The Aim of Islam in America

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, The Honorable Elijah Muhammad. As-Salaam-Alaikum.

This, of course, calls for some clarification. Islam is a religion that has been growing rapidly in America. A greater number of black people are now being exposed to this great religion. As we study and follow this religion under the guidance of The Honorable Elijah Muhammad, who is the Messenger of Allah, we who accept these teachings come to find that Islam is more than a theological teaching but is, in fact, a way of life. We find that in order

to live this new life, which is the natural religion of the Blackman on the planet, we must be, as scripture states, "born again." This means that we must be brought into the truth of the (cont' pg 3)

The aim of Islam in America, so teaches The Honorable Elijah Muhammad, is to provide us, the so-called Negroes, with a remedy to our ills. He also refers to it as a solution to our problems.

books, "The Fall of America", beginning on page 101, Messenger Elijah Muhammad enlightens the reader with the subject: "The Dissatisfied". One might want to learn just who are the dissatisfied and why are they in such a condition. The Messenger opens this subject by stating, "We are living in the time when dissatisfaction is 100 per-

cent throughout the world of man and mankind."

Messenger Elijah Muhammad informs us that the world of man (the righteous) is upset due to dissatisfaction. He teaches us the world of man includes the Blackman and his family of Brown, Yellow and Red people; however, the world of (cont' pg 2)

Invitation To Black Preachers *by Bro. John X*

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable

Elijah Muhammad.
As-Salaam-Alaikum.

Most invitations are representations of a coming event, usually a social one, especially a formal or social event. When Messenger Muhammad sends an invitation (formal or informal) to anyone, there should be no hesitation (mental or physical) with regards to its importance - in this case, black preachers! If, in fact, preachers are supposed to deliver moral guidance and right judgment, why does Messenger Muhammad state that "they can't speak nor agree with truth even if they wanted to."? The Holy

Qur'an refers to the preachers and their followers as, "people of the book (Bible)" who "confound the truth". The results are "converts of Satan." These converts change in form, character or function, beliefs and opinions-all in order to make structural alterations to serve a new purpose-their master.

The religion of Christianity was organized and backed by the devil (Whiteman) for the purpose of making slaves of black mankind. The Messenger says our first steps are to give the Whiteman back his religion (Christianity), his church and his names. These three are chains of slavery that hold us in bondage to them (white people). We are free only when we give up these three.

Is there any wonder why the Messenger states in his invitation

to preachers of Christianity, "Come to me, my brother preachers, and believe in Allah, the true God, and His true religion, Islam, and free yourselves from such chained slavery."? I've added, R.S.V.P.

As-Salaam-Alaikum.

Sayings of The Messenger

He (Allah) has place a fountain in the House of Israel; drink.

The Dissatisfied

mankind consists of the Adamic or White race.

Other words that spell out what can result from being dissatisfied include: displeased, discontented, ungratified, querulous, disgruntled, malcontent, offended, unsatisfied and fed up. Thus, the Most Honorable Elijah Muhammad skillfully makes a distinction between the Original (the Black Man) and the Non-Original (the white race) so that we may wisely learn which words apply to which

category of people we reference when we speak of *the dissatisfied*.

Messenger Elijah Muhammad informs us that the righteous are dissatisfied because they want to be left to themselves so they can live in *heaven* (a condition of life while they live); however, the wicked are dissatisfied because they cannot get the righteous to follow along with them into their *hell* (also a condition of life). Therefore, on a basis of twenty-four hours a day, 365 and 1/4 days a year, the white man is trying

cont' from pg 1

to tempt the Blackman all over the earth to follow him in evil and filth.

Even today the devil (the white man) has established a network of non-stop sex talk over the radio, television, the internet, cinema, telephones and any other medium he can use to drag Black people into his filth and indecency in order to take them straight to hell with him.

Proper Foods, Spiritually and Physically by Sis. Brenda Muhammad

In The Name of Allah, Master Fard Muhammad and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Eat to live and not to die. Stop eating two to five times a day so that you may prolong your life. The way our people eat and drink wrong foods and drinks (swine, beer, wine and whiskey), they are fascinated when they meet people 70 to 100 years of age who have refrained from such activities and who are still in good health. Drugs are added as supplements to the diet to add nutritional value. These supplements cannot enhance life if you're still eating and drinking wrong. Before the making of the devil (Whiteman) the Blackman lived almost a thousand years. He ate the

right foods at the right time. Now, the foods and water are contaminated with chemicals, but said to be clean. One year, in Phoenix, Arizona, the Devils fired shots into the home of the Messenger while he was away. One Devil stated, "don't shot him, we'll get him in his water." This brings us to the chlorine in the water. The Muhammad Speaks Newspaper printed in the early 1970's an article stating the ill effects of long-term drinking of this chlorinated type water on the body. Alcoholic drinks are definitely not good and we tend to overdo it which effects us mentally as well as physically. This is why The Messenger says, "No drinking alcoholic beverages". You don't know when to stop. Consuming too much too frequently is detrimental to your health.

The millions of hog products on the market are not meant for human consumption, but were originally de-

signed for medicinal purposes, so teaches the Honorable Elijah Muhammad. For your own good health and following the law of Allah (God), do not eat that filthy, poison animal. When we break the Laws of Nature, we are doing harm to ourselves. Keep the mind and body clean. Do good to self and others and keep away from the divinely prohibited pig. Eat natural foods prepared with natural salt and pepper. Heavy seasoned and hot spices, processed and ready-to-eat prepared foods are not good for us. During the earlier days, mothers regularly prepared fresh meals with fresh foods and we were healthier. Today it is fast foods regularly and they contribute to heart attacks, strokes and poor health. Eat the best of foods. What we eat keeps us here and what we eat takes us away. As-Salaam-Alaikum.

The Aim of Islam in America

time according to prophesy and to be made anew, mentally as well as physically and spiritually. This is done by first teaching us the truth of ourselves, replacing our slave mentality with that of our own God's knowledge. Islam's aim physically is to clean us up. The prospect of us being cleaned up is a great thing. Surely it requires one with supreme knowledge to bring about such a change in us, the lost-found so-called Negroes. To make us a self-respecting people means that we will also have a true and new knowledge of self and can again began to love self and kind. This we have not done for a long, long time. It means that we will be re-

uniting with each other as family and joining on to our people throughout the world.

But, Islam affords us more than that which has been mentioned. The teachings of Islam under the guidance of The Honorable Elijah Muhammad not only enlighten us to the knowledge of self but give us a clear and concise knowledge of a man (kind of man) who is not at all like us by nature. This man is known as or called the Whiteman. He is made from us and is now known to be an open enemy to us. His true identity has been a secret that he has kept from us, and this secret could not nor would not be revealed to the world until the coming of God in Person Who

cont' from pg 1

would reveal this truth. The fact that the true identity of the white race has been revealed today is also evidence that "The Day of The Lord" has come. We are today being brought face to face with Almighty God, Allah, in Person. He is none other than Master Fard Muhammad, not a spook nor a spirit, but a Supreme Man in Reality. All Praises are due to Allah for coming this day to make all things new and raising in our midst His Last and Greatest Messenger, The Honorable Elijah Muhammad, who is missioned to turn the hearts of the children back to their Father, Allah, in Person.

As-Salaam-Alaikum.
