## *My Mission, My Objective* by Bro. Hakeeme Muhammad

In The Name of Allah, Master Fard Muhammad and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

**My Mission** - "I have been risen to raise my people here (the so-called Negroes), and to help them into the knowledge of Self, and their God Allah (who is in Person among them) and the devils (their open enemies)."

**My Objective** - "I am doing all I can to make the so-called Negroes see that the white race and their religion (Christianity) are their open enemies, and to prove to them that they will never be anything but the devil's slaves and finally go to hell with them for believing and following them."

These are the words of the Honorable Elijah Muhammad, the Messenger of Allah. We bear witness that his words are true.

*The Honorable Elijah Muhammad  
Messenger Of Allah*

He awakens us to the proper understanding of both Bible and Holy Qur'an. Biblical stories such as the curse of Noah (Bible, Gen. 9:25) makes us out to be servants to white people. (cont' pg 2)

## *A Plain Warner* by Bro. Kamau Islam

In The Name of Allah, Master Fard Muhammad and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The Black men, women and children of today are

trapped in a wicked world in general and a **supremely wicked** country in particular. The world is under the domination of the 6.000 year-old civilization of Adam and Eve - the white race, and the country (America) ranks number one on Allah's

(God's) list to be destroyed. As such situation exist there is a great need for a **Plain Warner**.

Allah (God), in the Person of Master Fard Muhammad, has heard the calls of our people, and is here to answer us by offering us salvation. (cont' pg 3)

## *I Want To Teach You*

*by Bro. John X*

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

In the field of education (training), there is a term called "Master Teacher"- widely used but not truly understood. The devil (white man) is a master teacher in his field of education (training). If anyone should recognize that fact, it is the so-

called Negro who is trained to do the devil's bidding-at home and abroad.

Messenger Muhammad plainly states, "I want to teach you who you are"-a statement tailor-made for the American Negro. Add to that the knowledge of God and the Devil, you have the beginning of Supreme Wisdom, an incomparable education from an Incomparable Source. In spite of the aforementioned proof, many of our people (so-called Negroes) do not wish to be taught who the

devil is because of their love for the Devil.

The Messenger teaches us that the devil will be made manifest to us as he is. The Holy Qur'an teaches and verifies that he is an open, not concealed, enemy-and visible, too. Why else would he be labeled as a "being"?

The devil's time is up, his doom, fate, and future are sealed-also the same fate awaits all of the so-called Negroes who love and follow him. As-Salaam-Alaikum.

### *Says of The Messenger*

\*\*\*\*\*

*I am he whom Allah chose to deliver this Message of Truth.*

### *My Mission, My Objective*

*cont' from page 1*

The Messenger teaches us the truth as to why this made man is allowed to rule for a limited period of time and that the Blackman is the original man on the planet. The tampering with the Book would have you believe that white people were really the first people on the planet. He gives clear evidence as to the proper understanding of the meaning of stories of floods and hell fire. He gives us clarity of prophesy of passages such as those in Daniel 7 and Revelations 19 (Bible) dealing with the signs and events which foretell the end times. He informs us of the truth and reality of our true God (Allah), Who has come in the Person of Master Fard Mu-

hammad, to make all things new. We are blessed to have Allah raise a Divine Leader, Teacher and Guide for us who has been given the keys to the kingdom. We are further blessed to be taught the truth of ourselves and our now known open enemies (the white race). The religion of white people (Christianity) has made and kept was dead (mentally) to the world of tricks played on the black nation. We, the lost/found members of the original people of the earth, here in America, are blessed to be the first of our own people to be awakened. He is showing us that Allah has chosen us as His people and has perfected a religion for us which is Islam. He separates us from this evil world

of white people as this present world is slated for destruction. The evidence of that is present today. We are warned in Revelation to "come ye out of her". Let us take heed and join on to our own. As-Salaam-Alaikum.

## *Do Not Ignore Divine Law by Bro. Hakeem Muhammad*

In the Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

as well as the feeds used to fatten the livestock that he slaughters for meat, thereby poisoning them as well. The Messenger states, a man should pay for this evil planning against innocent people. Today Allah is on the scene to make everyone bear the consequences of their own evils. He instructs us on the foods to eat and those that we should remove from our diets. Our shorten lives are due to our lack of knowledge and our following an enemy (white people). We have now come into the Light of Allah and must accept Him and the guidance of His Last Messenger. We've heard the saying, "If they (white people) won't treat you right, don't expect them to teach you right."

This not only applies to our eating practices but also to his spiritual and religious teachings as well. We are Muslims by nature, and not Christians. Forcing our way into that which is unnatural for us, only leads to our destruction. It is a divine law that we should be our own selves. We cannot be other than self and be happy and prosperous. The Honorable Elijah Muhammad, gives us Divine Law and right guidance. We should not ignore him. He is rightly guided by Allah in Person, Master Fard Muhammad. He is the doorway to Allah and to the a good life having freedom, justice and equality. As-Salaam-Alaikum.

Allah has raised for us a Divine Messenger who is the perfect reflection of Allah, Himself. As we study the Messenger's teachings reference how to eat to live, he informs us that it is very hard to find food that is not poisoned by the enemy for the purpose of making it unfit for our lives. The enemy admits that he uses poisons on the vegetables we eat

### *A Plain Warner*

He has raised in our midst the Divine Leader, Teacher and Guide for us all - the Most Honorable Elijah Muhammad, the Messenger of Allah. This **Plain Warner** is the one that scripture references on many occasions.

In the Holy Qur-an (Chapter 53) it gives the account of Allah's (God's) meeting with His Servant (the **Plain Warner**) on the furthest horizon as Allah gives him an important revelation. In the Bible (Malachi 4:5-6) God Himself states that this **Plain Warner** (Elijah) would be presented to the world before the Great and Dreadful Day (Judgment Day). In another place in the Book of Mathew (17:11) the Prophet Jesus is to have said that "Elijah (the

*cont' from page 2*

**Plain Warner**) must come first and restore all things."

The basic definition of a **warner** is one who comes to make one aware of that which is to come, and to clearly lay out future consequences that will result from past and present activities. This represents the work and mission of the Honorable Elijah Muhammad.

Messenger Elijah Muhammad teaches us that his mission is to give life to the (spiritually and mentally) dead. He brings us out of death and into life. The scripture also teaches us that this **Plain Warner** would make this truth so plain that a fool should not error and a child could understand.

As-Salaam-Alaikum.
