Heaven on Earth by Bro. Kamau Islam

In The Name of Allah, Master Fard Muhammad, and in the name of His Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

follower of the teachings of Messenger Elijah Muhammad.

The religious teachers and scholars of the Christian religion and other religions, with the exception of the New Islam, fail to identify and explain the Heaven that is referenced by God in the Book of Genesis. These people, when speaking of Heaven, often direct the people of Planet Earth far away from this planet. They insist that the seeker must travel far beyond the sun,

The Bible, in the book of Genesis, Chapter 1:6-10, is one place in which God identifies His Heaven, its location and its purpose. Although this is done in a very concentrated form, it can be well understood when one becomes a Muslim

the moon, the planets and the stars to get to the mystical heaven that they paint a picture of. They do not tell or explain to the traveler from which point to leave the Planet Earth, which direction (cont' pg 2)

The Hereafter Is Now from The Messenger

This is taken from the book, Supreme Wisdom Vol. 1, page 26.

“Everyone of us—the so-called Negroes—who accepts the religion of Islam and follows what Allah has revealed to me will begin enjoying the above (Hereafter) life here, now!

Yes, the glorious joy and happiness is yours

for the asking, my people. Accept Islam and see your God in truth, and the righteous will meet and embrace you with peace (As-Salaam-Alaikum).

You will be clothed in silk, interwoven with gold, and eat the best food that you desire. This is the time when you enter such life, for your God is here in Person, and you

will never be that which you cannot be any more, after believing in Him.”

For our lost now found members of the Original People of the earth, who have been under the domination of a strange people as foretold in prophecy, may very well find these statements given to us by Messenger Muhammad hard to believe. (cont' pg3)

Is There A Mystery God? by Bro. Hakeem Muhammad

In the Name of Allah, Who came in The Person of Master Fard Muhammad and in the name of His Divine Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The above question is one that has been asked by many. Those who accept God in whatever form represented or presented to the world by the pushers of Christian doctrine is and will always be accepting a Mystery God. No clarity is given to the question. People are allowed to believe whatever they chose to believe, as long as they believe in a God, whether real or not. The fact that no evidence is provided as to the existence of any God, real or otherwise, people are expected to "Just Believe". The fact that Gods have been imagined or imaged in some form for years, is clear that there

has been no factual or actual evidence of a physical God. Therefore there is a "Mystery God".

Today, as we come into the truth of the reality of God, Allah, Who came in The Person of Master Fard Muhammad, we know that our God is a physical being—a Person of flesh and blood. This fact is difficult for many to accept as they are frozen in the false teachings of the enemies of the Black Nation. According to scripture, we have now entered into the Days of Resurrection, Judgment, and Separation; a time when all of the false teachings and hidden truths are being exposed and revealed. Therefore, the truth must be made clear and the hidings of truth must be exposed.

There has been a Mystery God, but today the truth of the Reality of God is being taught. To become acquainted with these truths, one must be acquainted with the

Messenger of Allah, the Honorable Elijah Muhammad. For those who think that the Mystery God, that is represented to us by white people, is the God for all humankind, then you need to study what today is information that will wake you up to the time and to truth. Allah is present today.

We have long believed in false teachings of God; we can now know truth. If proof of God in reality is what you seek, then come follow the Messenger of Allah, who reveals God in reality. To learn that we had been duped by a now-known open enemy can cause us to be angry, but to learn the truth of God in reality changes our entire being. Now we can give praise to our God, Allah in The Person of Master Fard Muhammad and never be fooled again.

As-Salaam-Alaikum.

Sayings of The Messenger

What we long for will finally appear

in which to travel and how long to travel to reach the destination.

These religious leaders further explain that every one that talks about heaven will not go to heaven. They also note that it is mandatory that one must physically die before he or she can begin this imaginary journey. In addition to this there is no known mechanism that serves as a mode of travel to make this journey. **They don't even explain what part of you (the person) will travel, since total deterioration begins to set-**

in immediately after physical death.

Messenger Elijah Muhammad has stated that anyone who tells such lies and spreads such fantasies should be removed from the public so as not to continue to spread such confusion in the minds of so many people.

The Honorable Elijah Muhammad, the Last and Greatest Messenger of Allah (God), has been thoroughly taught by Allah-God in the Person of Master Fard Muhammad. He spent over 40

years—making it plain to our poor Black people here in the Hells of North America. We do not have to leave our Planet earth to experience and enjoy Heaven. In his book titled Supreme Wisdom, Volume One, on page 15, we can learn of the subject "Heaven on Earth". Messenger Elijah Muhammad states: **"He (Allah) has made it clear what constitutes heaven on earth: Freedom, Justice, Equality; money, good homes and friendships in all walks of life."** Come to Muhammad's Temple and learn more. As-Salaam-Alaikum.

Islam-Equality of Brotherhood by *Sis. Faye Muhammad*

In The Name of Allah, Master Fard Muhammad, and in the name of His Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Supreme Wisdom, Vol I, pg.17) . He (Allah) brought us life-giving teachings, the realization of true freedom and happiness that we longed for since our capture and enslavement by White people. White people are the enemy of Allah which makes them the Blackman's enemy too. They are not our Brothers, can never be nor will ever be. They readily offer their made religion Christianity using the name of Jesus, the Prophet of 2,000 years ago, to snare us by claiming that he authored Christianity, of which he did not. White Christians are reared in lies and indecency. Watch what they do as well as what they say. They cannot hide their unrighteous nature. In Islam, everything is set in order by

Allah. It is the Blackman's heaven on earth. It is so powerful that other Muslim believers of the Black family, the Red, Yellow and Brown, recognize the Blackman who follows Islam, to be his Brother. This is true brotherhood as the Honorable Elijah Muhammad states, "All Muslims are the brothers of another Muslim." (Supreme Wisdom, Vol I, pg. 29). Under the guidance of our Messenger, we all learn and put into practice the same rules and laws, neither adding to nor taking away from the teachings. This ensures equality among Believers. Islam makes our lives complete so that we (Black people) can enjoy life on earth now, in peace with our brothers and sisters. As-Salaam-Alaikum.

The religion of Islam or way of life brings good news to every Blackman, woman and child in North America. It is the religion of peace and its Author is the Supreme Being (God) Who's proper name is Allah. The Honorable Elijah Muhammad teaches us that we (Black people) are Allah's descendants and that "Allah greatly rejoiced over us and was real happy that He found us—the lost Nation of Islam in the wilderness of North America." The Hereafter is Now cont' from page 1

We must recall our history here in America. We have been raised and taught in a way under white people that has twisted our state of mind where our history is no longer a predisposition to our state of being. We are other than self. They have duped our so-called leadership into encouraging us to go along with the white devil's trends. This has aided our open enemies in keeping us under their domination. Our leadership, prostituted and fed by our enemies, play majors roles in the devil's plans to keep us away from the truth of the time in which we now live. They would have us settling for the crumbs that fall from the rich man's table

and making ourselves satisfied with those crumbs. They are granted the few crumbs while the rest continue to be hopeful that theirs will someday come. The Messenger has informed us that this is our time and we must cut ties with this open enemy and accept that which is foretold for us (freedom, justice, equality, independence and a house of our own amongst our own kind). The Hereafter is now. We will began to experience it as soon as we come back to self and kind. Muhammad's Temple of Islam is where we can begin to learn more. As-Salaam-Alaikum.
