with religion; however, Islam is such a religion. Power, light and life-the benefit (the unified packet) of being a participant in this Glorious religion that is being taught to us from the Honorable Elijah Muhammad which has been taught to him by Allah (God in Person), Master Fard Muhammad. This is especially true for the Blackman in America, who has been lost to the knowledge of self and

kind. He is a Muslim, and Islam is his natural religion. The truth being taught to the Blackman in America today will restore his power (knowledge), light (wisdom) (cont' on page 2)

The white race does not like Islam because it is truth and entire sub-

mission to the will of Allah, and this is against their nature. Their history shows troublemaking, murder and death to all the darker people, including robbery and exploitation among themselves. They suffered divine chastisement for their wickedness and evil

ways. The devil certainly does not love us. America was not founded to guarantee freedom and equality to Blackman and woman, and she is not granting these privileges today. It is ignorant to the look for justice in these people who would happily take you with them to their doom. (cont' on page 3)

The Root Of Ignorance

by Bro. Kamau Islam

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Most Honorable Elijah Muhammad.

As-Salaam-Alaikum.

In his book titled, *The Supreme Wisdom*, Volume 2, on page 80, Messenger Elijah Muhammad tackles the subject- "**The Root of Ignorance**" - head on!!! He addresses this matter by giving us a brief history of how our people here in the Western hemisphere have been so far removed from enlightenment and over-all common sense and basic intelligence.

For over four and a half centuries (from 1555 up until the present 2010) the white slave masters of the Americas have *saturated, soaked, drenched* and *marinated* Black people in **gross** ignorance. To prepare

us to be absorbed into this **abyss** of gross darkness, the devils (the leadership of the white race) made it unlawful for any of us to be allowed to read, write, worship or pray for over three centuries (300 years).

A little over a hundred years ago, after the conclusion of the American Civil War, permission was given to accommodate us in their civilization in an updated/upgraded slave mode. White Missionaries from the Northern States (Quakers and others) were the first to enable many of our people to adjust to this new form of accommodation in the slave mode. Later, the American governing body, the U. S. Congress tacked on an amendment (the 14th Amendment) to further deceive us into believing we were free, and now even citizens.

In spite of and/or because of all of this tricknology, the American government has done nothing to justly address the innumerable atrocities

heaped upon our people for centuries as we have been held hostage as a kidnapped nation. Thus, since we have not had our human rights restored, Messenger Elijah Muhammad states: "**A vast majority of my people (so-called Negroes) here in America are completely ignorant to the knowledge of self and Allah (our God) and His religion (Islam).**"

The root or the base of the problem that perpetuates our current wretched conditions, so teaches the Honorable Elijah Muhammad, is the biggest trick the white devils have played on us. They have taken divine Black scriptures and misinterpreted them to Black people (starting with their number one servant-the Black preacher). Thus, Messenger Elijah Muhammad concludes: "**The root of their ignorance is the Bible, which they believe in and read but understand not at all.**"

As-Salaam-Alaikum.

Power, Light and Life

and life (physical manifestation of a heavenly state of living). Why Islam? Because it is the only religion that restores us to our natural selves. The Messenger teaches us that Islam is so easy to follow that when we are taught the religion, we feel that there must be more to it than what he teaches. Remember it is natural to us, therefore, we don't have to look beyond what is natural to follow. We must keep in mind that most of what we do outside of what is natural is because we follow the made-man

(white people) and what they have provided as leadership. Their example as a guide (way of life) is what we have taken to be ours as well.

Knowledge of our True God, Allah, our true selves, our complete history and the origin, nature and plans of our open enemies for us, empower us to move to a state of independence and self-sufficiency. We can now abandon the ways of our former slave-masters and their ways of life. The day of scriptural fulfillment

is long past due. We've wished for it a long time, but we know that Allah works in His own God-time. We give praise to Allah, Master Fard Muhammad, for coming this day to bring about the destruction of the world of unrighteousness and to restore our world of righteousness (Islam) and, for raising the Honorable Elijah Muhammad, His Last and Greatest Messenger, to teach us of these truths. The truths to restore our Power, Light and Life is found at Muhammad's Temples of Islam.

Forever Free

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Much can be said and has been said about "forever free", including the familiar phrase, "forever is a long time." Considering our (so-called Negroes) four-hundred years of servitude in America, that time itself would qualify. Including slavery, suffering and untold deaths, certainly we are seemingly prime examples. Messenger Muhammad constantly reminds us that today we are made blind, deaf and dumb. However, Islam will give us a new life and

growth-and only Islam. Who can deny we have certainly earned it-but earning it can only come under the teachings and guidelines of the Honorable Elijah Muhammad.

For countless times, we (so-called Negroes) have mis-defined the idea of freedom and being free. However, being free means "not in bondage or to or under the control of another or others. "That should let us know that our 400 years stay in this wilderness has only rewarded us with slavery, suffering and death. All of our time, talent, and effort has gone toward the benefit of our open and sworn enemies (white people). We are taught by Messenger Muhammad that unity is the key to our survival and success. We, the Messenger's followers, are

not dreamers, but realists. The devil (white people) is the devil, regardless of place and time-and it is time we recognize that. We cannot beg or plead our way into freedom, justice and equality-we must earn it. Our promise is heaven while we live-right here on earth and right now. The devil is being removed and we must qualify to claim our own which is the earth on which we live-it's ours. Let us allow Messenger Elijah Muhammad to fulfill our destiny which is being put on top of the world as rulers of our own. Our future and our destiny are unlimited.

As-Salaam-Alaikum.

The Saying of The Messenger

If you are my followers then seek the way through me.

Opposers By Nature

The devils know the knowledge of the time. You must remember the devil never intended anything good for us-yesterday or today. It is not in their nature. The devil is the "devil" regardless of place or time. They are

evil and unrighteous and cannot produce good because they are without the nature of good. Islam is our own religion and that of the Holy Tribe of Shabazz, the world's Original People.

cont' from pg 1

The White Christians want you to stay Christian because they don't want you to accept Allah as your God, and by nature they are opposers of Him (Allah) and His religion (Islam).
