To Gain A Place In The Sun *by Bro. Hakeem Muhammad*

we, the lost sheep in the House of Israel. As many of the Bible stories and parables do refer to and make reference to us, we have been made so deaf, dumb and blind that we see nothing, hear nothing nor express anything. We are taught much of the Bible according to the schoolings of Christian leadership and under the direction of their prepared black preachers. But we are left blind to the real interpretations of what is

The Honorable Elijah Muhammad
Messenger of Allah

Today is the day that we, a nation of black people here in America, are to be fulfilling the prophesy of "Jonah and the whale", yet we do not even recognize that this Bible parable refers to

being taught. How can we ever expect to gain a place in the sun (light of wisdom and understanding) following blind, deaf and dumb leadership? We can not, will not and are not expected (cont'pg3)

As-Salaam-Alaikum.
Food is nutriment, in solid or liquid form, that nourishes, sustains or furnishes energy for the body. In Genesis, it says, "...every herb and all the fruits of the trees are good for you to eat." The earth produces many types of fruit, herbs and vegetation for many forms of life on our planet. If you try eating everything you see as food you will surely die. The Messenger teaches us what to eat and that much of what we have been lead to believe to be good food, which is said to be for our

benefit, is not good for us to eat. He also teaches that we only need to eat a few of the variety of good and healthy foods that are available. He also reminds us that we (people) are not the only life form on earth that is being provided for and that some foods are for other life-forms. In his books "How (cont' pg 2)

A Nation Within A Nation

by Bro. Kamau Islam

In the Name of Allah, Who Came in the Person of Master Fard Muhammad, and of His Last and Greatest Messenger, the Honorable Elijah Muhammad.

As-Salaam-Alaikum.

In his book titled "Message To The Blackman In America" beginning on page 230, Messenger Elijah Muhammad gives us a brief history of the trauma, atrocities and other innumerable horrors experienced by the so-called American Negro in the USA. We as a people have been enslaved in the Western hemisphere by white European slave-masters for well over 400 years.

Whereas history states that we as a

people started our sojourn in this part of the earth (in the year 1555) as just a few captives on a slave ship, under the command of the English slave trader named John Hawkins, our numbers have increased to that of *nation* status. Thus, Messenger Elijah Muhammad opens this subject with a divine and profound truth: "From a few comes a great nation."

Most Western World dictionaries define the word "nation" in relation to people who rule and govern themselves in their own specified geographical areas of the globe. Messenger Muhammad discusses the word "nation" from the divine definition found in scriptures. In light of all that white people have given in the way of religious training to Black preachers

and other professed servants of god, none have understood and presented the divine definition of "nation" as we are concerned.

Prophecy states it is a must that this lost *nation* be restored no matter how badly it has been ripped apart by their open enemy. An account can be found in the Old Testament in the Bible-Genesis 15:13-14, and Prophet Jesus in the New Testament orders his disciples to find the Lost Sheep of *The House of Israel* - meaning those people who are caught up in a nation of strangers. Messenger Muhammad also agrees with the scripture and the prophets as he states: "Join On To Your Own Kind. Separate and be Saved."

A Divine Saying of The Messenger of Allah

*Don't withhold your good just because another withholds his good.
You do your part.*

Food God Suggest

To Eat To Live, Vol. 1 & 2" he gives us a list of foods that we should eat and the manner they should be consumed. This is a new teaching for us as we have been fed by our enemies and have been following them in their eating habits thinking they were right guidance for us. The purpose of that which we are now being taught is to aid us in extending our lives and to gain better health in the process. These things are not taught to us by our enemies by nature and they have no regard for the health and longevity of our people.

The foods God suggest are not limited to the substances that en-

ter our mouths but also that which we consumes mentally. It is said that "what we eat keeps us here and what we eat takes us away." This applies to both methods of intake. Our physical health and our mental health is governed by what we consume, hence, garbage in - garbage out.

Let us learn what to put in our bodies and minds that is of good so that our lives are good as well.

