Truth and Our Mistakes by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad and in the name of His Last Messenger, the Honorable Elijah Muhammad.

As-Salaam-Alaikum.

We are without a doubt living in the days that scriptures refers to as "the end of days." We bear witness that Allah (God) has made Himself known to us in The Person of Master Fard Muhammad. All evidence verifies this truth.

The message that His Appointed brings is one that no former Messenger or prophet has been able to deliver - the time had not come. They have only made reference to the events that we are now experiencing. If what we are witnessing is indeed the fulfillment of scripture, then we, claiming to be so scripturally enlightened, should have run quickly away from the religion Christianity which was given to us by our former slave masters. We are informed that the Blackman

(the meek) will inherit the earth. This means that only the Righteous (black people by nature) will continue to remain on the earth and their open enemies (the entire white race) will be removed root and branch, according to *(cont' on page 2)*

Consider The Time

In The Name of Allah, Master Fard Muhammad an in the name of His Last Messenger, the Honorable Elijah Muhammad.

As-Salaam-Alaikum.

In the Christian churches, the so-called Negroes often sing a

song whose words echo, "We've got the victory". Thinking carefully, reflecting on, and contemplating "victory" requires a thorough knowledge of the times in which one lives and the reason(s) for a victory. Most assuredly our people (so-called Negroes) have scant ideas of what is required of them to achieve this "victory".

by Bro. John

In addition, this time, so teaches Messenger Muhammad Elijah Muhammad, is referring to the present world as Allah has revealed - a period of six-thousand years.

The time given to the white race (Yakub's grafted people) to rule the world is between the 9th and 15,000th *(cont' on pg 3)*

We're Sacred in the Eyes of Allah *by Sis. Faye X*

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad.

As-Salaam-Alaikum.

“Allah’s (God) finding of the lost members of the Black Nation is more valuable in His eyes than the whole world of mankind, and even they are very valuable in the eyes of any Asiatic Muslim.” (“Message To The Blackman in America”, pg. 72).

We (the so-called Negroes) were taken from our homeland by the Devil (white people), stripped of our religion, names, language, culture and identity. We were left as empty vessels, only to be filled with every unrighteous thought and deed imaginable. We were made other than ourselves; our peaceful way of life gone. Now comes Allah (God) in the Person

of Master Fard Muhammad. He searched for us to bring us back into the knowledge that we lost. He poured His essence into the Honorable Elijah Muhammad, our Divine Leader, Teacher and Guide who is bringing about change in our condition here in the Hells of North America. He returns the mind of the Black Man and Woman to the belief of bring the Maker, Owner, Cream of the planet Earth, and God of the Universe. We rise up and fear the Devil no more. Allah has chosen us over present - day nations. How wonderful it is to know that the Creator of the Universe favors us! He teaches us of Himself, our history and where we're headed. We are very close to Allah's heart for we are His sacred vessels.

After the making of the Devil (white people), we were taken out of the Light and put into Darkness (mentally and spiritually). The Honorable Elijah Muhammad helps us to

separate lies from truth, to know our enemy and how to deal with them. We are taught that we are unlike any other people on the earth. We are the original people, dedicated to the service of Allah. He gives us Divine knowledge, protection and forgiveness. He defends us against our open enemies and takes pleasure in doing so. The link that we have with Allah will never break when we submit our will to His. We only need to awaken. If we do not submit willingly, refusing to listen to truth, then Allah will chastise us into submission. Islam is our salvation and we should not procrastinate. We are far removed from our original selves and time is of the essence because we are living in the Days of Judgment. Allah will fortify us into the sacred vessels we're meant to be, submissive to Him only - the One, the Adored.

As-Salaam-Alaikum.

