## What Do The Muslims Want?

by Bro. Kamau Islam

In the Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The answer to this question (found in the subject's heading) has appeared in Nation of Islam literature since the beginning of Messenger Elijah Muhammad's mission - back in the 30's. One can often find this very

answer on the back of **Muhammad Speaks Newspaper** and other Muslim periodicals including audio and video tapes. The book titled **Message to The Blackman In America** answers this question, beginning on page 131.

The Honorable Elijah Muhammad has been chosen (by Allah - God) as Divine, Leader, and Guide for us all. Thus, when he presents to us and to others (Devils in-

## Separation! Independence!

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Wise people do what is necessary for positive growth and development of their people and their nation - free of the domination and influence of others.

This is known as independence - something the so-called Negroes have neither experienced nor enjoyed for over four-hundred years. Messenger Muhammad teaches us that it (now) is the right time that we seek separation and independence for our nation from the evils of our open enemies, and not the foolish things other organizations are doing. They want

our people integrated into our open enemies to be destroyed as a people. This is definitely not a wise thing to do, but a foolish and destructive thing for the once slave and his master to do.

The Messenger teaches us that there is no such thing as living in peace with white Americans. You and I have tried without success. Do we love our- (cont' pg.3)

## *We Seek Truth and Justice by Bro. Hakeem Muhammad*

In the Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad.

As-Salaam-Alaikum.

We seek truth and we seek justice, but how can we go about finding and obtaining either? A Divine Leader, Teacher, and Guide, who is the Last Messenger of Allah, has the answers. Not only to these questions, he is given the answers and solutions to all of the questions, problems and situations that keep truth and justice out of our reach. Presently we are given the opportunity to receive truth, justice, and more. However, it will require us to commit to the rules, laws and guidelines that Allah places upon us. Today we are presented with truths that have been long hidden and/or kept from us. We are living in the Day of Resurrection where all truths are made known. These truths also

open the door of justice which will no longer be illusive. No longer can the world of Satan (white people) keep our eyes (minds) closed to the falsehoods, injustices and evils of his kind. The truth of him is now exposed. He can not hide his evil nature or rule a man whose eyes are opened, and who is taking his rightful place in a new world that is coming into being. The sleeping giant is awakening; never again will his eyes be closed. However, there is a price that must be paid in order that we be restored to our place as "HEAD". We must submit to Allah's Messenger, the Honorable Elijah Muhammad, and follow the guidelines that he has been given for us. His teachings to us restore us to our righteous state. It removes the mental and physical yoke of the "Devil" (white people) that has caused us to fall asleep while allowing him to rule for six days (6,000 years). Our awakening marks the end of the Whiteman's reign over the

Original People (Black People) of our planet, Earth.

Since all scripture references this day and time, why should we not bear witness to that which is before us? The lack of understanding and false teachings of our open enemies of god or religion can no longer hold sway over us in light of the truth of Allah's teachings to us. The man born blind in scripture stated, "Where I was blind, now I see". This applies to the Blackman in America, as the scripture really refers to him. All praise is due to Allah for The Most Honorable Elijah Muhammad who was chosen by Allah to do this great work of restoring the man born blind. We must join on to Allah's Messenger in order to receive the blessings of truth and justice as promised to us who follow and return to Islam, the religion of Freedom, Justice, Truth and Equality.

As-Salaam-Alaikum.

### *What do the Muslim want?*

*cont' from page 1*

Contemporary black leadership or African-American leadership in America still remains at the cross-roads of confusion. The American (white) government constantly crafts, and encourages this pathetic dilemma as they, after pretending to free us, left us in present-day slave mode. This is accurately described by Messenger Elijah Muhammad as the status of **FREED SLAVES**. Thus, anyone from among us, be

they preacher, politician, scientist, educator, lawyer, etc., still remains a victim of slavery, suffering and death (Christianity). To release frustration with American depression and oppression, our poor people demonstrate by holding rallies and marches.

Since the white devils of America continue to play tricks on our people, we are still at a loss as to how to make progress. America's mega theft of our true identity has

left us with no true **hindsight, insight** or **foresight**. Thus, without vision, according to scripture, people perish. We encourage all of our people to hurry, hurry, hurry! Come to a Muhammad's Temple of Islam under the guidance of the Honorable Elijah Muhammad - only. This is the place to learn and implement the Muslim Program as you will recognize **what the Muslims want**. As-Salaam-Alaikum.

slave-master 400 years ago. The day has arrived where is no more work for us to do. He is with his own and desires that we go out and find a job for ourselves. He wishes not to be burdened, as it makes the burden greater by trying carry us. It is time for a separation of Black and White. Allah calls for separation!

The Honorable Elijah Muhammad teaches us that today we are standing face to face with the alternative of accepting our own or forever being erased from the earth as a people. No one is trying to make us see this importance, except our own. Why do we not see? We are blindly looking toward the slave-master to tell us this. How can the master tell the slave, "Look, slave, your day has arrived. You should sit in the seat of authority."? We cannot beg for jobs anymore. We cannot build a future on a job that was given to us by the

We find in the Program and Position, "What the Muslims Want", some of the following points:

1. We want freedom.
  2. We want justice.
  3. We want equality.
  4. We want a separate state or territory of our own.
- There is an additional six points published in the works of Messenger Muhammad's publications, recordings, and a host of other publications of his followers. Each gives the complete answer to what the Muslims want. For those who ask

why a house of our own is necessary, the answer lies in the time in which we are living. This is the Time of Allah and we are being prepared to rule this new righteous world that is now coming into being. A house of our own is not just a piece of dirt, but the whole Earth. This is our day to be restored to our rightful place. The Devil's (Whiteman's) world is quickly going out. Both Bible and Holy Qur'an give many references to this, and the signs are all around us. No man knows the day nor the hour, except Allah. He has raised the Honorable Elijah Muhammad to prepare us to rule a house of our own. Let us learn more at Muhammad's Temples of Islam.

selves and our children? If so, why not build a future for ourselves rather than beg the same slave-master for jobs and equal shares in whatever they (white people) have - even to equal membership in their society and families (intermarriage). It is far more important to teach separation of the blacks and whites in America than prayer. Imagine that!! Teach and train the blacks to do something for self in the way of uniting and seeking a home on this earth that they can call their own.

Knowledge is equated with sta-

bility and wise people do what is necessary for positive growth and development of their people and with that in mind, freedom, justice, and equality are easily attainable. In the mist of it all, Messenger Muhammad raises Negroes mentally, morally, and economically to levels others cannot. We can ill-afford to ignore the fact that independence and separation are brought about by stability and balance. Islam is the stability and balance which brings the necessity for separation and independence to the Blackman in America, the so-called Negro. As-Salaam-Alaikum.
