The aforementioned references are to tap into the vast value of the Black Woman as all scriptures from Allah (God) were written long before the made man and the made woman (the white race) were produced (con't pg 3)

Principles of Belief In Islam

As we study and practice the religion of Islam, we find that there are principles of belief (laws if you will) that one must adhere to. We find that these laws are the foundation of the religion and makes it different than other religions. Unlike the Christians, we as Muslims follow these principles in order to stay in accordance with the teachings of Allah through his Messenger. We are required to do the following:

1. Keep up prayer.
2. Spend of what Allah (God) has given him in the cause of Truth (Islam).
3. Speak the truth regardless of circumstances.
4. Keep himself (or herself) clean, internally and externally, at all times.
5. Love his brother (or sister) believer as himself (or herself).
6. Be kind and do good to

7. Kill no one that Allah has not ordered to be killed.
8. Set at liberty the captured believer.
9. Worship no God but Allah.
10. Fear no one but Allah.

The above are the teachings of the Prophets. Islam is and always has been the religion of all the Prophets and Messengers (con't pg 3)

Decorate Your Homes With Divine Elements *by Sis. Brenda Muhammad*

In The Name of Allah, Master Fard Muhammad and In The Name of His Last Messenger, The Honorable Elijah

Muhammad do I greet you, As-Salaam-Alaikum.

We as a people have been raised in the religion of Christianity; wherein we unknowingly have been led to display death and destruction in our ears, around our necks and in our homes. Usually when decorating it is for the purpose of beautification and enhancement. We have the "Cross" hanging on the walls of our homes and offices, from the living room to the

bathroom which is not the place of a supposedly, sacred icon. We follow up with pictures of Michelangelo's Jesus, The Last Supper, John Kennedy and Martin Luther King. Why are we still being led and encouraged to decorate our homes and selves with representations of death? The men mentioned all died violent deaths and Jesus was said to have been crucified on the cross. It is time we come out of confusion, chaos and being all crossed up.

The Messenger says, "My people should wear a "Muslim National" and decorate your homes with the flag of Freedom, Justice, Equality and Divine Elements." Hence we decorate our homes with pictures of Allah, Master Fard Muhammad and His Last Messenger, The Honorable

Elijah Muhammad. We also include our beautiful National (Flag), the Sun, Moon and Star. We enjoy the beauty of peaceful colors, fresh flowers and pleasant scents in our homes. All of these elements keep an atmosphere of peace, comfort and serenity, a condition of heaven. The Christians wear the "Cross", an emblem of slavery, suffering and death. We who are now Muslim followers of Allah and His Messenger wear our "National" in the form of FOI and MGT pins, rings and other jewelry. Islam is the Blackman's nature, it is his religion. Let us decorate with "Divine Elements" that represent that which is from our God (Allah) and are ours.

The Aim Of Islam In America

by Bro. John X

In The Name of Allah, Master Fard Muhammad, and His Last Messenger, The Honorable Elijah Muhammad, As-Salaam-Alaikum.

Thus saith The Honorable Elijah Muhammad, "I have been risen to raise my people here (the so-called Negroes) and to bring them into the knowledge of self and their God Allah (who is in Person among them) and the devils (their open enemies)." Islam is being offered to the so-called Negroes of America for the sole purpose of bringing them into the knowledge of Truth. Who (most of all, us)

would have ever imagined or even guessed that Islam would make such an impact upon a dead, despised and rejected people? Least of all, the dead. In America, too? Yes, Islam has definite aims in America, too. They are:

1. To teach our people (the so-called Negroes) the Truth. The Messenger teaches one of the first truths to be established is our identity-who we are versus who we are not. We shall know the truth and the truth shall set us free-at last.
2. To clean them up and make them self-respecting and to unite them on to their own kind. Yes, we can now know what white folks meant (and

- still mean) by "know your place." Add to that-your people, too!
3. To bring them face to face with their God and to teach them to know their enemies. We no longer have to worry about seeing God and not living. Likewise, we don't have to worry about dying just to see God-our God.

In short, Islam is offered to our people (the so-called Negroes) as a Remedy to their (our) ills, or as a Solution to their (our) problems. This is truly Divine. Nothing else will suffice. The Most Honorable Elijah Muhammad is diagnosing, prescribing and curing our ills and we forever thank Allah for him.

Power, Light and Life

dead (mentally deaf, dumb and blind) to the truth of all things; a truth many others fear, for it marks the time of judgment and the ending of a world as mentioned in the Bible, (Genesis 2:1).

The "light" is represented by the

guidance, knowledge, wisdom and understanding that is brought to us by Allah's Last Messenger, The Honorable Elijah Muhammad, for it is the manifestation of the power that Islam brings to us upon our acceptance of our own true religion and God. This is in accordance with our own nature. It is the means by which we then can take our rightful place as the new rulers (standard of measure) for the rest of the world. "He makes all things new". It is written that "the first will be last and the last will be

first" but we have not understood the true meaning until this day, thanks to Allah for the light of understanding provided to us by His Last Messenger.

In addition to power and light, Islam is the source of "life" for the Blackman the world over. As scripture speaks of life more abundantly, it can only be referring to a new way of life after the acceptance of Islam. We have not known a good life for a long time and we cannot expect to enjoy a good life under the leadership of our open enemies (white people) who are in fact, the people whose time has expired. Let us fly quickly to Allah and His Messenger, Elijah Muhammad where we can enjoy "power, light and life" more abundantly while we live.

There are many of our people who doubt that Islam is the true religion of the original people of our universe, "The Black People". It is without a doubt the religion of Allah (God) Himself, and if we believe that we are of God, then Islam is our religion; for we are from Allah. Some may not believe that Islam gives us "power", not imagined, but real. It is also the power that restores us to our own true selves. This restoration is really the resurrection of us who are referred to scripturally as

Muslims know and believe that Noah, Abraham, Moses and Jesus, and all the prophets of Allah also believed in the One God and taught this truth. Nowhere in any scripture can it be found that they represented anything other than

Sword and Christianity from Supreme Wisdom Book 2

According to the Bible (Mathew 10:34), Jesus didn't come for peace but to bring the sword (judgment). Neither did he come to unite but to separate (Mathew 10:35). It stands true today that Christianity, as we see it in practice in America, certainly does not unite but

each other. According to the history of it, Christianity has caused more bloodshed than any combination of religions; it's sword is never sheathed (the professors of it are always at war). If Jesus was a peacemaker, then the Christians are not his followers. The Bible states, (Acts 10:36) "He came preaching
