## *The Keys To God* by Bro. Hakeeme Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The Honorable Elijah Muhammad teaches us in the Holy Qur'an, (Ch. 27 Verse 87) "And the day when the trumpet is blown, then those in the heavens and those in the earth will be struck with

terror, except such as Allah please. And all shall come to Him abased." It means a Wicked Kingdom, being destroyed, is put to an end. America is built on a lie, like the Roman Pope, the United Kingdom and the 11th century Tower of London. Elijah is the Jesus in this time, and has the Keys of Life for the so-called Negro to be an independent people of the world. Who gives him the

## *The Black Stone In Mecca* by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

What is the significance of the Black Stone in Mecca? When one thinks of Mecca, usually the first thought is of the annual pilgrimage called The Hajj, and the

circling of the Kaaba with hopes of kissing The Black Stone. Even though many consider this to be a blessing, many fail to realize the importance of the Black Stone's true representation. The Honorable Elijah Muhammad teaches us that the stone is a representation of the Original Man, the Blackman. Its history recalls Muhammad of 1,400 years ago finding it out of

place and inviting (four) Chiefs from four divisions to come forward and take hold of each corner of the mantle and help lift it (the stone) into its proper place. This, Messenger Muhammad teaches is a sign of the Blackman and Blackwoman here in the Hells of North America.

We need the help of our people who are (cont' pg3)

## *Islam Alone Can Unite The So-Called Negro* by Sis. Faye Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As- Salaam-Alaikum.

What is it about Islam that can bring Black people together where all other religions have failed? It teaches the so-called Negro how significant he is in the eyes of the One and only true living God Whose Name is Allah, Master Fard Muhammad. He's on the scene for us and backs His Last and Greatest Messenger, the Honorable Elijah Muhammad whom He taught Supreme Knowledge of our Universe. Islam is so important to us because it is our natural religion or way of life. It is authored by Allah, meaning white

people had no part in its creation, because they had not yet come into existence. Black people have been on earth for trillions of years compared to the six-thousand year old white race. Islam is freedom, justice and equality, what we've longed for since being tricked and brought to North America from our Native Land of East Asia (Africa) by John Hawkins, the English slave-trader. Our religion, language and culture was replaced with Christianity, the white man's religion, that has us hating our own black skin. They use Christianity as a cloak, covering their true wicked identity as well as hiding our true identity as being the original people of the earth. Islam, on the other hand, opens the door to unlimited growth and understanding. A total cleansing takes place starting with the knowledge of self. Before the com-

ing of Allah to North America, we had not been exposed to Islam. Knowing of our plight, Allah did not come here to play games or sugarcoat the truth. His raising our Leader, Teacher and Guide, the Honorable Elijah Muhammad, among us, bears witness of His love for us. Be it truth or lies, neither can stand if it cannot be proven to be so. Our Messenger can prove without any doubt what he teaches to be the truth and if we are receptive, our journey into heaven out of hell while we live, takes place. No religion other than Islam can unite us. Our unity is inevitable, but those who fight against it will not have Allah's protection, but will endure His chastisement.

As-Salaam-Alaikum

tree of life. The Lord (God) is Allah. The Supreme Wisdom of the Caucasian (Devil) Race is now revealing itself. You see, in 2017, the truth that the Honorable Elijah Muhammad tells comes back to haunt the so-called Negro. Christians teach in America's theology and in Catholic theology secret codes of Masonry which contribute to false religions. The Bible talks about what the slave master gave to the so-called Negro, and the taking away our great names, and

changing our history. The image of Jesus is a lie. The Bible says, "Write therefore, what you have seen, what is now and what will take place later". The Son of Man, Master Fard Muhammad, revealed the truth Elijah, Face to face, like with Moses. The old world must go. Do not fear this wicked Nation of demonic, bloodthirsty people; fear only Allah. All praises are due to Allah (God) for these teachings. They resurrect us in mind, spirit, body and soul. They make us new, so get ready to join your

***Islam, Not For All Mankind****from Messenger Muhammad*

In The Name of Allah,  
The Most Merciful.  
Greetings to you.

\*\*\*

The teachings of Allah's Messenger are so easy to understand and are so clear, as it is said, a child will understand.

"When the question, "Why is Islam not for all Mankind is asked", the answer is simple: All mankind can't believe and obey the teachings of Islam. All mankind are not members of the Righteous. Islam is righteousness and he who would believe in it and do the will of Allah (God) must be by nature one born of Allah. The only people born of Allah is the Black Nation of which the so-called Negroes are descendants. That is why Islam is offered to them".

It is unfortunate that many of our people who are exposed to these true and righteous teachings are so full of fear of white people's admonishments that they only acknowledge these truths behind closed doors, and reject the invitation to openly accept and join on to their own righteousness. Others are so sold on the lies of the Whiteman's religion called Christianity, and the tale told of Jesus's return to deliver them in to heaven. What fools we have become

having been away from our own culture, religion and values for so long. It's as if the condition that we have been placed is all that we can hope for. Today the truth is being made manifest and we have no reason to continue buying their lies. Truth confronts us today, and we are faced with the choice between life and death. We hope you will choose life. Many can admit that the life we've indured here in the Hells of North America has been a hellish lifestyle. We can choose Islam and be in heaven at once.

As-Salaam-Alaikum.

living in the four major points of our human compass (Black, Brown, Yellow and Red) to come help raise us - their dead brothers and sisters - and put us back into our place, in our own Nation among our own Native People.

The coming of Almighty God, In The Person of Master Fard Muhammad, and His raising a Messenger (The Honorable Muhammad) to teach and guide us into all truths is the foundation of the true significance of the symbol-

ism of the Black Stone. Who would have thought that the circling of a black stone would have such a powerful meaning? Studying the teachings of Allah's Last Messenger is the key to understanding the symbolism of the Hajj. The Blackman's awaking today is also the awaking of the world to the fact that the time of the dominion of the man made in Genesis 1:26 (white people) and their rulership for 6 days (6,000 years) is over. The restoration of the Original Man's world is at

hand. All praises are due to Allah, Master Fard Muhammad. The misperception of the circling and kissing of the Black Stone is a practice in idolatry, and is just that, as well as a misunderstanding. It is a recognition that today is made clear. The Blackman is the Black Stone of creation. We are forever grateful for Allah's coming and raising His Messenger, the Honorable Elijah Muhammad, who shines a new light into the darkness of our minds. As-Salaam-Alaikum.
