The Signs Of Islam

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad.

“way of life” (Islam) and its meaning (Peace) and we have a composite picture of the fulfillment of prophesy in this day and time. Surely prophesy does not lie. Messenger Muhammad teaches us that these signs (changes) must be made permanent. Their counterparts (intolerable conditions) must never be allowed to plague the people of the earth (original family) again. Evil, the devil’s permanently eliminated.

As-Salaam-Alaikum.

A sign is defined as “something regarded as an indication or evidence of what is happening or going to happen.” Add to these signs our

what has been taught in the way of religion now that Allah has come on the scene. Our understanding now deals in reality, and not in the mis-translation and mis-interpretations of scripture given to us by those instructed by our known to be open enemies. A teaching of “heaven on earth” represents a condition and a way of life that we as a people have not experienced since

As we study the teachings being given to us by Messenger Muhammad, we come into a new mindset. It is easier to understand

So the solution must be enforced.

The greatest signs of Islam are the so-called Negroes who have been transformed into a nation of respectful and recognized

we were brought to the Hells of North America. Even today, with all the supposed gains that have made (having not been without great struggle and sacrifice) we have not experienced any “heaven on earth.” The religion of Christianity has taught us that heaven is a place you go after you die, if you have been good while you lived. The Bible states, servant obey your master and love

The Black Stone

In The Name of Allah, Who Came in The Person of Master Fard Muhammad, and in the name of His Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Just how important or how significant is the **Black Stone**? What does it represent? The Bible speaks of it (the **Black Stone**) and represent Jesus as asking the question: *Have not you heard that that the stone that the builders rejected will become the corner stone or the foundation stone of the mew world?* (Bible-Mark: 12:10). Here, the **Black Stone** is referred to as a people whom the present world of the white civilization rejects as the standard of rulership and civilization. However, future greatness will be manifested from this stone.

by Bro. Kamau Islam

The present Arabs have built a main ritual (the Hajj) or Pilgrimage to Mecca, Arabia) around the **Black Stone**. They have even inserted this activity as one of their five Pillars of the Faith (Principle of Islam), insisting that each Muslim of the Orthodox world make at least one trip to perform this ritual in his or her lifetime.

The Western World White Masonic Order speaks of the compass and the square and the leadership tries to place themselves as the **corner stone**. However, in truth, they are the **Odd Fellows** and do not belong in neither, the family circle nor on the square.

On page 76, in "The Supreme Wisdom" Volume 2, Messenger Elijah Muhammad states in paragraph #1: "Remember Muhammad's finding of the Black Stone out of its places, and inviting the (four) Chiefs from four

divisions to come forward and take hold of each corner of the mantle and help lift it (the stone) into its proper place? That, my people, was a sign of you and I here today. Here it is plain that the so-called Negro or African-American is the main intend to keep us in a deaf, dumb and blind state of our people in America and throughout the world who embrace Christianity **reject** their own and only salvation (**Islam**).

A recent national effort has been made to honor a well-trained servant of white people (the late Dr. Martin L. King) for his work of pushing the great Trick of Civil Rights and integration on us. This, many of our people embrace while rejecting Allah God's Last and Greatest Messenger Muhammad, the Most Honorable Elijah Muhammad, the Divine Leader, Teacher and Guide for all us all. As-Salaam-Alaikum.

people under the divine program of the Honorable Elijah Muhammad. Islam means "peace" and its changes bring about a permanent condition which allows for a permanent solution—which must be enforced. The Messenger's life manifests the Will of Allah, though the rejecters understand him not.

Further signs prove that Islam leaves no one aimless. They are not left to figure out people, places, and things on their own. It has definite and specific universal rules, laws and guidelines to be

obeyed and it demands obedience of us.

Islam is surely the right religion in the right state. Additional proof is in the sure Signs— the Sun, Moon and the Star. These three elements (of Nature) are most essential for our well-being, and they represent a physical work of Freedom, Justice and Equality. Emblems are supposed to represent a good religion. Under the crescent, all enjoy the natural benefit which are for our existence, regardless of religious beliefs.

As-Salaam-Alaikum.

Islam In The Bible

by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The Messenger makes it clear that Islam is found in the Bible but is not made clear to the reader that lacks the proper understanding of it. He states that there are many scriptures that refer to Islam, but do not use the word "Islam". Many places that use the term "peace" is actually referring to the religion called "Islam". Numbers 6:26 (Bible) refers to the Lords approval and giving of Islam (peace). This is verified in the Holy Qur'an (Sura 5:3) which refers to the perfecting of, and giving to us, Islam as a religion (the religion of the right-

eous). Psalms 29:11 also refers to the giving to the people of the Lord a blessing of Islam (peace). Islam is also found in Psalms verse 85:8 which refers to the taking of Islam and turning away from a religion of folly, (Christianity— lies and deceit). References are also found in Isaiah 26:3-32:17. These scriptures and many more let us know that Islam is referenced in both books. The re-writers and teachers of the Bible dare not reveal these truths. It would enlighten and interfere with the work of keeping the masses in the dark as to the true interpretations of scripture. Its especially true for the so-called Negro. We are taught my Messenger Muhammad that Allah has come in person. This is the day of our awakening.

The Honorable Elijah Muhammad

teaches us from Allah that the Bible was given before the Holy Qur'an but, the Holy Qur'an verifies the truth and falsehood placed in the Bible. We are today being taught that we have been lost to many things doing the time of the devil's rein. We are now introduced to that hidden knowledge and being restored to the knowledge of Islam, our own religion (way of life). The coming of Allah's in the Person of Master Fard Muhammad is prophesy fulfilled. We can now rejoice in the light of truth. Islam is in the Bible. The Messenger teaches us, the Bible now must be re-interpreted so that we can now understand it properly and not be caught in the mis-interpretations that we have been duped into believing. As the Bible states, "the truth will set you free." As-Salaam-Alaikum.

your enemies. These are good teachings for to keep us in servitude. Messenger Muhammad teaches that Allah has made it clear as to what constitutes heaven on earth. It has nothing to do with an experience after one physically dies, but is experienced while you are still alive. Christianity talks about a place of milk and honey, where you never grow old, being heaven. These things are found in the physical world of the living. This is misleading. To experience the physical or material once you are physically dead is a little hard to accept. However, we are asked to believe such a teaching. This is because we are blocked from the real true of what

heaven on earth really means.

Allah, though His Messenger, make it clear as to what is really meant when speaking of "Heaven on Earth". This is a condition of life that is experienced while we are alive and not after we physically die. There is no life after a physical death. The heaven on earth that Islam brings is the experience of Freedom, Justice, Equality, Independence, peace of mind, money, good homes and friendships in all walks of life. These are the things that make up Heaven, not the make believe place, but a condition of life while we live. This condition can only be enjoyed while we live. Christianity offers these things to the physically

dead, yet no one has been back to inform any one of such a place or condition. We have for to long been accepting and believing a teaching that defies reality. We are sing songs of someday trading the "Cross" for a "Crown", yet we fear letting go of the religious teaching (Christianity) that keeps us in mental darkness. Today the light of truth is on the scene. Islam is our natural religion and it is the only religion that will save the Blackman and Blackwoman from the condition of hell on earth.

Take the time to get acquainted with that which belong to the original people of the planet. Islam is perfect under the guidance of Allah's Messenger, Elijah Muhammad.
