## Devils Fool and Disgrace You

by Bro. John X

In The Name of Allah, Master Fard Muhammad and His Last and Greatest Messenger, The Honorable Elijah Muhammad. As-Salaam-Alaikum.

Messenger Muhammad reminds us that the time has arrived, and we must know the truth of this race (white people), ourselves and our Nation. We must be reunited to

our own Nation. The time is ripe for our return. We must never again be slaves to any other Nation. Allah will make us the head and not the tail. The Messenger teaches us that they were made to rule us for 6,000 years, and then Allah (God) will destroy them from the face of the earth and give the earth back to its original owners - the Black Nation. The Honorable Elijah Muhammad states, "Do not take lightly what I am

teaching and writing. It is the truth from your God and you shall soon bear me witness that it is the truth. Allah has said to me that we are living in the end of the world of white rulership. (cont' pg 3)

## Truths To Set You Free

by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, The Honorable Elijah Muhammad, As-Salaam-Alaikum.

"Truth will set you free!" How many times have we heard that said? But, what truth is being spoken of? And how can

truth bring about freedom? The statement is valid and the questions are relative. To understand the statement as well as answers to the questions we must turn to the teachings of The Messenger of Allah. The Honorable Elijah Muhammad teaches us that we are now living in the time that all truths will be made known. We are today being enlight-

ened to truths that have been kept hidden for six thousands years - ever since the making of the so-called white race - (Gen. 1:26). Today, we are taught of the making of this race of devils. This information we had not known as well as the history of our own selves being the original people on the planet. These truths (cont' pg 2)

## The Day of America's Downfall

In The Name of Allah, Who Came in the Person of Master Fard Muhammad, to Whom Praise is forever due, and in the name of His Last and Greatest Messenger, the Most Honorable Elijah Muhammad,  
As-Salaam-Alaikum.

The Most Honorable Elijah Muhammad is forever teaching us, the Blackman and Woman here in the Western Hemisphere, that America/Babylon is falling! Almighty Allah has and is making this truth known. White Americans and their brothers, the Germans, are the most wicked of the white race, so teaches Messenger Elijah Muhammad. The tricknology of White America, has made the Blackman and Woman love their open enemies and murderers. Thus, Allah promises America's fall and total destruction. Our God, Allah, hates the devils of America so much that He threatens to remove them

from the face of our earth.

In the year 1965 and 1966 during the time of The Vietnam War, America was at the peak of losing her power and this was a sign of Allah bringing in the "Fall of America." Scriptures of the Bible prophesy in regards to America, "As the morning spreads abroad upon the mountains a great and strong people set in battle array" (Joel 2:2). This bears witness that Allah intends to separate two kinds of people in this final war (The War of Armageddon). This is a battle between righteousness (Islam), and unrighteousness (Christianity). "The meek shall inherit the earth", refers to the Blackman and Woman. We are the meek, sheep-like, very submissive people, whom Allah promises to separate from the goats - the devil white, mischief making evil people. Separation is the problem of black people in America and also an unwillingness to separate from this 400 year old enemy. Master Fard Muhammad, to Whom Praise is forever due, has come

to redeem us through The Honorable Elijah Muhammad. One may refer to Bible: Deut. 18:15,18 and Mat. 25:32.

Allah, His Messenger and we their followers "want out completely" from any kinship of the white race, as well as a complete separation from trying to live with them in peace. There is no peace in them! To our people: come out of white America and seek refuge in our God, Allah, as taught by Messenger Elijah Muhammad. Reference on this topic is found in "Message To The Blackman In America", pages 269-273.

