The Hidden Truth

In the Name of Allah, Master Fard Muhammad and His Messenger, Elijah Muhammad, As-Salaam-Alaikum.

The Messenger teaches us to speak the truth regardless of the circumstances. He teaches us that hiding the truth is a very serious thing to do. It causes harm and disappointment and causes one to be misled. It causes loss of property and life. It causes the loss of friendship, loved ones,

and loss of confidence and trust. In court, it causes heavy penalties and someone's being sent to prison or to death for that which they are innocent. The greatest and gravest of all is the slave masters' hiding of the truth that will exalt and save his slave. The white people know of and see salvation of their slaves is now present. He is doing everything that he can to deceive the Blackman into thinking that what he offers is the best possible future. The false

How Can We Unite (Part 2) Message To The Blackman

The lack of love for self and kind keeps us divided, and being divided we are a nation of prey at the hands of our ever open enemies. Whatever the amount of education we receive from our enemies due to this lack of knowledge of self, God and the devil; the true religion: self-pride: self-interest: and self-

independence and the desire of a country and of a government of our own under the law of justice and righteousness for every one of our poor black people throughout the earth. How can we unite? It is a shame and disgrace to the intelligence of any people to lie at the feet and doorsteps of another nation, asking, praying to be cared for.

Love for self and kind is the key to our unity and Islam is the House of our salvation. There is no hope for us in Christianity: It is a religion organized by the enemies (the white race) of the Black Nation to enslave us to the white race's rule. But under the crescent with our Allah's guidance we can get us any thing we desire. If you say we cannot unite, you are wrong. **We can unit!**

Confidence Gained Through Prayer *by Bro. Kamau Islam*

In the Name of Allah, Who came in the Person of Master Fard Muhammad and in the Name of His Last and Greatest Messenger, the Most Honorable Elijah Muhammad.

Confidence is defined as *trust, reliance and self-assurance*.

In a world where many people have lost trust in government, religion and other basic operations of life in general, it is refreshing to know that Allah (God), through His Messenger, the Most Honor-

able Elijah Muhammad, gives us a prayer service that can restore our faith in Him and His wonderful Universe.

His Messenger Muhammad teaches us that the *prescribed* Muslim

This science helps us

prayers, when studied and recited by servants of Allah-Messenger, Prophets, Apostles and their followers-greatly manifest the complete confidence that they have in Him (God).

Pre-scribed prayers are pleasing to Allah God, because He has

given this communication to His Messengers and Prophets to pass along to the people throughout the ages. These prayers fit in or are a part of a time-ordinance. Billions of servants have obligations to perform these prayers at least five times daily.

Messenger Muhammad teaches us the *reality* of Allah; He places great emphasis on understanding the *Person* of Allah. This great science helps us to better understand how Allah is *One* and has no associates. He has power over all things. As-Salaam-Alaikum.

What Islam Has Done For Me

by Bro. John X

In The Name of Allah, Master Fard Muhammad and His Last Messenger, The Honorable Elijah Muhammad.

To summarize what Islam has done for me is an undertaking well worth the effort. It's infinite wisdom is invaluable anytime, anyplace and most definitely-anywhere. With the so-called education I received for a supposedly lifetime investment (time and money) in no way

comes close to "The Teachings". I can go anywhere and hold "my own" in any environment. Terms such as "confidence builder" and "confidence booster" immediately come to mind. Islam, under the Messenger's guidelines, has set me on a course in life to prepare for any obstacles that may be in or along my way. The confusing maze of church jargon in the past has now become simply a "piece of cake". When performance counts. Islam is always at my fingertips. Even when others takes them for granted, food, clothing and

shelter have more meaning. Clear guidance is ever-present, giving me more sight as well as insight. Universal truth has given me an universal passport by providing me with an entrance and exit into this world's destiny. First and foremost, I can never be caught unprepared in the knowledge of self because my five senses have aligned themselves with who I am and my destiny in this world's eventual ending. All praise is due to Allah.

As-Salaam-Alaikum.

Meat Is Against Life (From How To Eat To Live) *by Bro. John X*

In the Name of Allah, Master Fard Muhammad and His Last Messenger, The Honorable Elijah Muhammad.

"To eat meat is against our life and shorten the span of our life" teaches Messenger Muhammad. America is

the land of meat, meat and more meat. Physiologically, meat gives the human organism an immediate burst of energy and strength. We have reason to believe that God made the pig for a purpose other

than for eating. Make no mistake about it, the Creator declared the "other white meat" that is so loved by the masses as unclean for food

for logical reasons (read Leviticus Chapter 11 and Holy Qur'an, Chapter 5). It has been scientifically proven that pork consumption proliferates arthritis, heart disease, diabetes and other life taxing illnesses. Nevertheless-take heart and take heed. The real gospel

Live a Thousand years

(good news) is, teaches the Honorable Elijah Muhammad, "before the making of the Whiteman, the Blackman did not eat meat, animal flesh. After the removal of the Whiteman, there will be no more eating of this type of meat (animal flesh or even fowl). There will be a complete stoppage and practice of the eating land flesh regardless to whether it is animal, beast of fowl. The people will live a thousand years without eating meat". As-Salaam-Alaikum.

Why The Black Man Should Be Called By The Names of God From The Teaching of The Messenger

In the Name of Allah, Who came in The Person of Master Fard Muhammad to Whom all praises are forever due. As-Salaam-Alaikum.

Since we have no names of our own, why should not we want a name that links us to God, Himself. Of all the available names one could be called, only those of God represent the best qualities and attributes and these names best fit our nature as well. Having a name that's natural to us also promotes temperance and humility. They permit us to act in accordance with the meaning of such names. For example, the name "Muhammad"

means, "worthy of praise"-this accentuates our actions, "Rashid" means "rightly guided", relating to that which is followed. There are 99 different

attributes of Allah - so teaches the Honorable Elijah Muhammad - and all are good names with outstanding meanings for we who have been without names of our own to use in this day. We can wear these names in comfort. When we are in the names of God, we are caused to be elevated in thought and action to a level and stat-

ure greater than we have been for a long, long time. We reflect a new being with our new names. They instill a new state of mind and we began conducting ourselves in a manner that is uplifted and dignified. This is because of the attributes of the meanings and our efforts to live up to them. All praise is due to Allah for raising a Messenger, The Honorable Elijah Muhammad, who gives that which Allah has prepared for us in this day of enlightenment. We are returning to our own God, His names and our new selves. All praise is due to Allah, Master Fard Muhammad.

The Hidden Truth

world as a recognized and respected people. The truth of the Whiteman's intent is to fool the Blackman into rejecting his own salvation for the false promises made by the devils. We find the 7th Chapter of the Holy Qur'an states the devil is made to confess his deceiving of the people in these words: "Allah promised you the promise of truth. I promise you, but failed to fulfill". We also find reference to the devil's statement to us who follow him, "I called you and you came, but I

had no authority over you". The Book of Revelations teaches us that the old dragon beast deceived the whole world. The

Book of John 8:44 states that there was no truth in them. For their father was a liar and a murderer from the very beginning. Therefore, his children (white race) cannot be otherwise. Regardless of how ill-treated the Blackman may be, he still has

hopes of his master telling him the truth. This hiding of truth is America's downfall and she is under Divine Judgment to be destroyed for her evil done to Allah's people (the Blackman in America). The light of truth is removing the veil from our eyes (mental blindness) and removes our confidence, trust and love for our open enemy. We are returning to our own, our own selves, our own true religion (Islam), our God (Allah) and our own way of life (peace). As-Salaam-Alaikum.
