Religion that can uplift us as righteous people. A Muslim is one who believes in one God. It is forbidden by Allah (God) for us to believe in or serve anyone other than Himself as a God. He warns us not to set up an equal with Him. He was the one in the beginning from which everything

came and is the one from Whom everything will end. He is independent, having no need of anyone's help, but on the other hand, He is on Whom we all depend. It is the highest of ignorance for us to choose a God or attempt to make something as an equal to Him. Foolish people all (cont' pg 3)

Islam Is Our Salvation

by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad.

As-Salaam-Alaikum.

Islam is the foundation which brings about a new mindset to elevate the Blackman and Blackwoman here in the Hells of North America. We are well aware of our history on this part of the planet. The lowering of us, as an independent people, to that position of slaves, having little or no knowledge of our natural way of life, has placed us in a degraded state. Islam's introduction to us means there is a conscious reconstructive process occurring. This process of bringing about new minds and actions (being a mentally dead people) is due

to the coming of Allah, Master Fard Muhammad (God in Person). This undertaking is being done by a Divine Messenger raised by Allah, Himself. This Messenger (Elijah Muhammad) is the "Jesus" that the world has been awaiting 2,000 years. He is the one spoken of who would come and is called "The Comforter". Thy seed (black people), as told to Abraham, would need a total restoration after the ordeal of 400 years. The restoring of our knowledge of self, God (Allah), and that of our open enemies (white people), is an undertaking that only Allah can bring about. Those of us who accept His Messenger's teachings become new people. No longer are we mentally dead or lost from self and kind. We are restored, no longer using our open enemies as the standard of measurement. Our knowledge of self and our true God makes us

new. Having respect for each other and looking out for each other, knowing that we are a family being renewed sets us on a new path.

Islam is salvation for the Blackman and woman. It puts us on track to be independent, doing for self and providing for self. We can now put self and kind first by doing away with the enemy's programs of inclusion (integration, civil rights, etc.). This has been his way of keeping us under his control through pacification. We are encouraged to join with Messenger Muhammad for our true freedom, justice, equality and independence. Our unity is the white world's downfall, end and removal as Genesis 2:1-2 refers. This is our time. Let us rise to rule our new world of righteousness. Islam is our salvation.

As-Salaam-Alaikum.

truth coming from the Last and Greatest Messenger of Allah, the Most Honorable Elijah Muhammad, we can clearly see - he proof is in Scripture. Exodus in the Old Testament of the Bible (33:11) tells us that "...the Lord (God) spoke to Moses face to face as a man speaks to His friend." God reveals (Genesis 6:3) that He is also flesh and that His spirit will not always dwell in a certain man (the Man of Sin). The Holy Qur'an, chapter 113:1-4, instructs us to seek refuge in Allah, the Lord of the Dawn, from the Man of Sin.

Finally, in the Book of Revela-

tion (1:7), in the Bible, the father of the **Man of Sin** (John, Jacob or Yakub) writes about the revealing of the True God. He tells of the reaction to this great occurrence - by white people (the white race) and by others of the world that have bought into this deception. Messenger Elijah Muhammad wraps up his 40-year mission in the Hells of North America by telling us: "I have brought you face-to-face with God and Man.

What Islam Has Done For Me

by Bro. Rashid Muhammad

In the Name of Allah, the Beneficent, the Most Merciful, Who came to us in the Person of Master Fard Muhammad, and in the name of His Messenger, the Honorable Elijah Muhammad, do I greet you in the Arabic language of peace and paradise. As-Salaam-Alaikum.

I was born and reared a Muslim under the guidance of the Honorable Elijah Muhammad. Growing up in Islam gave me a distinct advantage over other children my age. While they were given only the daily training

that is provided for you in public schools, I received that and the God sciences that you can only learn in Muhammad's Temple of Islam. I excelled in my classes due to discipline that was instilled in me from an early age. As I grew older, I noticed that I was no longer being ridiculed for being different, but respected for it by my peers and elders. I found that because I walked in a perfect manner, there were those who wanted to walk with me. Because I was knowledgeable, I was sought by my classmates, so that they could better understand the materials

before them. I learned that to do better, you had to become better. What I didn't realize was that Islam was constantly making me and others better everyday. Islam challenges the mind and opens the door to a knowledge of self and kind. It gives me the advantage in life even today, because I know that Islam is mathematics and mathematics exists everywhere. You need only know how to recognize it and apply what you have learned to any situation. Islam is mathematics and it has given me the formula for success in life.

As-Salaam-Alaikum

over the earth, for the past 6,000 years, have been and are still trying to make, an equal to Allah (God). We as Muslims cannot thank Christians or other false religions for our existence - only Allah. He has no beginning, nor is there an end to Him. Both Jews and Christians are guilty of setting up rivals to Allah. The Christians have made imaginary pictures and statues of wood, silver, and gold - calling them images of God. It is the Dev-

il's way of bringing the people of Allah (so-called Negroes) in opposition to Him, by teaching them to believe in, and doing the things that Allah (God) forbids. The Lost and Found members of the Asiatic Nation are especially warned in the 112th Chapter of the Holy Qur'an against the worship of any god other than Allah; for it is Allah in Person Who has found them among the worshippers of gods other than Allah. As-Salaam-Alaikum.
