Today, there is still an urgent need for help. Our (Black) people have been dipped, immersed, dyed, saturated, marinated and in many other ways soaked in the degenerate civilization of the devil (the white race). This process has been ongoing for over

How often have we heard the expression, "No means no!"? It still holds weight today. Added to definitive "No" is integration (the intermingling of people or groups previously segregated). Messenger Muhammad teaches, "the poor slaves think they are entering a condition of heaven with their former slaveholders, but it will prove to be their

doom." Today, according to God's word, we are living in a time of great separation between blacks and the whites. Messenger Muhammad asks the questions, "What are we going to integrate for? What do we want to marry white women for, when we are black men?" That is going to ruin our family. What does she want a white man for? Or, what does a black man want a white women for? This is ignorant on both parts to want to intermarry with each other. The very desire there is ignorant and evil. It's against divine law for either side to integrate in such a way.

"God made all of us as we are. We

have black nations, brown nations, red, yellow and white. We have all these five major colors in races or nations. Why should they not remain like that? Why should they be thrown in like bones or birds into a pot to make soup?"

The divine power is working and will continue to work in favor of the so-called Negroes' return to their own. The separation would be a blessing for both sides-not a curse as the ignorant may think.

to get this work accomplished. Still, today, our people are hooked up to the white devils in all of the foolishness and folly they offer. This attachment goes on almost non-stop twenty-four hours a day, seven days a week (24/7) and three hundred sixty-five days a year (365.25).

As we move through the year 2012, we find that the devil still has so many of our people trapped in his communication gadgets, yet we fail to properly communicate with one another to make progress for self and kind. We have moved from chattel slavery (slavery in chains) to become *trapped* in cyberspace on the *internet* or

the *world wide web*.

The Honorable Elijah Muhammad further states: "The whole earth will be given to you to rule forever. So help yourselves to escape out of America. She is falling, falling!" All interested Black people of our kind are invited to attend a Muhammad's Temple of Islam under his guidance; he again urges us: "**HELP ME TO HELP YOU TO HELP YOURSELF.**" As-Salaam-Alaikum.

The Evil Seeds

In The Name of Allah, Master Fard Muhammad, to Whom All Praise is due, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad.

As-Salaam-Alaikum.

The mixing of bloods between the Original Man (Black Nation) and the grafted race (white people) causes an imbalance. The Messenger states that the characteristic of the devil (white people) is that he sows his evil seeds among such people who believe in him and not in Allah, and then shrinks back as though

he has done nothing. After implanting his evil seeds he then delights in watching the growth of his evil seeds.

The implantation is not only the mixing of bloods, but also the implanting of his unrighteous ways and mindset which causes our people to desire to be like him. The evil seed has been an enemy to the black man for 6,000 years. All along he's pretending to be a friend by allowing and promoting intermarriage between us and himself. All the while he tricks us into believing that we are all the same in the eyes of God.

The Messenger states that the

devil is well pleased to see the fruits of his labor come to pass. However, the truth of him and his kind now is being revealed to our people. This truth will put a complete stop to his mischief-making and we will no longer be fooled by him and his influences.

Remember the Bible's teaching of this race of devils and this day (II Thessalonians 2:3-12 and in Revelations 12:9 and 20:10). This is the Day of Judgment and the fulfillment of scripture. Fly to Allah, Master Fard Muhammad, and His Last Messenger, the Honorable Elijah Muhammad for protection against the evil seed.

Poison Foods

same purpose. After being raised to a level that was acceptable, they would then be permitted to come back among the civilized world to do commerce and trade. Today we find that America has been blessed with an abundance of meats that can be consumed, such as cattle, sheep, lamb, chicken and fish of all kinds. Yet she, America, eats this filthy animal (the hog) and promotes its being consumed among her once slave as well. They preach that this abomination has been blessed by God and made fit to eat even though this animal was never blessed nor intended to be eaten. It is forbid-

den as food in scripture (Deut. 14:8 and Lev. 11:7) Eating this foul animal even causes the eater to develop the characteristics of that foul animal. As Muslims, the hog is one of the most mentioned poison so-called foods talked about; however, there are a number of other foods that are not to be eaten by us. Many fail to consider that every creature on the planet has a food that is made to sustain its life. All meats and vegetation are not designed as foods for us. Learn to maintain the best of health. We should study the books by the Honorable Elijah Muhammad titled "How To Eat To Live (Volumes 1 & 2) To

gain a insight, reference foods that are good for us and many that are not. Additionally, we will learn how the proper foods can prolong life as well as those that will shorten it. The teachings of this world recommend eating three times a day. The eating of poison foods have put our people against the practice of eating to live. It has made us a readily available source for medical experimentation. Those who continue to follow the eating practices of this world will never over come the medical conditions that we suffer. Eat to live and not to die.

As-Salaam-Alaikum.