Thank you,  
As-Salaam-Alaikum.

alone are most important. God being a man in reality has caused an awakening in the minds of the Blackman in America that sparked a new thought that now brings about a universal change. A teaching that comes at a time in accordance with scriptural references explains all questions regarding religious teachings. It opens the door to truth, especially when it is provable. The Messenger teaches us that these hidden truths would not be made known until the fulfillment of scripture was at hand. Allah (God) Himself would be the One to reveal these truths that have been kept from the world. We now read and un-

derstand the revelation of these teachings. We also equate truth and freedom. It is the proper understanding of that which has been made clear and provable. Additionally, once the truth has been revealed, one cannot make it go away. Therefore, our choice is to accept it or reject it. Rejecting this truth does not change it or make it any less true. Allah's (God's), coming in The Person of Master Fard Muhammad is to open the eyes of the world to the time in which we are living. This is the Day of Resurrection, Separation and Judgment. Those who choose to study, follow and accept these teachings from Allah to

His Messenger (the first begotten of the dead) can rejoice in these truths. They do "set you free." This freedom is what the Blackman has prayed for ever since he landed in this hell called America. Today we are put in a position that causes us to prepare to govern a world of righteousness. For those who accept the truth, the world will be heaven while you live and for those who choose to reject it, we are made aware of your place in our glorious future as well. This is our day. Enjoy these truths that sets us free. Fly to Allah, Master Fard Muhammad and His Messenger, The Honorable Elijah Muhammad.

## *The Mother Plane, Real or Imagined?* by Bro. Kamau Islam

In The Most Holy Name of Allah, Who Came in the Person of Master Fard Muhammad, to Whom all Holy Praises are due forever, and in the name of His Last and Greatest Messenger, the Most Honorable Elijah Muhammad, As-Salaam-Alaikum.

We have been given references from Bible, Holy Qur'an, and Messenger Elijah Muhammad regarding this subject. Now it is fitting to ask this question: Is there anything talked about or reported in the news, or in the field of science, that bears witness to the aforementioned references?

The people of this civilization run specials on television, on science and history channels and also on regular news channels to briefly

alert the public to the evidence of the existence of *unidentified* craft. The conclusions usually passed on to the public surrounding what they deem as strange phenomena is, "Who knows?"

This year (2008) several cable news/talk shows have entertained reports on the citing of such *unidentified* craft and/or planes from the craft. In December (2007) such an occurrence was reported near Stephenville, Texas (near Crawford, Texas - home of the Bush family ranch). One observer described the flying craft that he viewed as being nearly the size of a Wal-Mart Super Center store. Another observer stated that she saw two super jets trying to track its motion. However, the speed of those two jets were no match for the craft as it sped off

in the distance.

Messenger Elijah Muhammad explains that Ezekiel's vision of a Great Wheel in the sky is a reality today. In his great book titled "Message To The Blackman In America", (page 290) he states: "...*The Great Wheel which many of us see in the sky today is not so much a wheel as one may think in such terms, but rather a plane made like a wheel. The like of this wheel-like plane was never seen before. You cannot build one like it and get the same results. Your brains are limited. If you would make one to look like it, you could not get it up off the earth into outer space...*"

As-Salaam-Alaikum.

***"We cannot change ourselves unless we change our way of thinking. It is actually thought that changes us."***

## *Devils Fool And Disgrace You*

*cont' from pg 1*

Allah has made manifest to us that they are the real devils."

After all of this plain truth, why then, are we letting the devils fool and disgrace us? Our God, Allah, will be happy and rejoice in feeding, clothing and sheltering us if we believe. The Bible teaches us that He fed and sheltered Israel in the desert, (Exodus16:12-15). Fear not, Allah is with us. Allah's enemies of the righteous are leading us only to evil and indecency, as the Holy Qur'an teaches us.

Almighty Allah (God) and the

Nation of Islam elsewhere (Asia, Africa, and the Islands) are grieved and hurt to the heart to see us walking continuously into the trap our enemies (the devils) have and still are setting for us. They make fools of us and then laugh at us for being dumb enough for them to trick. Such dumbness results from not knowing them (white people) to be devils. However, we are now being taught righteously and correctly, and there is no excuse for us (so-called Negroes) taking them for friends instead of Allah.

There is an old Arabian proverb which says - A fool may be known by six things: anger, without cause; speech, without profit; change, without progress; inquiry, without object; putting trust in a stranger, and mistaking foes for friends.

As long as the devil is on our planet we will continue to suffer injustice and unrest - and naturally, no peace. Allah offers us a kingdom of righteousness and a new world based on principles of truth and justice while we live.

As-Salaam-Alaikum.
