believe in the oneness of God, but they represent God as a "Trinity", The Father, the Son and the Holy Ghost. This three they claim are "one". The Messenger states that this claimed "Oneness" is not the true meaning of the "Oneness of God". They also worship gods other than Allah, the Divine Supreme Being, and make His Angels and Prophets His (God's)

equals. The teaching of the Trinity is a European teaching that has caused our people to believe in a false teaching of God. It has caused us to be lost and mentally dead to the truth of the reality of God. They seek to destroy the truth of what the Messenger of Allah brings to us by trying to discredit him and the God (Allah) that he represents. Allah is the (cont' pg 3)

## The Holy Qur'an Sura 112

by Bro. Kamau Islam

In The Name of Allah, Who came in the Person of Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad,

As-Salaam-Alaikum.

Messenger Elijah Muhammad, after being raised in our midst by Allah, Master Fard Muhammad, clears up any and all misunderstanding and misinterpretation of the Bible. This is a book that the white slavemasters tampered with for centuries, and here of recent years have fixed it up to the point that they have allowed their modern day slave, the so-called Negro or African-American, to use as a religious text. Yet, today, many of our people still reject the clear teachings of the Honorable Elijah Muhammad and continue to hold on to the confusion provided by

white theologians.

In addition of hiding the truth of the Bible the devil went further to hide the entire Holy Qur'an (another book of Holy Scripture) altogether. Here in recent years some Orthodox Muslims have offered the Holy Qur'an to Black people in America, giving them mystical interpretations similar to those they receive from the Bible.

In America some Black people who profess to be students of the Prince Hall Masonic Order read the Holy Qur'an in secret. On one occasion a follower of the teachings of the Honorable Elijah Muhammad questioned a so-called Negro Mason as to his interest in reading the Holy Qur'an. This Mason replied that this was for historic purposes only.

As this madness accelerates Messenger Elijah Muhammad calls all of us to divine Unity. In his book titled Supreme Wisdom, Volume Two, on page 67, the Hon-

orable Elijah Muhammad encourages us to read and study the 112th chapter of the Holy Qur'an. This chapter is titled: The Unity. The black people in America have been disunited over here in the Western Hemisphere for so long they would not recognize real unity if they stared into the face of it. This is because most of our people are too busy trying to uphold the confusion, chaos and mayhem that the white slavemasters have laid out on a platter before us.

This brief chapter in the Holy Qur'an, if properly understood, would put all of our people on the road to salvation immediately. However, our people for the most part, reject the reality of Allah (God) on all levels. They reject the principle and the reality of the Oneness in favor of a threesome (father, son and holy ghost); and they reject the Person in favor of a mysterious (unknown) spirit.

As-Salaam-Alaikum.

in their Native Land, four hundred years ago, when they were kidnapped by John Hawkins and brought over here into slavery? And haven't the white people been their master and teacher since? Then whatever my people (the so-called Negroes) are today, the devils (the white Christian race) made them." But, when we have really been intoxicated with is the Christian religion. This keeps more of our people drunk than all the alcohol that they can consume. Its effect has caused so many of our people to be unable to even entertain a sound thought regarding the reality of God in Person. This religion, along with the false teaching of Jesus being

the means that gives us a chance for salvation has been the combination that leads our people away from that which will make us free. We are forever thankful to Allah, Master Fard Muhammad, God in Person, for coming and raising one from amongst us to bring us into all truths. He has been given the keys to Freedom, Justice, Equality and Independence. Let us no longer be caught up in the tricks of our now known to be open enemies-the white race. This is the day of our resurrection, be a part of it! Join on to your own and do for self.

## Where Is Christian's Love?

In the Name of Allah, Master Fard Muhammad and in the name of His Last Messenger, the Honorable Elijah Muhammad.

As-Salaam-Alaikum.

Love is defined as "an intense feeling of deep affection." Add to that the word "Christian" and you have "a hopeless religion organized by the enemies (the white race) of the Black Nation to enslave us to the white race's rule."

Messenger Muhammad teaches us the Christians say Jesus taught them love. Where, therefore, he asks, is this love of theirs? We (so-called Negroes) are suffering untold torture and murder at the hands of these Christians (white people) who have

destroyed our love of self and kind. They have even educated us to hate and refuse all that goes for black people. Where, still is the "Christian love"? Allah says of them, "We excited among them enmity and hatred to the day of resurrection, and Allah will inform them of what they did." (Holy Qur'an 5:14).

There is no hope for us in Christianity, so teaches our Divine Messenger. Christianity is the most perfect slave-making religion—so is its "love". This, he teaches. Is a manifest truth. The white race is not at peace with each other. Can we, he asks, seek peace among such evil, hateful and blood thirsty people? Christianity, Christians and their "love" have failed humanity. Even their churches have a long record of

by Bro. John X

anti-enlightenment. Any light or "love" is regarded as an enemy of church-tianity.

They hate, yes hate, you and me (the so-called Negroes) so much that they dislike seeing us live in peace—even in their midst. Enter Messenger Elijah Muhammad! His life and his love for us manifest the very will of Allah. The rejecters understand him not. We have arrived at the day of God and we must make a change. Let us remember the words of John 5:42— "But I know you, that ye have not the love of God in you."

As-Salaam-Alaikum.

## Christian's "One God"

cont' from pg 1

Supreme God, should not He destroy the false God that has been given to our people by their open enemy? Allah has come and raised one from amongst us to be His representative. Christian hide the truth of the religion of Jesus claiming that he was a Christian even though they labeled him the King of the Jews. This is also a contradiction. The Jesus that they represent to us was a Muslim as were all of the Prophets such as Abraham, Moses, Lot, Noah and others. The White Race has gone out of their way to keep Black people in the dark to the truth of God and the Prophets of God. The Bible does not mention the religion of Jesus whom they have attached

the religion of Christianity, however the book mentions that Jesus came preaching the religion of peace (Islam), but this is hidden. Today the Messenger has made clear the truth that is hidden and/or mis-interpreted in scripture that keeps us deaf, dumb and blind to the truth that our God, Allah in the Person of Master Fard Muhammad. Those who believe in the lies of the white race's Christian teachings will continue to suffer because of their refusal to accept the truth brought to us. They, like the givers of this false religion (Christianity) will be fuel for the fire. The only "One God, is Allah" As-Salaam-Alaikum.
