A SAVIOUR IS BORN

When we are asked to speak or write about a Saviour having been born for the salvation of the Blackman and Black-woman in the Hells of North America, it is impossible to relay this information without repeating the words of The Honorable Elijah Muhammad, The Messenger of Allah. So, here too, do we use the words of The Messenger to relay some of what he teaches us on this subject.

First, The Messenger

teaches us the time that we are living in and how to recognize the signs of the time in Bible, Holy Qu'ran and the day in which we are living at present. Secondly, he teaches that God is not a spirit but is in fact a man, a human being. When we examine what he teaches in reference to the reality of God, who we now know by His proper name, Allah, we can not deny the truth of his teaching on this

matter. Third, he gives us the history of the birth of this one which was prophesied to come referred to as The Son of Man, The Messiah and The Mahdi in this day and leaves no question to the accuracy of the one who came to the Hells of North (Con't on page 2)

The Black Woman By Bro. Hakeem A. Muhammad

The woman is the man's field to produce his nation. If he does not keep the enemy out of his field, he won't produce a good nation. If we love our vegetable crops we will go out and turn up the leaves on that vegeta-

ble stalk and look for worms that are eating and destroying the vegetables. We will kill that worm-right? We will even kill one another if we find the other one out there trying to steal that crop.

Is not our women more valuable than that crop. Yet we are not careful about our women. We don't love them. Why? It is because we have allowed visitors to run in and out of our houses, thus (con't on page. 3)

America to locate and redeem the lost sheep in the House of Israel in the last days before the final judgment of this world that we have been lost in but, by nature is not a part. Forth, having given us a knowledge of the reality of God, he then teaches us a knowledge of self that restores our internal spirit. He re-ignites our thoughts of self worth. To know that we are the Original People of the planet, backed with science and mathematics, lifts our spirits to a level of pride that has been lost for a long time. Fifth, he teaches the true identity of our open enemy who is

none other than the so-called White Man who striped us of the knowledge of self and made us a deaf, dumb and blind people who have been made other than self.

If any people ever needed a Saviour to come in this day of judgment and on time to liberate a people from this beast-master, it is we, the so-called Negro who has surely been a lost, displaced, discarded, misused and abused people even to this very day. We Need A Saviour. No other people in the history of time have had to endure more than we the lost, now found members of the original family of the Earth, The

Black Man. We give thanks to Almighty God, Allah in The Person of Master Fard Muhammad who has come fulfilling scripture and raising a Divine Leader, Teacher and Guide in the person of The Honorable Elijah Muhammad. For His coming, we are forever grateful. For those who are followers of His Messenger, we can never thank Him enough and for those who have not yet become a follower, Fly to Allah, quickly. This is our day. Our Saviour Has Arrived.

How To Eat To Live

Bro. John X

Is not food supposed to help us go on living? Why, then, is there so much food, not just in abundance, but in so many different forms? The Honorable Elijah Muhammad clearly states that "Long life is not enjoyed by eating food which will shorten and destroy life." Where is the regularity in all of this? Every ailment can be controlled and even cured with proper eating habits, but it has to be proper. Who, other than

Messenger Muhammad teaches us that, "to get good results from eating the proper foods, we must have good thoughts"? Pick up and read

*Every ailment can be controlled
and even cured with proper eating*

volumes I and II of the Messenger's great books, How To Eat To Live. Do you have any ideal of what it is

like to be punished under God's law for eating swine (hog, pork, etc.)? Well, keep eating it and you will see. Remember, our Leader, Teacher and Divine Guide says, "Eat to live and not to die". More next time.

THE PRINCIPLES OF ISLAM *By Sis. Brenda Muhammad*

The religion of Islam teaches us that Allah is One God, and the Holy Qu'ran teaches that what you worship besides Allah is the firewood of hell.

The Principles of Islam:

1. To believe in Allah and His Apostle Elijah Muhammad.
2. To believe in the Divine Reve-

lation and The Hereafter.