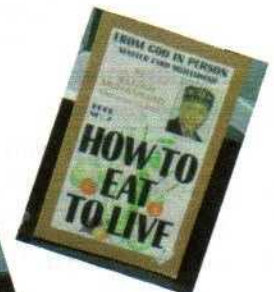

Allah, in The Person of Master Fard Muhammad has given us a Leader, Teacher and Guide, The Honorable Elijah Muhammad to educate us into a way of life that is heaven for us. We should be glad to listen, learn and join on to

that which he is providing to us "The Lost Sheep", now found and are being delivered back to our own way of life.

As-Salaam-Alaikum.

America Is Falling, Her Doom Is Sealed by Bro. John X

In the Name of Allah, Master Fard Muhammad, to Whom all praises is due and in the name of His Last Messenger, our Leader, Teacher and Guide, The Honorable Elijah Muhammad, As-Salaam-Alaikum.

tion, murder, hate, filthiness, gambling and sports of every evil. One would wonder could it get any worse after all of the aforementioned characteristics (sins). Messenger Muhammad teaches that it did, it has and it will get worse. America fits this description of ancient Babylon to a science-modern science.

The Messenger warns us to let ancient Babylon and her wicked ways serve as a modern day warning as well. In the scriptures, God says in Ezekiel 14:13-15 "Son of Man, when the land (people) sinneth against Me by trespassing grievously, then will I stretch out Mine hand upon it, and will break the staff thereof, and will send famine upon it, and will cut off man and beast from it."

In the meantime, America's devils constantly watch the steps of the righteous and seek to destroy them (the Negroes)- as written in Psalms 37:32. She puts on

a show of temptation (white women) in her newspapers and magazines to trick the so-called Negroes to follow them into death and hell. Says the Messenger, "Clean your homes of white peoples' pictures and replace them with your own."

Allah (God) has found His people (so-called Negroes), and is angry with the slave-master for the evil done by them to His people (the so-called Negroes). Allah (God) is going to repay them (America) according to their doings.

America is falling; she is a habitation of devils and every uncleanness and hateful people of the righteous. Forsake her and fly to your own before it is too late.

As-Salaam-Alaikum.

The Honorable Elijah Muhammad has repeatedly compared America's fall with that of ancient Babylon. Also, the wickedness of both civilizations is also equal. What could ancient Babylon have done to warrant being labeled as a sinful nation? History shows that she was rich and proud, but her riches caused increased corruption and she provided for every nation's wants, needs, and demands. Her ships went far and wide to meet supplies and demands, in every port-whenever and whenever. However, her way of life (culture-religion) contained wine, strong drinks, adultery, persecu-

too, for this has been the designated time (day) of an unknown enemy. We who are followers of the teachings of Allah, Master Fard Muhammad (God in Person) and His Last Messenger (a Plain Warner), The Honorable Elijah Muhammad are receiving the benefits of the knowledge and wisdom of being bathed in the Light of Allah. Now, we see! We get it! His teachings to us are so plain and clear that a child does understand and a fool cannot error. It's hard to believe that we were in such a retched condition,

both mentally and spiritually, that we could not make the comparison or connection to the parables or signs given in scripture. Today we are truly blessed to be recognized as the chosen of God (Allah) being blessed with His light of understanding. His coming initiates a new day and fulfills the parable of the coming of the Son of Man as foretold in both Bible (the book that we have been buried in) and Holy Qur'an (the book we have been shielded from). We are no longer lead by the false teachings given to the

blind (mentally) who are kept in a condition of mental degradation and spiritual squalor. We know that to gain our place in the Sun, we must do a new work, have a new mind and learn the proper way of our God and not our open enemies. To enjoy this new life, we must accept our own God and follow His Messenger. We must die out of the mental state that our open enemies have put us in and be reborn in the "SUN" of the our Divine Saviour, Master Fard Muhammad, Allah in Person. As-Salaam-Alaikum.
