The Significance of Saviour's Day by Bro. Kamau Islam

In the Name of Allah, Master Fard Muhammad, and His Messenger, The Honorable Elijah Muhammad.

Again we gather on February 26, the birthday of our Saviour, Master Fard Muhammad. To thank Him for coming to North America and finding one from amongst us who was worthy of delivering the message of salvation to the rest of us.

This is in fulfillment of scripture in the Bible that is found in Habakkuk

Chapter 3, verse 3 and 13.

Habakkuk, 3:3. *"God came from Teman, and the Holy One from Mount Paran. Selah. His glory covered the heavens, and the earth was full of His praise".*

Habakkuk, 3:13. *"Thou wentest forth for the salvation of Thy people, even for salvation with Thine anointed: Thou*

Islam Will Unite Black by Bro. Hakeem A. Muhammad

In the Name of Allah, Master Fard Muhammad and in the Name of His Last Messenger, The Honorable Elijah Muhammad do I greet you, As-Salaam-Alaikum.

It is truly a blessing to be living in this day and

time. Many of us are unaware of the time, yet as we are exposed to the time we can be assured that our lives are changing for the better. The Messenger informs us that Allah has come to unite us,

but our unity can only come on our acceptance of Islam as our religion. This may be confusing to some because they think they have their true religion already and question the need to (con't pg3)

What, Is In A Name? *From the Teachings of The Messenger*

A good name is better than gold. The Messenger teaches us that we should and must get out of the devil's names. As we study the depth of what he says, we cannot stop with the thought that he is implying that we should just change our surnames to muslim names, those that are attributes of Allah, but we must understand that we must also get out of the devil's names in the way of the label that the names implies. The name is a label that gives a description of that which it is attached too. We must come to the knowledge of truth under the leadership of Allah and His Messenger.

What is the representation of and in a name, particular a name that is attached to the Blackman in America? Our history here in America has taught us two things

in reference to our names: #1. The knowledge of our original names have long been lost to us. #2. The names that we now carry and wear are the names of the slave-masters that owned our fore-parents. We still wear them and think of them as our own. We are so-called freed slaves and are supposed citizens with the freedom to give up and change these slaves-master's names, yet we cling to his names as if we would become none existent without them. As the Messenger teaches, the name is a label that describes the content of the package, whether animate or inanimate. When we examine the content of the Blackman's wearing of the slave-master's name (label) it describes who we are. It shows that we are still in the mindset of a dependent people (slave) who are

subject to our masters and who take little or no responsibility for ourselves or our well being. We are not of the mindset to establish anything for ourselves or get authority for ourselves. The master's name implies that we are still the master's property and are waiting for the slave master to approve our actions. We have long been without our own and the time has arrived that we must get back to self or we too will be cast in the Lake of fire with the slave master, his religion (Christianity), and the false prophets who go down with his name. (Rev. 20:10). *"A good name is better than gold"*. You can't see the Hereafter with the whiteman's name. Come to Allah, His Messenger and get you a good name.

What Islam Has Done for Me *by Sister Evvy Islam*

In the Name of Allah and His Messenger, As-Salaam-Alaikum. Islam teaches us to be Good Muslims, for by nature the Blackman and Woman are righteous people. Islam is the True religion of God and teaches us a reality of God and the true meaning of Brotherhood

Islam has taught me life for the first time and the right spiritual food that is cleaning me up by

and Sisterhood, Trust and Obedience!!!

I am grateful to Allah Who Came in the Person of Master Fard Muhammad, to Whom Praise is due forever for raising in our mist The Divine Leader, Teacher and Guide, The Most Honorable Elijah Muhammad!!! As-Salaam-Alaikum

Overindulgence, The Enemy *by Bro. John X*

In the Name of Allah and His Messenger, I greet you, As-Salaam-Alaikum.

Call it what you will or may—"throwin' down", "piggin' out" "stuffin' it", "packin' it", "greasin' hard", "sloppin' it", "hoggin' back". Plain and simple, it's simply overeating. For over forty years, the Honorable Elijah Muhammad has been warning us (Black People) about our gross misuse and abuse of that one-of-these-days-you're goin'-to-miss-me organ called stomach. Protection of this vital and delicate sack or pouch is primary. If not, it should be. Once it wears out, That's all folks! Ever heard of a stomach transplant? I didn't think so, The Messenger has this to say; "Eating three or four times a day is

to your stomach as dripping water is to a stone or iron. The dripping water will eventually wear the stone and iron away. But, just look at the water, it does not appear powerful enough in its dripping to wear the stone and iron away. It is the same with food: we continuously put it into our stomach to be digested and eventually it will destroy the stomach. If we let our stomachs rest a while and gain strength, they will last longer in doing a job of digesting food for us." Did that jar your brains any? Oh, no? Once more.