Truth and Our Mistakes

scripture. Many of our people choose not to view or believe that we are found in scripture and do not see the evidence of this day as being the time of the fulfillment of scripture. Our mistake is that we have been sold on the guidance and teachings coming from our enemies (again, white people) about a false religion that is a teaching which keeps us deaf, dumb and blind to reality. Christianity teaches us to submit to ill - treatment and abuse, to love our enemies, and to accept untold atrocities without retaliation. This has put us in a pitiful condition in which we love our enemy more than we love ourselves. Where

he goes, we want to be with him, and we wish him to be with us wherever we go. Our ignorance makes us fools. We have been, as they say, “free”, yet we cling to him and his ways. We refuse to go for self no matter how much abuse he inflicts upon us. Truth is before us today. Are we so in love with our enemies' ways and dictates, that even Allah in The Person of Master Fard Muhammad's coming and raising a Divine Messenger outweighs our longing, hopes and cries for deliverance? Messenger Muhammad presents a clear understanding of the time, and perfect knowledge of our enemies (white people). Let us accept

cont' from pg 1

the truths that he brings. Let us not continue the ways of our fore-parents here in America, loving and following our open enemies. Let us not continue after knowledge, making the same mistakes. As-Salaam-Alaikum.

Grieve Not Today

by Bro. Kamau Islam

In The Name of Allah, Master Fard Muhammad and in the name of His Messenger, the Honorable Elijah Muhammad.

As-Salaam-Alaikum.

Black people living in America today, who are descendants of those who were kidnapped from what is called Africa, still suffer from much stress. Life each day can be very upsetting, troublesome, disturbing, tragic, dismal, pathetic, sad and downright outrageous. The white slave masters of Europe and America invited our ancestors into this abyss of confusion, chaos and mayhem over 400 years ago and the current American government still insists that present generations of our people remain in

these conditions-and be satisfied!

The religion (Christianity) or way of life that enforced and still constantly reinforces this predicament was hidden from and denied our forefathers for over three centuries. We were officially inducted into the Christian religion just a little over 100 years ago (after chattel slavery) and we were given a newly created leader to preside over us and guide us further into the aforementioned madness. This character who was created (made and manufactured) in America is known as the **Black preacher**.

Today, the **Black preacher** presides over hundreds, thousands, and even millions of our people in places of worship known as churches. He constantly preaches to our people that they should be satisfied under this system of slavery, suffering and death - with hopes of achieving a better life in a

“Heaven” after we physically die. Yet, the creator of the Black Preacher enjoys his life while he yet lives.

Allah (God), Master Fard Muhammad, has given us a new type of preacher - the preacher of **freedom, justice and equality**. This is none other than the Honorable Elijah Muhammad. He teaches us in this manner: **“YOU SHALL NOT GRIEVE TODAY.”**

He states further in his book titled **The Supreme Wisdom**, (Volume Two) on page 17: “Why should you doubt Islam when you know and have every proof that it is the Truth? Can you not put aside the fear that Christianity has put in your hearts? Accept Islam my people, and by the Will of Allah, you’ll be afraid no more, nor shall you grieve today.”

As-Salaam-Alaikum.

The Sayings of The Messenger

We will declare truth and die for it.

Consider the Time

year of our cycle of 25,000 years which is 6,000 years (Do the math!) However, their time expired in 1914. A few years of grace have been given to complete the resurrection of the Black man, and especially the so-called Negroes whom Allah has chosen for the change (a new nation and a new world). Now that’s what I call victory! However, the so-called Negroes have been made so completely mentally dead by the enemy (white people) that the extra time is allowed.

The Honorable Elijah Muhammad states, “The time now has arrived for plain truth, wherein

cont’ from pg 1

you shudder and call the truth a lie and call falsehood the truth.” Sadly, in the blindness, deafness, and dumbness, it is the nearness (friendship) of the white race that the majority of the so-called Negroes (preachers included) seek. They seek not the friendship of Almighty God, Allah-woe be unto them!

Consider this! Just when should we expect truth to be the answer? Only after the removal of falsehood all white people and all so-called Negroes who love and believe in them!

As-Salaam-Alaikum.
