or Wilderness of North America have no real knowledge of a flag. Our

people pledge allegiance to the American Flag (red, white and blue) without the knowledge of it, other than it's the traditional

way of citizens of the U.S. devils. Messenger Muhammad teaches us that it is "Old Glory" for them and "Old Hell" for us. For we are citizens of The Nation of Islam!

Well, my people, a flag is very significant. A flag, national or emblem represents a nation of people (cont' pg 2)

The poor Blackman and Women in the United States of North America

The Right Religion In The Right State by Bro. Hakeem Muhammad

In the Name of Allah, Master Fard Muhammad and His Last and Greatest Messenger, The Honorable Elijah Muhammad.

Its naturally known that the Blackman is good and very religiously inclined by nature, so teaches The Honorable Elijah Muhammad and no doubt you will agree. You will also agree that having been removed from our original homes and deprived of the history of our pass, our culture, our God, our religion and our own way of life has put us in a state or condition that has made us "empty vessels" ready to be filled. We have

been made gullible and vulnerable to the greatest trick that our open enemy has been able to play on us. This void has been filled with the permission of, and deceptive invitations to join him in the participation of his made up religions under the umbrella of Christianity. We, today, have all but claimed Christianity to be our own religion as well as the one true religion, without any knowledge of its origin. It is a shame that we have been made so blind that we don't even stop to analyze the teachings of it or compare the actions and behavior of those who have given it to us. Certainly, the teachings, practices and the actions conflict, yet we are trying to follow its dictates oftentimes without success. We offer prayers but get no relief. Something is just

not right in spite of our belief in it or our practices following its teachings. We continually cry "When will our help come?"

Now that we are at last looking for a true solution, we can open our eyes, ears and minds to the answer for the first time. We are aware of our inclination to practice a religion, but today only the religion of the one true God, Allah can satisfy what our nature longs for. This is the religion of Islam as taught by Allah's Last Messenger, The Honorable Elijah Muhammad. The Holy Qur'an states, "this is the right religion in the right state". This is our natural religion. Come, follow Muhammad to that which is your own. Freedom, Justice, Equality and Peace. As-Salaam-Alaikum.

having their own government of rules and laws. Ours is divine-

"The Flag Of Islam!" Our beautiful red and white flag is) supreme of all flags. Why? Because the symbols are creations of our Universe: Sun, Moon and Star. No one or nothing can and will ever exist without them. The Most Honorable Elijah Muhammad teaches us the meaning of our Universe Flag and its significance to we as a Nation of people.

The symbol or letter "F" in our

flag represents the red background-our Sun, and means Freedom, for it germinates all life. The letter "J" represents our Star, which means Justice. It bears witness to our first star, the Sun. The symbol "E" represents our Moon and means Equality. The moon was once part of our Earth. It is now a dead, lifeless piece of our earth that was blasted away 66 trillion years ago. Lastly' the symbol "I" represents Islam-Peace.

It's so much depth to the meanings of each symbol that our Messenger has a little book titled "The Flag Of Islam." Please purchase one and learn the meanings of our National, The Flag of Islam.

Love Your Enemies! What Foolishness

by Bro. John X

In the Name of Allah, Master Fard Muhammad, and His Last Messenger, The Honorable Elijah Muhammad,
As-Salaam-Alaikum.

tion, how can any well-meaning so-called Negro shape his lips to say, "I'm a Christian." So much for the dead.

Messenger Muhammad repeatedly informs us that Christianity is the perfect slave-making religion,

an emblem of suffering and shame

and white people are the only real Christians. Such a revelation should result in widespread embarrassment among our people, but instead they continue to love, befriend, and even marry these practitioners of evil (white people).

A simple turning of dictionary pages should yield a pretty good

meaning of *Enemy* - "a person or persons actively opposing or hostile to another or others." Next, we have *foolishness* - "lacking good sense or judgment; unwise."

The Messenger always refers to these real Christians as first-rate hypocrites-the White Christians, that is. So, all you so-called Negro Christians listen up! You can continue to be a part of white folks' Christianity and remain in hell (a condition) or join on to Allah's Last Messenger's Divine program (heaven) and be saved through separation. Remember, heaven can truly be yours while you live.

As-Salaam-Alaikum.

How can one love a religion that teaches you to love your enemies, hate your friends, and seek reward after death? This type of insanity, in the name of Christianity, has produced more division and hate than all other religions combined. After all, the Christian symbol, that "*old rugged cross*" represents an emblem of suffering and shame." Even with this aforementioned bit of informa-

I Do Not Make Mistakes

from The Messenger of Allah

(Taken from Supreme Wisdom-Volume Two, pg 62)

I do not make mistakes in the what I write (or teach) pertaining to these two races-black and white-and I do not need to study the theory of evolution to learn about them .

Theories do not always prove to be truth. I have the truth from the All-Wise One (Allah), to Whom praise is due. He has raised the curtain of falsehood which kept the true knowledge of the black and white races (especially the white race) from the peoples of the earth

for 6,000 years.

They say that I am a preacher of racial hatred, but the fact is that the white people don't like the truth, especially if it speaks *against* them. This we have known all our lives.

divine guidance has reduced him to a tragic situation.

Messenger Muhammad teaches us that today the Blackman and woman is made to believe, or are made to believe that every religion other than Christianity is false or idol worship. This is a very tragic way of thinking. It is note-

worthy to mention here that at the very time that the whites of this country claimed they freed their Black slaves and gave us one of their religious; they chose the worst for us.

Instead of giving us one of their religions that was not so steeped, drenched and marinated in false

and idol worship (Christianity). That which they worship in secret (portions of Islam) they would never offer us; thus, many of us who reject Messenger Elijah Muhammad and follow America's recommended religious teachings still remain in a tragic state of *mis-belief*.
