## Heaven on Earth by Sister Faye Muhammad

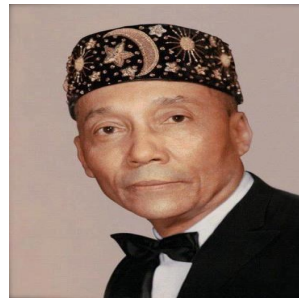

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam -Alaikum.

The Honorable Elijah Muhammad teaches us that we as Muslims under his guidance must strive to divest ourselves of this world's life that has been tailor-made by our open enemies, the Caucasian Race. This made-people's lifestyle has proven to be a death-

style for us, the lost-found members of the Black Nation here in the Hells of North America, which goes against our righteous nature.

As the Whiteman (a made people) continue to enjoy the prosperity which has come at the expense of our forefathers forced slave labor, we still suffer indignities that no other people have suffered. As a result, Allah has come and has taken steps on our behalf to bring us out of the condition of hell that

we've suffered for six thousand years at the hands of this strange and wicked people. Their wicked reign has destroyed peace throughout the earth and is now coming to an end. "Allah (God) came to unite and (cont' on page 2)

## The Signs of Islam by Bro. Batin Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Messenger, the Honorable Elijah Muhammad. As-Salaam -Alaikum.

The Messenger teaches us the signs

of the coming of God. Jesus said unto them, "see ye not these things? Verily I say unto you, there shall not be left here one stone upon another that shall not be torn down." (Matt. 24) The Messenger said this chapter refers to the signs of judgment

of the wicked world. The Messenger said for us to take note of Jesus's words in scripture, "take heed that no man deceives you. For many shall come in my name saying I am Christ and shall deceive many. They shall imitate him and shall (cont' on page 3)

## *The Prodigal Son*

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Many read of the biblical story of the Prodigal Son. He lives with his family in a righteous way, but is fascinated with the life-style of those who live outside of his righteous life-style. He is attracted to the drinking, gambling, strange women, and adultery of that way of life which causes him to lose all that he originally possessed (self independence and Divine guidance). In time he's forced to return to his own Divine way of life. The other side of the fence may present itself as heaven, but he soon finds that the other

way of life is far from the Heaven he formerly knew.

This story relates to the Blackman and woman in America. We, not by choice, were exposed to a way of life that was far removed from our original way. Having been made other than self, we have joined the unrighteous life-style of our open enemies, white people. As the father who received him when he returned home, so is the case for we, the lost-found Blackman and women of America. Allah in The Person of Master Fard Muhammad has come to give life to the mentally dead, so-called Negro. Today we have a Divine Leader, Teacher and Guide who was raised by Allah, Himself, for us. We must now take our rightful place as Muslims, those who sub-

mit their will to Allah.

It is known throughout America that a Saviour has come to restore all things and make all things new. The restoration of the Blackman, who have been the prey where eagles have gathered, is now awakening to the reality of God (Allah) and His Divine Messenger.

Our enemy has drenched us completed with his made religion, Christianity, but it cannot continue to hold us with its false teachings and manufactured snares such as an invisible god that we must die to see, along with stories that we misunderstand because they purposely hide the truth of scripture.

Allah in The Person of Master Fard Muhammad is on the scene today. He brings the light of truth, which directs The Prodigal Son home. As-Salaam-Alaikum.

restore the Blackman again to his own and bless him with the rule of the Nations of the Earth, as declared by the Prophets, Abraham, Moses and Jesus." (Our Saviour Has Arrived, pg. 212)

It is Allah Who created heaven for us trillions of years ago and it is He Who will return heaven to us today. The Honorable Elijah Muhammad teaches what constitutes heaven for us, and the freedom to know and be who we are; righteous Muslims, gravitating toward Islam, the religion of peace. If we want it, we must submit to Allah and His Messen-

ger. Money, good homes and friendships in all walks of life await us who accept Allah and His Last Messenger. We can enjoy Freedom, Justice and Equality while we live as we move further away from the Whiteman's grip into the safety and love of Allah. To know what it means to have heaven on earth, is to know Allah and His Messenger. As-Salaam-Alaikum.

# Slave-Names

In The Name of Allah, Master Fard Muhammad, and in the name of His last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The Honorable Elijah Muhammad, the Messenger of Allah, teaches us that we wear the names of our slavemasters. We have been under their rule for close to 500 years. Although we were said to be set free, we have not dropped the names that were given to us by the slavemasters. As we are aware, these names still tie us to those slave owners. This in reality shows that we are still under their rule. The names were given as a label for the slave master's property. With all the

## by Bro. Hakeeme Muhammad

history that has been revealed, one would think that we would have been glad to discard the name (label) of the slave master which still depicts ownership.

Messenger Muhammad said that He, Allah, told him that we must give up our slave names (those of the slavemasters) and accept only the name of Allah (Himself) or one of the Divine attributes. We, the so-called Negroes must also give up all evil doings and practices and do (only) righteousness or we shall be destroyed from the face of the earth.

Messenger Muhammad informs us that the Blackman, before the making of the Devil (White race), never had slave names as no black man enslave his brother or sister in the manner that the made-man has

done. He teaches us that the Blackman is the Maker, the Owner, the Cream of the Planet Earth and the God of the Universe. He allowed the grafted of himself to rule for a limited period of time as the first chapter of Genesis makes clear.

Allah, Master Fard Muhammad, the Supreme Being, the Son of Man Who has come to fulfill scripture is on the scene today, and the Light of Truth is shining bright. We say, all praise is due to Allah for raising a Divine Messenger for us who brings us into the light of truth and understanding.

Today, we part company with the Whiteman's names, works and religion (Christianity) and way of life.

As-Salaam-Alaikum.

deceive many, especially, the very ignorant people who are given to superstition, who can be easily deceived. On our blackboard, we have two signs referencing the flag of Christianity and the flag of Islam. The question presented on our blackboard asks, "Which One Will Survive The War of Armageddon?" This is the final war of which the Honorable Elijah Muhammad was sent to teach. The Sun, the Moon, and the Star will survive the Cross.

A fool knows it will survive any nation, so why not Islam? Separate and be saved. Reject and be left with neither root nor branch. The signs are being revealed. Fly to Allah and be saved. This is the Day of Judgment. All praise is due to Allah, in Person, Master Fard Muhammad, for raising for us a Messenger who speaks our language so that we may understand and have no excuse. As-Salaam-Alaikum.

The Mission Of Elijah Muhammad In The Hills Of North America

"This is all that is incumbent upon me is to get The Word out there to you. Then my job is up. Or rather, it's over with you. Just to show you the way. And then I'm all up. Then, I would say, I go back to the Master then. And if he have any more work for me to do, I will do it as long as I live. But this is my job, just to get it to you. Not to try to force you to believe it, but just to get it to you so you won't have an excuse."
