation twenty-four hours a day. No matter what device you turn on its either showing perverted cartoons, movies and now sex toys. The white man is stripping you of your decent clothes and you are coming out in public half nude. The scientists of America know that she is on her way out. This is a call for the Blackman in America to give up a doomed wicked people that has destroyed them from being a people worthy of recognition as a proud people. Join on to your own.

As-Salaam-Alaikum.