Long life is not enjoyed by eating food (eating habits, too) which will shorten and destroy life. Long life? In this life? You're kidding, of course. Well, white folks have never taught us (Black people)

how to eat to live. Never have, never will. They are here to cut short our (Black people) lives. Ever heard them say, "the only good nigger is a dead nigger?" A kinder, gentler way of softening that is, "The way to a man's heart is through his stomach." Kill the stomach, you kill the man. Do da' math! The Honorable Elijah Muhammad was chosen for us, the Original People (lost-found) by God in Person, Master Fard Muhammad, to be heard, heeded, honored and obeyed, and He alone was taught and given the keys to our salvation. It is through our dietary habits, when regulated, can we be raised to a higher spiritual and physical condition.

As-Salaam-Alaikum

The Knowledge of Time *by Sister Brenda Muhammad*

In the Name of Allah, Master Fard Muhammad and in the Name of His Last Messenger, As-Salaam-Alaikum.

The whole Western Hemisphere belongs to the darker people, and Europe was given to the white people. The knowledge that Allah has given us is the knowledge of our own. This black people of America, who have been swallowed symbolically by the white slave master and his children, must now be brought out of this race of people and be taught the knowledge of their own. America has been number one on the list of God for total destruction for a long time. We all have been trained into this wicked civilization. Now we must be trained into the knowledge of the righteous one. It is an act of intelligence and love for us to accept our own, our own people, our own

Earth, God and His religion, Islam (the religion of peace) and our own place in the Sun. We cannot hope for justice from the devils when by nature there is none in them. All the day long the Blackman is mistreated. The American white people delight in mistreating us, their former slaves. They hate us if we try being good; they have turned upon us, who have turned to Allah and have accepted his true religion, Islam. They hate unity among the Blackman in America.

If only the American so-called Negroes had knowledge of the time in which we now live, they would accept Islam at once; for it is just the acceptance of Islam which will bring the so-called Ne-

groes the things they desire; good homes, money and friendships in all walks of life. This is the time that they should enjoy such heaven - the Time of God.

The Blackman is chosen by God to be His people, not the Jews or the White Christians. It is the Blackman who is deaf, dumb and blind to the knowledge of the time of their salvation, the judgment and the death of their enemy. The truth of the devil is now told and taught throughout the world. The Day of Visitation has come.

Accept your own, that which you have been dead to the knowledge of and return to your own kind.

Islam is the Great Wisdom that Allah (God) promised us. Islam always was. It is our religion.

As-Salaam-Alaikum.

discovering the foundation unto the neck. Selah".

The purpose of Saviour's Day is to commemorate the message and program of salvation for Black people in America who are descendants of chattel slaves and now caught up in the bowels of white civilization.

Allah came and raised up

Messenger Elijah Muhammad so that we might be restored back to our original selves, returned to our religion-Islam, our rightful names, and eventually to a land and home that we

can call our own.

As we celebrate once again this glorious occasion we invite all members of the aforementioned family to join us as we move forward in this *eternal salvation*.

As-Salaam-Alaikum.

This is in fulfillment of scripture

make a change. The Divine Wisdom of Allah is what puts us on the path to the knowledge that sets us apart from the rest of the world. Islam makes us successful in the knowledge of self and doing for self.. This can only come about with the unity of self. We are taught that no matter how great our number, we can never unite with-

out our own true religion, which is Islam as taught by His Messenger. As mortar and cements ties brick and stone together, so it is with the Black Brother and the Black Brother to become one, cemented with Allah and His Messenger The Honorable Elijah Muhammad, one in the power of good and Unity. Islam is only entire submission to

the Will of Allah. There are other precepts of Islam that have been made into volumes of books, but the main principle of Islam is for you and me to bow to His will and to do His will. He have bowed to the enemy's will, now let us bow to Allah's will. As-Salaam-Alaikum.
