## The White Race's Day Is Over

by Bro. Hakeeme Muhammad

In the Name of Allah, Who came in the Person of Master Fard Muhammad and in the name of His Last and Greatest Messenger the Honorable Elijah Muhammad, I greet you-As-Salaam Alaikum.

Our people are so in love with white people. They admire and desire to be them. How sad a situation that we have been placed in. The Honorable Elijah Mu-

hammad has been teaching us the truth of these people, yet many refuse to accept these truths. Messenger Muhammad advises us that the white race's day is over and even shows us the signs of their ending. Many refuse to acknowledge that the white race is an open enemy to the black man and choose to stay in his name and Christian religion. Even after being informed that we can never be free or attain the level of success

The Honorable Elijah Muhammad Messenger Of Allah

that Allah has promised us, we must sever our ties with them. We find many verses in both Bible and Holy Qur'an that verify in the truths that the Messenger of Allah, the Honorable Elijah (cont' on page 2)

## How Islam Benefits Us by Bro. John X

In The Name of Allah, Who came in the Person of Master Fard Muhammad, and in the name of His Last Messenger, the Most Honorable Elijah Muhammad. As-Salaam-Alaikum.

Messenger Muhammad teaches us that every living thing is duty-bound

to do something for self. Doing so, benefits become rewards. The religion of Islam makes one think in terms of self and one's own kind. Thus, this kind of thinking produces an industrious people who are self-independent. When the so-called Negroes rely upon Christianity, the results are just the oppo-

site-a lazy, careless and dependent people. Benefits are defined as "advantages or profits gained from something"; in this case, Islam, as taught by the Honorable Elijah Muhammad. These are real, true benefits.

We are continuously warned by Messenger Muhammad that we can not depend on the (cont' pg 3)

## **Mixing Truth With Falsehood** by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Under this title, the Messenger reminds us of the verse in the Holy Qur'an that states, "**And mix not up the Truth with Falsehood, nor hide the Truth while you know.**" (Chapter 2:42). He informs us that this is the right way in order not to mislead. He, however, also reaffirms us that the way of the devils (white people) is to mix truth and falsehood with the planned intent to mislead and to deceive. This should be enough

said regarding this subject; however, it would seem that the more this truth is put before us, the more we seem to disbelieve. The indoctrination of us by white people keeps us deaf, dumb and blind. The true teachings from Allah to His Messenger, for us, is rejected by many black people because it asks us to reject white people's influence, guidance and false friendship. Yet, many have experienced the false promises, lies and deceptive ways of white people. Mixing truth with falsehood is the order of the day for them and they relish in the practice. They even teach from scripture that a tree of knowledge (good and

evil) was in the Garden of Eden (Bible) which was not to be eaten from; yet again, we turn away from the proper interpretation as given by Messenger Muhammad.

Messenger Muhammad brings us the truth of this grafted devil that we will not be caught in the snares he lays. He teaches us that this devil is an open enemy to us in spite of any acts that he performs that may appear to be beneficial to us. He, the Devil, is a liar and he abides not in truth. There is no truth in him and he is the father of lies. Join onto self and kind and recognize the falsehood when mixed with truth. As-Salaam-Alaikum.

Muhammad, gives us regarding these people. Scripture advises us to come out of Her (the world of the made man-Adam and Eve) and be not partakers in Her sins, and lets us know that we don't have to be included in the Destruction. America is falling and we have a way to escape the destruction that is surely to come. Both Books (Bible and Qur'an) speak clearly of the coming of Allah and of the Messenger He raises; of the end times and the events that will befall this present world. Allah has America in His sights and gives us a chance to return to our own names, the names that are attributes of Allah, and His and our own religion, Islam. Brothers and Sisters, we can not afford to wait, for

the Day of Judgment is upon us. We are witnessing the resurrection of the Black man in America everyday. Many are separating themselves from the white race, if not physically, then certainly mentally and spiritually. Many have joined on to their own and are working toward independence under the guidance of the Messenger of Allah, the Honorable Elijah Muhammad, who is the only one that Allah has given the job of raising the deaf, dumb and blind so-called Negro here in the Hells of North America.

I say to you, my beloved Brothers and Sisters, fly quickly to Allah, His religion-Islam and His Messenger. As-Salaam-Alaikum.

# There Can Be No Love For An Enemy *by Bro. Kamau Islam*

In The Name of Allah, Master Fard Muhammad, and in the name of His Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

In the second volume of the book "Supreme Wisdom" page 36, Messenger Elijah Muhammad addresses this fact: "THERE CAN BE NO LOVE FOR AN ENEMY." An enemy is defined as "one that attacks or tries to harm another; a foe; a military opponent".

We live in a country called the United States of America that constantly emphasizes the value of having the ability to protect itself from its enemies - even its perceived future enemies. They have in place a massive army, air force, navy, and marines. They have in place a CIA and other international spy agencies as well as home-grown surveillance such as the FBI. The leadership and all others take oaths to protect and defend their country and all other interests, as well as

their people (the population of the country).

The Honorable Elijah Muhammad teaches: "It is against the very nature of God, and man, and all life, to love their enemies..." Yet, the so-called American Negroes or African-Americans, who have been left in a deaf, dumb and blind state by their white slave-masters, get orders from their civil right's leadership to love everybody. With the help of the Devil (the white civilization) these Black people have formed all kinds of organizations that encourage us to love and tolerate our open enemies. Messenger Elijah Muhammad asks the question: "Would God ask us to do that which He Himself cannot do?"

Today, the America leadership encounters people around the earth that fail to agree with her policies. Some seek to rid themselves of America's influence and others seek to retaliate against America's intrusion. These she classifies as **terror-**

**ists.** In the past America has waged regional and even world wars against her enemies and her perceived enemies, later engaging in peace treaties and mutual co-operation.

Here on the home-front she has a poor, loyal slave (the Blackman) that has helped her in every way he knows how, yet America and the entire white race views him as a permanent enemy. We have been given Black religious and political leadership that teaches us to stay with our open enemies, to try and get along with them and to beg for civil rights. One by the name of Dr. King once stated: "IF ANY BLOOD BE SHED, LET IT BE OURS." How silly can we get? Messenger Muhammad states: "He (God) hates His enemies so much that He tell us that He is going to destroy them in hell-fire along with those of us who follow His enemies." As-Salaam-Alaikum.

white race to care for us forever. There has to be an end to our dependence on them. "So," he states, "why not start in time seeking something for self?" We are constantly reminded that the fall and end of the white race as a dominant power is in progress. Each degree of their fall also means the end of their luxury-going and doing as they have been accustomed.

Messenger Muhammad is well-aware of the tremendous job needed to change the so-called Negroes from the ways of their slavemasters and to unite them.

Much suffering may take place, but it can be done.

Christianity can never unite us-only divide us, for that is exactly what it was designed to do. We now seek the Supreme Wisdom of Almighty God-Allah, The Best Knower and Guide, and His Last Messenger, the Most Honorable Elijah Muhammad-our true and living benefits-The New Islam.

As-Salaam-Alaikum.
