religion (Islam). Just when we thought education was expensive, along came ignorance or was it there all the time? Contributing factors to ignorance are blindness, deafness, and bringing up the rear-dumbness.

How sad it is to be called a "so-called Negro", and in addition to being called ignorant. The Messenger teaches-the vast majority of our people here in America are completely ignorant to the knowledge of self and Allah (our God) and His

In The Name of Allah, Who Came in The Person of Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Muhammad has informed us that Allah vowed that He (Allah) would fulfill the promise made to Abraham in reference to his seed, according to the Bible (Gen. 15:13,14). This refers to the Blackman in America today. We do not find wherein Israel had ever sought Jehovah through prayer or from any scripture, nor

did they know of any prophet before Moses. They only knew God by the name, "Almighty God" and did not know the name Jehovah (Exodus 6:3). Today Allah (God) has come and has introduced Himself. He has raised one from us to be His Messenger and has informed us that it's now time to "Be (cont' on pg 3)

The Honorable Elijah

You Can Have It

by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

We listen to what the Honorable Elijah Muhammad, the Messenger of Allah, teaches. He has informed us that Allah has come to deliver to us freedom, justice, equality and independence. We have longed for these things but have had no such thing in reality. We now can have it. However, there are some things that we must do in order to be rewarded with these long sort after blessings. I use the term "blessings" because these things that we have prayed, marched, voted and hoped for, have been elusive with every attempt. The Messenger of Allah gives us the means to obtain these elusive, long awaited blessings if we would just ac-

cept the truth that he is giving to us. He states that we must give back to our former slave masters that which has kept us in the condition of being mentally dead. This is, of course, his name, and most importantly, his religion-Christianity. The Messenger also teaches that we must return to our own God, Allah, Who came in the Person of Master Fard Muhammad.

Messenger Muhammad is well-aware that we have loved this slave-master, and at the same time feared him and would be slow to rebuke him or his enslaving religion. He states that we must believe that Allah is backing us and is here to free us from their chains of mental enslavement. The Messenger states that we should tell the white people that they can have it (Christianity) for themselves. He continues, "Islam will get you immediate universal respect and justice, which the so-called Negroes haven't had or known for

four hundred years".

Let us stop waiting for white people to give us that which we can get for ourselves. Let us stop begging them for that which is his and get our own. We have qualified people amongst us who can aid in the building of a civilized society. We who can organize, construct, and govern in a righteous way according to the Messenger's teachings and program of Allah, Master Fard Muhammad. The time is now, for we can no longer depend on others to do for us. We can no longer wait for others to give us the o-k to go for self. This is the end of the world of white people, their time is up. The Messenger teaches us that the world of black people are waiting on us. Allah has come to us, the "Lost Sheep in the House of Israel", and has chosen one from amongst us to raise the "Dry Bones" in the valley. Join on to your own.

As-Salaam-Alaikum.

The Root of Ignorance

self-knowledge is considered a victim of amnesia or unconsciousness and is not very competent. Therefore, the devil's educational system "packages" benefits that go toward "other than self". Surprised? Our ignorance is their (white people) primary weapon of containment. Therein lies the root of our ignorance.

Sadly, many of our people (so-called Negroes) do not see the necessity of a new world order, since the old one has fulfilled its purpose. Still, our present-day enemy (white people) is alert, wide-awake and ever on the job to prevent the so-

called Negroes from believing in Allah and in the True Religion of Allah and His Prophets— the religion of Islam. The enemy is well-aware that Allah is the Rock of our Defense and Islam is the House of our Salvation. The question must be asked-How clear are Black People's mind as to the reality of the times we are living in? However clear or unclear, The Honorable Elijah Muhammad gives us clear comparisons in the midst of distortions, misinformation, and above all-the root of ignorance.

As-Salaam-Alaikum.

Even Our Spiritual Leaders Are Blind *by Bro. Kamau Islam*

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad.

As-Salaam-Alaikum.

According to the Whiteman's English dictionary, the word "spiritual" is an adjective that describes or identifies a person's elevated level of development. This could or should have special significance as it pertains to people who profess to be leaders. However, Messenger Elijah Muhammad states the fact, (given our condition and situation in the Hells of North America), "**even our spiritual Leaders' are blind**".

The Messenger teaches that our poor Black people in America fear

their white oppressors (devils) more than they fear God. They actually seek one white devil to punish another white devil. When it comes to elevating and advancing us as a people, our *spiritual leaders* fall short of the goal.

Over four-hundred years of being submerged in a white Christian society that has furnished us constant slavery, suffering and death our people are almost totally senseless, and definitely leaderless.

The Black preacher professes to be the utmost spiritual leader for our people here in America. He or she disgraces us more than the average person among us. They invite us to pray, not to God. However, they insist we pray to a dead man and prophet (Jesus). Messenger Elijah

Muhammad further teaches us these same Black preachers eventually lead our people to pray to an unknown God that they imagine is living in the skies.

The Honorable Elijah Muhammad addresses this tragic dilemma in his book titled "The Supreme Wisdom", Volume Two, beginning on page 81. These blind spiritual leaders continue in error-opposing their own salvation and the salvation of their own people. Messenger Muhammad hopes that Allah (God) might help him to open our poor people's eyes before these blind spiritual "leaders" (preachers and others) take our people to destruction along with them.

As-Salaam-Alaikum.

Yourself". This will put us in the position to have the good life. But, we must first know self. Our lessons ask the question, What is our own self? Answer: A Righteous Muslim. We are born of the tribe of Shabazz, members of the original people of the earth who have no birth record. He (Allah) calls on us to submit to His Will that we may be put in heaven at once. He has made it clear through His Messenger, the Honorable Elijah Muhammad, what constitutes "Heaven on Earth".

Freedom, justice, equality, independence, money, good homes and friendships in all walks of life. Equally important, being in our own natural religion-Islam. This also means being out of the Whiteman's names and out of his damnable religion-Christianity.

Allah is very happy to have found us, the Lost Sheep, in the House of Israel and will make us a new people. He is causing us to grow, with His knowledge, into a new growth as we submit to Him. As we grow into this new growth, we will be as

we were at the age of 16. This is due to reversal of our old bodies being restored as we grow in this new growth. This new life will have unlimited progress. Stop believing in and following white people; they are our open enemies and enemies of our God (Allah). Don't fear leaving them. Fear only Allah - He is our Maker and Protector.

As-Salaam-Alaikum.
