Truth To Sets You Free by Bro. Muhammad Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad As-Salaam-Alaikum.

Truths to set you free, provide a concept for the mind. The great understanding of diction of Righteousness as we know, the truths will always remain. We cannot forget the history of the rebellious scientist whose made man was to rule the Original Black

Nation of the Earth; that, surely you must know as they are known by many names, mainly "White People". He is a cloth of true detriment. He has ruled the Righteous for six thousand years and will make efforts to continue to do so while deceiving, murdering and lying to the Righteous as long as he can. This has been made very clear. We, being born amongst, and nursed by an open enemy, and do not know who or what we are. This has caused us to fall

in love with them. Being robbed completely of knowledge of self and kind, we continue to love the very ones who continue to destroy us mentally and spiritually for over 400 years.

America is like a nuclear planet suffering from an earthquake and having a meltdown with destruction at her door.

She soon will be a waste land and she will be looking like Babylon of yesterday. Babylon, at one time being a ruling state, mighty with military power, is said to have become a haven for every unclean spirit, every filthy and hateful bird. As scripture states, "Come out of her ye my people...". This today is a call for us who hear the

voice of Allah through His Messenger, to turn back to our own, to be not a part of those who will receive the plagues and punishment of America.

The Honorable Elijah Muhammad has for over 40 years, directly, continuously warned us of the days in which we now live—the fall of America. All due to the mis- (cont' pg 3)

What the Muslims Want. Point #7

In the Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Muslim followers, under the guidance of the Honorable Elijah Muhammad, are still being asked the question by White Americans and the Black Nation, "What Do We Want"? There is much that we want, and all Black People should desire. One thing that we want is to separate from White America, and to acquire a state or territory of our own, so that we may live our natural way of life— Islam.

We desire to build our own businesses, and to provide employ-

ment and housing for our people. Since White America will not honor this, we demand that they should provide equal opportunity for employment as well as equal housing. We also demand equal justice under their laws. This is only fair! Why? We deserve this, for after nearly 400 years of free hard labor, sweat, and blood, we as a Nation of Black People have worked for No Pay to Little Pay, which made White America rich.

Today, our poor Black People are still receiving less wages, and benefits, as well as unfair housing, compared to White America. There is no true justice in their courts for us today, as the crooked Police and the crooked Judges earn income from their mistreat-

Sister Evvy Islam

ment of us.

After all these years, White America does not intend for the Black Nation to acquire knowledge of self, of our God, Allah, and the New Islam taught by the Honorable Elijah Muhammad. This will make us free to provide for ourselves as they do. They only want death for us.

Brother and Sisters, we should accept our own way of life, the New Islam only, as taught by the Honorable Elijah Muhammad — Allah, Master Fard Muhammad's Last and Greatest Messenger; then we as a Nation of Black People will be able to put into motion what we want, and demand it — in reality!

deceiver knows that his time to rule is up, yet he intends to clinch to the power of rulership, which is his Heaven. This he knows is Hell for the Original Black Nation. Our admiration for him and his world causes some to want to be like them and be accepted by them. Others think that they too can have some of the Whiteman's heaven, as it too, is only trickery. A few are used to fool many.

The truth of our open enemy is now being made known. The freedom, justice and equality that we expect from this enemy will

never come. Our freedom, justice and equality can only come through our acceptance of Allah and His Messenger. This means that we must give up the life style of White People and join on to self and kind and live the Righteous life that is that of Muslims.

This means that white people cannot live this life style as it is not in accordance with the nature in which they were made. They cannot be born again unless they be grafted back into the Original Man. The germ that emitted them would still be present. Truth is,

they were produced to manifest that weak germ.