3. To believe in giving to the poor rate or charity.
4. To believe in praying at least five times a day.
5. To believe in fasting, especially in the Holy Month of Ramadan.

The main principle of action in Islam means speaking the truth re-

gardless of to whom or what, being clean internally, loving your brother believers as yourself, doing good to all, killing no one whom Allah has not ordered to be killed, setting at liberty the captured believer, worshipping no God but Allah, and fearing no one but Allah. These are the teachings of the Prophets.

An Economic Blueprint con't from last issue *By Sis. Evvy Islam*

One way of doing this is by practicing always one of our Principles, which is paying of the Poor-rate or giving charity to the truth which is (Islam) our Religion, and to our fellowman. This requires action and deeds, not words and lip service.

We must acquire our own building for our place of worship and to keep it is: (1). by practicing the above Principle of Islam and (2). following the instructions listed below from Allah and His Messenger.

The following blueprint shows the way.

1. Recognize the necessity for unity group operation (activities).
2. Pool your resources, physically as well as financially.
3. Stop wanton criticisms of everything

that is black owned and black-operated.

4. Keep in mind jealousy destroys from within.
5. Observe the operations of the white man. He is successful. He makes no excuse for his failures. He works hard in a collective manner. You do the same.

If there are six or eight Muslims with knowledge and experience of the grocery business-pool your knowledge, open a grocery store-and you work collectively and harmoniously, Allah will bless you with success.

If there are those with knowledge of dress-making, merchandising, trades, maintenance-pool such knowledge. Do not be

ashamed to seek guidance, and instructions from the brother of sister who has more experience, education and training than you have had. Accept his or her assistance. The white man spends his money with his own kind, which is natural. You, too, must do this. Help to make jobs for your own kind. Take a lesson from the Chinese and Japanese and go give employment and assistance to your own kind when they are in need. This is the first law of nature. Defend and support your own kind. True Muslims do this.

This subject will be continued in the Name of Allah, Master Fard Muhammad and His Last and Greatest Messenger, The Honorable Elijah Muhammad. As-Salaam-Alaikum. (MTBM pg 173-174)

THE SIGNIFICANCE OF PRAYER *By Bro. Kamau K. Islam*

Messenger Elijah Muhammad teaches us that prayer is our communication with Allah (God). Thus, as we pray daily, we must not only know what to say, when to say it, how to say it, but also to Whom we must say our prayers.

The religion of Islam has an *organized prayer service*, which includes *basic preparations times, positions and prescribed prayers*. In this day and time Allah (God) guides us in all of this through His Last and Greatest Messenger, the Most Honorable Elijah Muhammad.

We must gain an understanding of the Person or Reality of Allah (God) to

truly represent that One that we refer to as the Supreme Being. In the Bible, the Book of Habakkuk 3:3 – God (the Holy One) is seen coming from Mt.

Paran, an area right here on earth.

In a great book written by Messenger Elijah Muhammad titled "The Message To The Blackman In America", the subject is entertained - "The Origin of God As A Spirit And Not A Man". On page 9 in the 4th paragraph he states: "*The belief in a God other than man (a spirit) Allah has taught me goes back into the millions of years—long before Yakub (the father of devils) - because the knowledge of God was kept as a secret from the public...*"

THE BLACK WOMAN con't from page 1

they have destroyed our love for our women and our women have not the love for we, the black man, that she should. Until we learn to love and protect our women, we will never be a fit and recognized people on the earth. No man, Brown, Red, Yellow or White will recognize us until we protect our women. We will never be recognized until we recognize the im-

portance of our women. She too, must have a knowledge of herself and of her importance. She is the garden that bears the fruit of our future, our Black Nation. She is our first nurse. She is our first teacher. Our first lesson comes from our mothers. If we don't protect our mothers, how do you think we look in the eyes of other fellow human beings?

Love, Protect and Elevate your Black Woman. The teachings of The Messenger are a blessing from Allah.

As-Salaam-Alaikum.
