In his book titled, **The Supreme Wisdom**, volume two, page 9, the Honorable Elijah Muhammad states: **A Muslim is one who believes in One God (Allah)**. Such a divine truth has been grossly misunderstood and ill-conceived for thousands of years. This is due to

Messenger Muhammad, who is the Last Messenger of Allah, in The Person of Master Fard Mu-

hammad, has informed us that God, Himself, has come to deliver His people from the hands of their open enemies and suppressors (white people). We have been lost here in the Hells of North America, separated from our people, culture, homeland and true religion (Islam) for over

400 years. Scripture speaks of a people being lost for that period of time serving a strange people in a strange land. We are that people. Scripture makes reference in Ex. 3:7, that God has seen and heard the cries of His chosen (the lost sheep) and His coming is to restore them to their (cont' pg 3)

The Great and Terrible Days of God by *Bro. Hakeeme Muhammad*

In the Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Mes-

senger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

In the Messenger's book, "The Fall of America", Chapter 46, the Messenger speaks in May of 1972 of what we see occurring today, as if he was prophesying what would be going on today in 2016. He speaks of the conditions of our people being shot down in the streets as if black lives matter movement was before seen. For those of us today who follow the teachings of Messenger Muhammad and study his materials, we see that he is truthful in what he

has presented to us. He also pointed out that the heads or leaders of the white world would be running to and fro to the other nations of the earth looking for a way of peace between the heads of nations. They are aware that the end of their world is at hand and they now let their true nature show through. America and her people, the Messenger stats, have lived so rich and so joyfully in wickedness, murder, robbery, and hatred of one another and its so-called Negroes, until their hearts have hardened. They now think that they can make friends and live on with those whom they have had no mercy. Allah knows their hearts and have slated for them a terrible day. Having crushed all the weak nations of

the earth with their power, and delivered them into slavery of one form or another, the white world's leaders now think that they can avoid that which Allah has in store for them by pretending to be living with and falsely loving us. All this after killing us without mercy, justification and without persecution. Do they think that Allah will not pay them for these injustices? Nay, there is no escape for them. This day is the great and terrible day for the opposers of Allah, His Messenger and His chosen people. We plead to our people to fly to Allah and His Last Messenger, the Honorable Elijah Muhammad. As-Alaikum-Salaam.

understanding. In other words **say you believe until you believe.**

Belief in One God has always been the order of the day and the night. Messenger Elijah Muhammad teaches, and the Holy Qur'an verifies that all Scientist in the Circle submitted. However, some 6,000 years ago, all the Scientist in the Circle continued to submit with questions being raised and directed to the God in Person (Yakub) of that day and time. The non-submission eventually comes from Yakub's rebellious Black people who eventually become white people or the white race

- the children of the contrary God who refused to obey their own Father or Maker (Yakub) (See Holy Qur'an 2:34). The Bible even states that it grieved the Lord that He had made this man (See Bible, Genesis 6:6).

The Scientist who climbed Jacob's or Yakub's Ladder have set the earth in such a sphere of darkness and confusion that people today constantly fight the Light of Truth that has been brought to us by Allah (God) in the Person of Master Fard Muhammad. They constantly try to battle the light from Allah as well as to do battle with His Messenger, the Honorable Elijah

Muhammad.

The Orthodox Muslim world confuses itself over the concept of One God while not comprehending the reality of the One God. The Christian world takes it to a new low by splitting the concept into three parts and naming it the God Head. The more we learn from Messenger Muhammad, the more we realize that we are truly dependent on Allah, Master Fard Muhammad and His Divine Leader, Teacher and Guide for us, here in the Hells of North America.

As-Salaam-Alaikum.

Simple Foods Are The Best

by Sis. Brenda Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

It is hard to get pure good healthy food. The white man has poisoned everything, the land, air and water. He has poisoned the food we eat. This is why you are encouraged to grow as much of your own food as you can. Their farms are sprayed with so many pesticides that most of the time they prove to be harmful. They have developed veggie-washes to remove some of the poisons. The Messenger says we look too much at the fancy and artificial foods that the enemy has made and accepted for himself. The Bible warns us to beware of the dainty foods of the enemy. Meats are not good for us, but we eat meat. We should not eat any stale meat or foods that look or smell like they should be on the way to the trash! WE DEFINITELY DO NOT EAT THE SWINE FLESH!!! There is so much

advertising for ham, prosciutto another form of Italian ham, cured by drying and typically served in very thin slices, and of course, their specialty bacons. For the habitual meat-eater, it is hard to get the right food, especially if you want meat. All kinds of meats and sugary breads are not good for the body. The Southern black people were raised on cornbread, which eventually gave them stomach ulcers. If you just love that corn bread, you should cook it two or three times adding a little flour to it, a little yeast and let it rise, rise and rise. Simple foods are the BEST. The simple navy beans is one of the best foods that we can eat. There are so many spices on the market from different nationalities you can easily be confused as to what you may want to use. Keep it SIMPLE, you do not want to saturate good beans with a lot of seasoning that may decrease their nutri-

tional value. Stay away from the foods and the food styles of the Christians. Ninety five percent of the foods they eat will keep you in the Doctor's office. There are many fruits and vegetables that are good for us and as many that are not because they are the wrong kinds. Do not eat collard greens, black eyed peas, or brown black peas and lima beans. The Messenger teaches the Muslim followers how to eat to live and to cook their food done, not half done, so as not to ruin the digestive system. The Messenger also reminds us that You and I live only once. Eat the good things of life and think good thoughts. Do not fill the brain with evil thoughts. Think good things and then you will be good. "I hope you take this for your own sake." As-Salaam-Alaikum.

own. The Messenger states that our lack of knowledge as to the time keeps us looking for our deliverance and salvation from the fake and false God, and the religion (Christianity) of white people. The Messenger states just the acceptance of Islam will give us that which we have been wishing for, freedom, justice, equality, good homes, money and friendship in all walks of life. This also provides us a place on this earth that we can call our own. We are not able to stand up against our open enemy as we do not have a knowledge of the time or the

means to over throw our 6,000 year -old enemy. We must accept Allah, Master Fard Muhammad (our true God), and His Messenger, the Honorable Elijah Muhammad, if we are to be delivered. It is only them who can save us. Many may object to this information, however, reflect on the conditions of our people over the past 400 years here in America. All of our hopes, wishes, cries, and prayers have been meet with not no favorable results. The inhumane state that we exist here in America, is far from any state of heaven, real or imagined.

We can not hope for any long lasting good from our open enemies. We must accept Allah and His Messenger, they are well aware of our condition and Allah has raised the Messenger to provide us with a teaching and program to free us. All praise to Allah for His blessings on us, the lost sheep, here in the belly of the whale (America). Like with Jonah of scripture, Allah has heard our cry, and we now have a way out. Fly to Allah and His Messenger, join on to your own and be saved. As-Salaam-Alaikum.