The Significance of Seven Prayers by Bro. Hakeem Muhammad

In the Name of Allah, Master Fard Muhammad and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Our Messenger, the Honorable Elijah Muhammad, has informed us, who have joined self and kind as Muslims under his guidance, to perform five prayers a day, and two additional prayers at night. These two additional prayers are performed if we awaken during the night. This makes seven prayers total. He also advises that we have seven inhabited planets. Six of which have not been verified by white scientists. The life forms are not recognizable to the world of white people; as scripture references the six days given to the

made-man (white race) to rule and do their work, the seventh day, they rest. The rest on the seventh day has nothing to do with taking the seventh day off to rest and relax from the work week, but it is the end of their given time for rulership. This seventh day, as it says, is made for God, the Original Blackman, and not for the kind of man that is made in Genesis 1:26, the man made in the image and likeness of the original man, which consisted of 59,999 original black people who joined with and led by Yakub, a Blackman who is the God and maker of the White race.

Messenger Muhammad reminds us that we pray to and depend on Allah, God, to provide for our needs daily and to guide us on the path where His favors are continu-

ally bestowed on us. To offer seven prayer a day, he states, is not too much for us to do, if we expect our prayers to be answered. We ask again, "Are seven prayers too much to ask"? Surly, seven prayers are not too much. The best of this is, we are not praying to an unknown God, but one Who is a person, flesh and blood, a human being and not some unseen made up idea of God that is given to us by our former slavemasters. Their representation of God, the Christ, or Jesus Christ looks like them, who are our enemies, with no relationship to us.

We've prayed to, Allah God for deliverance. Our prayers have been answered.

As-Salam-Alaikum.

treatment of Allah's chosen people, who would have to endure this mistreatment for 400 years while under the domination of this open enemy of Righteous and of Allah.

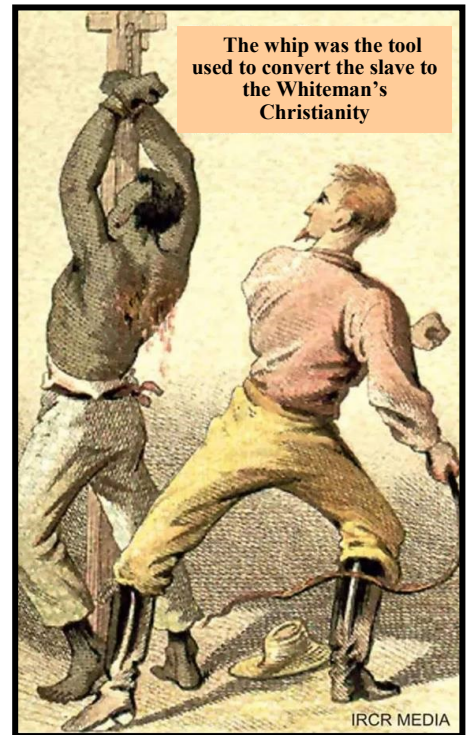

Allah has come, fulfilling scripture, to find and restore the Lost Sheep in the House of Israel (the Blackman and Woman in the Hells of North America) who were lost from their own; having been made other than self by a strange people who made them love other than self. Deprived of their culture and religion, they prayed to God for salvation, aid and comfort.

All praise to Allah for finding us

and giving us a way to have that which we have long awaited; freedom, justice and equality among our own and away from our oppressors. We are please to leave their false religion, Christianity, which teaches us to love everybody except self, to turn the other cheek and to do good to those who spitefully use us; all to the benefit of the oppressors, our former slave masters.

We thank Allah for His Messenger, the Honorable Elijah Muhammad. He raised him to guide us on the right path and show us the truth of our open enemies, White people. America is going down, it is written. As-Salaam-Alaikum.

The Mission Of Elijah Muhammad In The Hills Of North America

"This is all that is incumbent upon me is to get The Word out there to you. Then my job is up. Or rather, it's over with you. Just to show you the way. And then I'm all up. Then, I would say, I go back to the Master then. And if He have any more work for me to do, I will do it as long as I live. But this is my job, just to get it to you. Not to try to force you to believe it, but just to get it to you so you won't have an excuse."
