## *Under The Shadow of Death*

In the Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

In the Bible (Psalm 23:4) it states, "Yea, though I walk through the valley of the shadow of death, I fear no evil:..." Here in the Hells of North America, we the

Black lost-found of our people here (America) live under the shadow of death by way of cowardly enemies (white people). Figuratively, shadows represent an uncertain identity or nature. However, the devil's (white people) identity is known because of the germ that has emitted from him. We who follow Messenger Muhammad know that very well.

In 1880, Belgium estimated a population of 30 million. By 1911, the population was reduced to 8.5 million. In 1894, an English traveler, E.J. Glave, reported twenty-one heads of black

men were brought to Stanley Falls and used as decoration around a flower bed at one of the homes of a high-ranking army officer. All are open enemies and murderers of Black people, and some of God's Prophets.

## *Evil Spreading Far and Wide*

*by Sis. Faye X*

In The Name of Allah, Master Fard Muhammad and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum..

The Honorable Elijah Muhammad teaches us that Yakub made the Whiteman (Devil) to be the Blackman's enemy and that past prophets were unable to reform this rebellious race of people. Their actions reflect their nature which opposes righteousness. They cause mischief wherever they go and the destruction is far and wide. Their religion, Christianity, is used to deceive us (Black people) into believing that they are representatives of righteousness. Our fear of them keeps us from enjoying our heaven on

earth but, Allah (God) has given us the best remedy that will combat the evil they spread. Our remedy is the Honorable Elijah Muhammad who was raised and taught in person by Allah (Master Fard Muhammad). He is the voice of Allah bringing to us (Black people) that which removes the fear we have of our enemy (White people).

“O you who believe, take not My enemy for friends. Would you offer them love, while they deny the Truth that has come to you, driving out the Messenger and yourselves because you believe in Allah, your Lord?” (Holy Qur'an, 60:1)

Under the guidance of our Messenger, we don't close our eyes to this devil; we separate ourselves from him. When we do this and

take hold to Allah, our fear of the devil is removed along with the grief we've endured since our enslavement by him began. The Honorable Elijah Muhammad unveils the Whiteman's hateful, murderous nature for all the world to see and because he can no longer hide who he is, his anger and evil deeds have intensified; but, Allah has come to crush him and raise us (Black people) to the level of being once again the cream of the plant earth. Don't wait! Flee to Allah and His Messenger, the Honorable Elijah Muhammad. They will teach you how to live among our enemy (White people) armed with knowledge that will remove fear of them, bring peace and cut them like a two-edged sword.

As-Salaam-Alaikum.

us that they (white people) care nothing about our “loyalty” to them. Through the ages, our sojourn here in hell (America) has only heightened the devil's efforts to kill us or get us killed-at any price. Promises made are simply promises broken. In their very hearts there is death for us, each and every one.

The Messenger teaches us that “One of the first and most important truths that must be established is our identity”. Whether we are shadowed or overshadowed, they (white people) know very well that Allah (God) is here offering to seat us in heaven (on earth) at once. Though the devil proposes, Allah (God) disposes.

If we wish to rid ourselves of the devil's sadness and gloom, we must recognize and elevate Allah's Last Messenger who is bringing us to the ultimate challenge-Shake off the devil, stand up and be identified.

As-Salaam-Alaikum.

## *The Dreadful Times Of America* by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Allah, Master Fard Muhammad, God in Person, has come and has raised His Divine Messenger, the Honorable Elijah Muhammad, we can now read and understand what has been written of and is now being revealed in scripture. The 24th Chapter of the Book of Matthew relates much of these times and dreadful days and speaks to the reasons these events are occurring. Little did we know that we were the reason for the fall of America. Allah comes to bring about justice and to restore His chosen people to their rightful place. His Messenger, the Honorable Elijah Muhammad, is the only one that He chose to do the work of raising the so-called "Dead" (Negroes) to life. This is the day that truth sets us free. Our mind-sets made and fashioned by our open enemies (white people) are now being restored to that of our own godly

elves. We are taught to be on guard against those who claim godship or prophet-ship as appointed leaders. The Bible (Matthew 24) speaks the same of those claiming Christ-ship. These dreadful days mark the end of this world of the white race. The religious leaders and political leaders (black, white or any other color) are helpless to stop what Allah has in store for the world of white people. This destruction can not be averted. We are warned to abandon their names, religions and ways of life ("come out of her, ye my people"). Join on to your own. There is no salvation for us with America, for its day is over. The dreadful time of America is at hand. Be glad to have Allah on our side.

As-Salaam-Alaikum

The above title signifies the certainty of dreadful times in America. As a matter of fact, the same can be said of most of the countries on the planet. For those who understand scripture, they know full well that which is transpiring worldwide is only prophecy being fulfilled. But most don't attribute these dreadful events to the mis-treatment of the Blackman and Woman lost in the House of Israel (America), and other white countries on the Earth. Scripture foretells of these days and events that are today bringing witnesses worldwide. As

before their birth. Why would you do that? He tried to put out an old unfounded story that you are getting too many people and we have to cut the birthrate. The Earth and the heavens are ours. Who is going to go hungry? Do you not read the past histories of how the righteous were always the winners and victorious people? We are not thinking of anyone making us hungry unless it is Allah (God) and He came to feed us as it is written, "My righteous servants shall eat, but ye shall go hungry." In America, hunger is increasing along with unemployment. You cannot buy the food that you used to

buy, for you have nothing to buy it with. This is why the Messenger pleads with us to come join with him and go to the earth and grow our food, and not go walking around the city with a basket for the devil to drop something into it. He (the Devil) will not help you, for he will not have food to drop into his own basket. Allah (God) brings the wicked into desolation before they can get started to strike back. The Earth belongs to the Black people. There is plenty of earth for us. Allah (God) will clear the earth of its wicked population. All of those places will be taken by the Muslims. My God! To pay attention to

the Whiteman and let him slaughter the babies before and after their birth is like what the fire-worshippers of Moloch who gave over their babies for sacrifice (Lev. 18:21). Brothers and Sisters, I hope you will read this and know that we are the owners of this Earth and as scripture states, the meek shall inherit the earth for it belongs to them. The parables of scripture such as Lost Sheep and the Prodigal Son refer to us. They returned to become the owners. Our babies are our future. Let us save them and rear them in righteousness.

As-Salaam-Alaikum.
